

Durelle Looks Very Impressive

Ralph Jenkins Again Heads P. E. I. Rifle Ass'n

Lieut. R. E. Jenkins was Tuesday re-elected president of the P. E. I. Rifle Association for a second term at the annual meeting held at the Charlottetown Armory.

In his report the president expressed the hope some of the riflemen would eventually become interested enough to start participating in the small bore matches at the Dominion Meet in Ottawa.

PRESIDENTS REPORT

Another year has been added to the long shooting history of Rifle Shooting in the Province. Prince Edward Island 1957 has been a good year, notably from the viewpoint of a good spring and fall programme and most improved Range conditions. As usual in Rifle Shooting, there has been a number of good sportsmanship and general good fellowship throughout the season. It is hoped and planned that some of the greatest interest is shown in the miniature Range practice which has been carried over and continued on the Squaw Point Range. It is hoped that some competitors to try the Small Bore in Ottawa at the D. C. R. A. Regatta in March after the regular 300 Matches.

side, who for so many years, among his many interests, has been a keen sportsman in shooting and shooters. Our appreciation goes to him for giving a job well done as chief assistant to the Secretary. Stenographer and Statistician.

The position of Vice Officer was again very capably filled by J. Stewart Moore. Stewart knows the game well from experience, and knows how to handle competitors to keep the firing point running smoothly. We think it would be difficult to replace him, but Stewart is well prepared as he threatens to get back in the active ranks and take some of the boys "how to shoot".

IN DURELLE'S SEAT

Durelle was much the stronger of the two and kept control of the action all the way. Luedae came in at 172 pounds, Durelle 174.

Luedae suffered small cuts in the mouth and over his left eye but they did not appear to bother him.

"Durelle threw a lot of little punches," he said. "They added up, they bothered me." Durelle called Luedae a "heavy puncher but not a snappy puncher."

Luedae's Manager, Jack Seaton

Luedae's manager, Jack Seaton complained that a lot of Durelle's blows were from the right side of several Durelle punches appeared low but he was cautioned only by referee Matt Manning and was not penalized.

The televised fight was on for the benefit of the Babe Zaharias Memorial Cancer Fund.

I wish to extend sincere thanks to all generous citizens and firms who have contributed over the years to our prize list. Also the provincial government of Charlottetown, Macdonald Hotel Co., DeHors Bros. Moore and MacLean, Proctor, Rogers Hardware Ltd., Senator Barbour, H. Simpson Ltd., Hickey and Nicholson, United Services Officers Club, Lieut. Col. W. J. Macdonald and the Village Restaurant.

FINANCIAL REPORT

The financial report which was presented by the retiring secretary, Major A. F. (Brick) Gormley, showed that the association will continue in a position to be in very good standing.

Ford Takes Up Boxing

WHEN COVE, N. Y. — (AP) — Gley Ford is taking up boxing. The ring will be in his basement and the opposition will be a punching bag.

The idea is to strengthen his left arm. Doctors advised the New York Yankee ace to try this cure when he visited the Mayo clinic for a checkup. Arm trouble bothered Ford throughout the 1957 season.

When Toronto Maple Leafs and Chicago Black Hawks finished out of the National Hockey League playoffs last season, it was obvious how much difference a few more talented youngsters would have made up with new faces. Both teams came up with new faces. How much difference it will be on their standing still has to be seen. Toronto is now in fourth place and Chicago is tied for fifth.

But the changes did produce two of the leading contenders for rookie-of-the-year honours, Frank Mahovich of Toronto and Bobby Hull of Chicago are most prominent among the newcomers as the league nears the midway point of the sch lude and with it halfway balloting for the Calder Trophy.

Both players are still of junior league age. Mahovich is 19 and Hull, 18, is the youngest player in the league and the youngest ever to wear a Black Hawk uniform.

Both started slowly and both started as centres. Mahovich has switched to left wing, the position he played last season at Toronto. St. Michael's College Majors of the Ontario Hockey Association Junior A series when he was 16 and meritorious service to boxing.

"That's great, that's wonderful!" said Dempsey, who through the years has been showered with just about all the honors boxing has to offer.

The Walker award was voted 62-year-old Dempsey, who held the heavyweight championship from 1919 to 1926, by the Boxing Writers Association in New York.

"I consider it a great honor and privilege," Dempsey said. "Boxing has been good to me and all of us should do all we can for the sport."

Dempsey said he would be on hand to accept the award at a dinner to accept the award at the writers association's annual dinner in New York Jan. 14.

BROWN WANTS DUPAS

Joey Lopes links to the canvas for the first of three knockouts inflicted by lightweight champion Joe Brown, who preserved his title with a TKO in the 11th round of their scheduled 15-round bout at the Toronto Coliseum last August. Brown to a draw last August, gave the champ plenty of trouble until the sixth round.

SPORT VIEWS AND REVIEWS

NEW ISLAND LEAGUE

The newly-formed Island Intermediate Hockey League will have several factors working in its favor this season, not the least of which is the fact that 10 of the 12 entries will carry the stamp of teams that formed part of the popular Island Senior loop for the past two seasons.

TO DATE, THREE TEAMS HAVE LOOKED UP WITH THE SUMMERIDE ACES

To date, three teams have looked up with the Summeride Aces (Parkdale) Flyers. All these clubs carry well known names, and there is a good chance that an older colored squad will join the fold. St. Dunstan's University is the probable fourth entry, and if the Saints join up after the Christmas layoff, they will be a big attraction all around the circuit.

THE LEAGUE, AT THE OUTSET, WILL NOT BE AS STRONG AS THE OLD ISLAND SENIOR, BUT WE PREDICT THAT IT WILL DEVELOP AS THE SEASON PROGRESSES, JUST AS ITS PREDECESSOR WAS DURING ITS EARLY PERIODS OF OPERATION.

And one other thing, the form of the loop is such that it is likely to be a spirited competition right from the start, and this latter ingredient is the main requisite for success in any league.

THE FIRST LEAGUE GAME WAS PLAYED TUESDAY NIGHT AT SUMMERIDE, AND THE ACES AND BARRY'S FLYERS

glided up an operation, and won 4-1. The Aces have a number of last year's seniors in their ranks, including "The Boss" Claude Gaudet, Gordon Stewart, Gerald Delaney and Harry Gray. To these they have added several leading intermediate players from Summeride and Kinkora who play in an area that produces a lot of top notch hockey.

ADDITIONAL, HAVE A SOLID BENCH OF PLAYERS, INCLUDING

the excellent Dennis Simmonds, the experienced Jimmy Duffly, the energetic Jimmy Duffly, and the versatile Jimmy Duffly.

THE MOST PART, WITH A SPRINKLING OF CITY PLAYERS.

All in all, it looks like a promising season for the new league. Fans in Charlottetown and vicinity will get a chance to sample the Aces at the Summeride Aces at the Sports Arena.

THE RECENT TOUR OF CANADA BY THE BOSSON HOCKEY TEAM HAS CREATIVELY STAMPED UP A LOT OF INTEREST

and fans in this country will be keeping a close eye on the World Amateur Tournament at Stockholm in February. There is a chance that the Whiteby team will be bolstered before making the trip. If the CMAA can pry a few top stars away from other senior clubs all the late date.
