

### No End Seen Of Continuous Snow Drifting

Little hope is in sight for a respite from the continuous drifting which made for heavy travelling on many stretches of Island roads yesterday.

Winds last evening were blowing at 20 to over 30 miles per hour, and gusts as high as 45 were recorded earlier in the day.

This was combined with snowfalls throughout the day which brought the total snowfall in a 24-hour period at 8 p.m. yesterday to five inches.

Snowplows were out on the highways yesterday to battle the drifts.

West winds of 15, increasing to 20 to over 30 miles per hour, are forecast for today, and snow is expected to begin this afternoon.

Last night's temperatures dipped to the five degree mark, and are forecast to reach a maximum of 25 degrees today. Wednesday's outlook is for more snowfalls and a continuation of cold weather.

### Rev. Somers Brings Rotary Annual Christmas Message

"Journey into Wonder" was the subject of the 10th annual Christmas message given by Rev. T.H.B. Somers, minister of the Kirk of St. James, at the weekly Rotary luncheon meeting at the Charlottetown Hotel yesterday.

President Andrew Likely presided, with vice-president Randolph Manning as co-chairman.

"Christmas is a theme that comes alive with sound and color; a theme that is throbbing with romance and joy. It conjures up for us a crowded gallery of the most wonderful pictures of the most wonderful things," the speaker said.

He added, however, that a "Christmas without Christ is but a brief frolic of hectic gaiety and forced friendliness, followed all too frequently and fleet-footedly by a bitter slump."

Once we forget the good news, that God came down into the world on the first Christmas morning, the Christmas season begins to pall upon us, he said.

"HUMILED HIMSELF"

"Perhaps, in a way, it is not so astounding that God came down on earth," as he had symbolically visited earth many times before, but "the amazing fact is that God humbled Himself to the helplessness of a tiny infant and limited Himself to the lowliest of earth's sounds and sights — the language of a newborn baby's cry."

Mr. Somers said Christ became the Saviour of mankind not only by His humble birth in the stable, but also by His suffering, death and resurrection.

He said the fact that Christ came to earth as a Babe, wrapped from the cold, homeless in a stable, is the gift of Christmas.

"Christmas is celebration, and there is no celebration that compared to the realization of His true meaning with the sudden stirring of the heart."

The speaker concluded by listing a number of actions which could be taken by persons wishing to find the "heart of Christmas."

He was introduced by the chairman and thanked by the co-chairman. Christmas music was provided by the Centennial Choir under the direction of Mrs. Margaret Hall. Suzanne Brenton was accompanist.

After the final carol, "Silent Night," Rev. Gerald Steele read the story of the first Christmas from the Gospel according to St. Luke and all joined in the Mizpah Benediction.

### Church Service Has Setting For Christmas

ALBERTON — The soft glow of candlelight and Christmas greens formed the setting for evening worship in Alberton Presbyterian Church. The service was conducted by Donald Ross who, in his message, stressed the necessity of keeping the spirit of Christmas throughout the year.

The congregation joined in singing numbers of carols and a small group of children sang "Away In A Manger." The anthem was "Peace and Goodwill."

Carl Adams, guest soloist, sang "See, Amid the Winter's Snow" and "O Little Town of Bethlehem."

During the service certificates were presented to Barbara and Beverly Horne for recitation of the chorist catechism.

### SUPREME COURT

(Continued from page 1) would be suspended for six months provided no unfavorable report on him was received in this period. He was told in a second letter dated May 28, 1963, that he no longer was required to report to immigration officials.

Rocco received a letter from the department Feb. 24, 1961, that his deportation had been deferred for a year to give him a chance to rehabilitate himself.

March 31, 1964, Giuseppe and Rocco were arrested in Montreal and placed in Bordeaux jail. They received letters from the department advising their cases had been reviewed and it now had been decided to carry out the deportation orders.

### St. Louis Votes In Favor Of Incorporation

ALBERTON — Ratepayers in the district of St. Louis in West Prince County voted 38-13 in favour of incorporation as a village on a plebiscite conducted yesterday by Prince County Sheriff Robert Dewar.

One of the principal reasons for incorporation is to provide fire protection for the area which is presently covered by Tignish and Alberton fire departments.

One of the voters was 90-year-old Mrs. Joseph Westge who said she was in favor of incorporation.

The plebiscite was conducted in the Mutual hall in St. Louis.
