MORE TARIFF TINKERING.

The intimation recently given by Mr. Sifton and his organs, and by Sir Louis Davies, that there is likely to be additional tariff tinkering of the disastrous kind—as in respect to corn and binder twine—has alarmed the manufacturing interests of the Upper Provinces and will make all the more certain the defeat of the Government.

Let us see, did not Sir Louis win votes at the last general election by telling the farmers that they would have cheaper oil if he and his party were elected to office?

THE NEW POLICY.

LE JOURNAL of Montreal, comments upon Sir Charles Tupper's manifesto to our farmers and says:

"It is without doubt, the most important political document that has appeared since the adoption of the National Policy. It is the first time that, in this country, a political party puts in the first place in its programme so vast and fruitful a plan to give an irresistible impulse to the development of the interest of the farmer and the stock raiser."

The Montreal Gazette says:

"Sir Charles Tupper's proposal is to extend on the best lines the work which Conservative Governments began, to put Canadian fruit producers on a footing of equality, as to means of shipment and speed of transport, with the most favored of their competitors, wherever these are found. And what is done for the fruit growers will be done for the poultry raiser, dairymen, vegetable growers, etc. The men who began intelligent government work for agriculture purpose to advance the standard to the needs of the time. Sir Charles Tupper's is a proposal of business statesmanship that speaks for itself."

And the Hamilton Herald remarks:

"A constructive policy is outlined in this manifesto, and it is a good policy too. He says the present government has bungled the cold storage business, and promises that if the Conservatives are elected to power they will establish a comprehensive and effective system. He outlines his proposals, and it must be said that they reveal a thorough grasp of the subject."

GOOD TIME AT TIGNISH.

Auspicious Opening of the New C. M. B. A. Hall.

The large, well proportioned and handsome hall at Tignish, recently erected by the local branch of the C. M. B. A., was formally opened on Tuesday evening with eloquent speeches, excellent music, timely refreshments and the dance. Though the weather was rainy and the roads very bad, a large audience gathered, comprising upwards of three hundred of the youth and beauty, as well as the experience and wisdom of the neighborhood. The President of the Branch, Mr. J. A Brennan, occupied the chair. The programme included musical selections by the Heckman Band, of Miscouche, under the leadership of Mr. Arsene Pourier, speech by the Rev A. E Burke, Grand Deputy of the C M. B. A. for this Province, who declared the hall formally opened and set forth the benefits of the association in an eloquent manner, a few encouraging words from the parish priest, the Rev. Dugald Macdonald, and some complimentary remarks by Mr. W. L. Cotton, a piano duett by the Misses McTague and Dalton, several comic songs by Mr. Watson Clark, of Summerside, who was rewarded by liberal applause and a bouquet, an instrumental trio by Mrs. Doiron, piano, Arsene Gaudet, cornet, and Mr. Boloni Gaudet, violin, vocal solo by Mrs. J. C. Gaudet, of St. Louis, "'Twas but a Dream," a piano solo by Miss McTague, a piano solo by Miss Freda Dalton, a piano duett by Misses Dalton and McTague, a vocal duet by Mr and Mrs. J. P. Gaudet and a violin solo by Mr. Boloni Gaudet, Mrs. Doiron accompanying.

After the speeches and music came the sale of baskets, in which a handsome sum was realized, some refreshments and then the dance until the wee sma' hours ayant the twal.

The entertainment was highly successful in all its parts. The energetic and popular secretary of the committee, Mr. F J. Buote, of L'Impartial, directed the musical part of the programme, Messrs Daniel O'Brien, J J Arsenault, Peter M Chaisson, provided the refreshments, and Mr Jas McGrath had charge of the sale of baskets. Mrs Murphy and Mrs F J Buote were the chaperones. To these ladies and gentlemen with Dr. Murphy and others the great success of the entertainment is due.

FIVE DOLLARS A BOX.

The Price Out no Figure with Him.

"I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and a cure every time. Five dollars a box would not stop my purchasing them should I ever suffer again as I did for a week before using them.

The one 50 cent box that I bought at my druggist's did the work and my digestion is all right again.

Many of my neighbors have also tried these tablets and found them to be just as represented, and Mr. Ellms also wants me to use his name in endorsing Stuart's Dyspepsia Tablets. Signed

A. ELLMS and
CHAS F. BUZZELL, Asst. Postmaster.
South Sudbury, Mass.

Mrs. James Barton, of Toronto, Canada, writes: For eighteen months I suffered from what I supposed was bladder and kidney trouble, and took medicine from three different doctors, without any sign of cure. I felt so ill at last I was hardly able to do my work.

I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia. but after only three or four tablets had been taken all the acid trouble disappeared and then I discovered I had acid dyspepsia, while the doctors had been treating me for kidney and bladder trouble, and one of them treated me for rheumatism.

My digestion is fine, my complexion clear and I am able to do my work and low spirits are unknown to me.

I am so thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets. I am surprised at the change they have made in me.

All druggists sell and recommend Stuart's Dyspepsia Tablets, because they contain only the simple and natural digestives, and taken after meals prevent acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are as safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels and every form of stomach derangement.

RED CHEEKS and bright eyes are often, alas, signs of lung disease. Better secure the beauty of true health by using Adamson's Botanic Cough Balsam for all lung troubles. 25c. all Druggists.
