REGULAR meeting of "St. Lawrence Lodge No. 8" for the nomination of officers will be held at Odd Fellows' Hall this evening at 8 o'clock.

It is apparent that No. 2 Company is afraid to meet the Charlottetown Engineers at a match under the D. R. A. Regulations. They want to make regulations for themselves. Come, No. 2, don't back down that way.

A SAILOR named John Fennessy jumped into the Rideau Canal, at Ottawa, on the 13th inst., and saved the life of a little girl. This is the second person he has rescued from drowning within a week.

A MUSICAL AND LITERARY ENTERTAINMENT will be given by Prince Edward Division, No. 1, S. of T., on Friday next, June 20th, in their Division Room, Full's Building, Queen street. Admission 15 cents.

A WEALTHY MOUSE.—As Mr. Angus McDonald was moving a counter yesterday in the Railway Hotel, Truro, he found a mouse's nest, made of a twenty dollar, a two dollar, and a twenty-five cent bill. The \$20 bill is too badly cut up to be of any service. It is thought that the mouse was under the influence of liquor when it made its nest.—*Hx. Herald.*

OUR correspondent "City Councillor" and an Ex-City Councillor seem to forget for the moment that the teachers of Government schools in the City receive from the Provincial Treasury about \$6,000 a year. An article on the subject crowded out of to-day's issue.

At the Stipendiary Magistrate's Court, this forenoon, Joseph Valley, drunk and disorderly, was fined \$4 and costs, or 14 days; Francis McAdam, for interfering with the police during Valley's arrest, was fined \$10 and costs, or 14 days; William Corish, arrested on complaint of his father for disorderly conduct, was fined \$2 and costs, or 8 days, to be exacted on the next complaint.

At the regular service, last evening, the Rev. John Lathern, the popular and universally esteemed pastor of the Prince street Methodist Church, intimated that on next Sunday evening he would deliver his last sermon to his present congregation. We feel that, by the rev. gentleman's removal, our Methodist friends lose the services of a most assiduous and Christian pastor, and the community a genial and thorough gentleman.

A girl named Annie Rafuse, narrowly escaped a horrible death at Kentville, N. S., a few days ago. She attempted to wade across the creek between Long Island and the Wickwire dyke, and stuck fast in the mud. The tide was coming in, and it was only by the merest chance that her cries for succor were heard. When assistance at length reached her it required the united efforts of four men to extricate her from her perilous position.

P. E. I. AND THE FISHERY AWARD.—The Government of P. E. I., in the joint address of the Legislature to the Government of Canada, set forth the fact that the Railway, the chief Public Work in the island, is charged to it; that Newfoundland gets \$1,000,000 out of the Award; that P. E. I. has a still better claim, etc. They recite the Treaty of Washington. P. E. I. makes it a good case.—*St. John's Telegraph.*

AT THOROLD, ONT., on Thursday, one Wm. Alexander of that town approached another from Lundy's Lane, and asked if his name was Charles Garrett. Being answered in the affirmative, Alexander said "die," and with the word drew his revolver and fired, the ball lodging in the region of Garrett's stomach. Alexander gave himself up to the authorities and was immediately tried before the police magistrate and pleaded guilty. He said he shot Garrett because he (Garrett) had seduced his (Alexander's) affianced wife.

THE prevalence of small pox in Ottawa creates considerable alarm. The papers are, in a praiseworthy manner, urging on the civic authorities the necessity of at once taking steps to stamp out the epidemic which is affecting one district of the city. The Separate School Board of Management have decided to report in favor of closing the separate schools until the summer is over. It is expected that the public schools will follow the example. At present there is not the slightest danger to visitors, as the principal hotels are in a part of the city entirely apart from the infected districts.

THE Winnipeg Times, of the 4th inst., contains an account of an interview with a large number of Indian chiefs and head men who had just arrived. They were from Fort Qu'Appelle, with their interpreter, Mr. David Prince. They were in camp on the prairie, within a mile from the city, resting after their long and tiresome journey, preparatory to calling on his Honor the Lieutenant Governor, to lay before him an exposition of their grievances. The Chiefs complain that the promises made in the treaty twenty-five years ago at Qu'Appelle had not been fulfilled, and they also complained bitterly of their treatment by the Indian Agent at Winnipeg since their arrival, in not furnishing them provisions when requested—representing themselves as being in a starving condition.

WE have been requested by the Rev. Mr. Lathern to publicly thank the gentlemen of this city who presented him with a sufficient sum to defray his expenses in a trip across the Atlantic and return. The presentation, we understand, was entirely a matter of surprise to the Rev. gentleman. Some time ago, while suffering from ill-health, his medical advisers informed him that a cessation of labor and a sea voyage would likely restore him to health. A number of friends who had learned that it was the intention of Mr. Lathern to visit his native native country in accordance with the advice of his medical attendants, subscribed a sufficient sum to pay his expenses, and urged him to accept it as a token of their esteem and respect for him. Mr. Lathern's public ministry in this city will close on Sunday evening next, when he will preach at the usual hour in the Methodist Brick Church.
