PREMIER WALTER R. Shaw yesterday presented Robert Snazelle, Bunbury, president of the Prince Edward Island Rural Beautification Society, with the governments contribution to the society for this year. The presentation took place before the 18th annual dinner and meeting of the society at the Charlottetown Hotel which was attended by over 300 people.

BEST FOOT FORWARD IN '64

Beautification Society Is Praised For Efforts

Approximately 330 persons were present last night at the Charlottetown Hotel for the 18th annual dinner meeting of the Prince Edward Island Rural Beautification Society and saw the winners of this year's contest receive their prizes.

A special tribute in the form of a toast was paid to Robert Snazelle, Bunbury, the president of the Rural Beautification Society, who, in the words of the chairman, Wendall MacKay, "has done more for the beautification of the Island than any other person except God."

Mrs. Ruth Ballem, former secretary-treasurer of the society was also honored and was presented with a gift by Hon. Andrew MacRae, minister of agriculture, in recognition of her five years of delicated service. The citation was read by Robert Parent, superintendent of the Experimental Farm.

Premier Walter R. Shaw commended the work of the society and praised the fine improvement made in the appearance of the Island in the last year or two. He made particular reference to the many parks here which he termed the "beauty centres of the province".

He mentioned the problem of rubbish along the highways and said that in most cases it occurred on privately owned land where the provincial government had no jurisdiction. He also asked the people of P.E.I. to improve the bad spots that also exist in their communities and mentioned a picture of an old building in a recent Star Weekly article and said, "these do exist."

PAINT UP APPEAL

An appeal to all Islanders to "paint up and clean up" for 1964 was extended by Hon. J.D. Stewart, provincial secretary, who emphasized old decrepit buildings and auto bodies. He said the government was taking steps to clean these up to the best of its ability and that it would endeavor to pass legislation preventing the unsightly placing of discarded auto bodies in the future.

Mr. Stewart noted that next year the Island must put its "best foot forward" as it may never have another chance to show its beauty to so many people. Some 30 to 40 per cent more tourists would be visiting the Island next year, he predicted.

Other dignitaries at the head table were. Mrs. Jean Horton, sister of the Premier, Mrs. Robert Parent, Lieuteant-Governor W.J. MacDonald and Mrs. MacDonald, Mrs. Walter R. Shaw, Mrs. Andrew B. MacRae, and Gen MacLaren of the Rural Beautification Society.

Plans For New Hospital Revealed At Montague

MONTAGUE BUREAU OF THE GUARDIAN

Due to the amount of business and the lateness of the hour the Montague Town Council adjourned Wednesday night to Nov. 22.

The hearing of two delegations, one from the hospital and the other from the fire department and the discussion with the town lawyer on the present dispute over the removal of gravel from the school grounds took up much of the time of the council and necessitated a further meeting to finish the regular monthly business.

Neil Hooley, chairman of the Kings County Memorial Hospital board outlined briefly a proposed new hospital building program advising the council of the reasons for a new hospital, its requirements and the amount of financial assistance avatilable.

He also said when this program goes ahead that most likely the old hospital could be available for convalescent patients and thiose needing light nursing care.

He pointed out that already a fact finding committee has been active and that it looks as though a 50 to 75 bed unit would be required which could cost in the vicinity of $750,000 with the community being responsible for rasiing approximately $300,000.

NO SITE SELECTED

He also advised that if and when this projects goes ahead that a suitable site would have to be selected, and that no site has yet been choosen.

Mayor B.H. Yeo, on behalf of the council thanked Mr. Hooley for his very informative address and also advised him that any assistance the council could give such as information on population, or any other statistics required the town would be glad to do so and would assist in any way within its power.

The second delegation was from the first department with Fire Chief Douglas Coffin as spokesman. The firemen requested permission to renovate a section of the fire hall to make more room available for the equipment. Permission was granted and the work will be done by the firemen.

Also present was Gerard Giddings of the Montague local of the P.E.I. Teachers Federation requesting to rent the old telephone building. Having examined the space he made requests for a few minor changes which the council felt it would have to do if it was to rent the building anyhow.

The matter was taken up near the end of the meeting and it was decided to rent to the teachers for the sum of $40 a month on an annual basts. Mr. Giddings offered the council $35 per month on behalf of the approximately 130 teachers.

GRAVEL REMOVAL

Kenneth MacDonald, lawyer for the town, was present to discuss the procedure to be taken with reference to the removal of gravel as requested by the Montague Elementary School Board and also to advise changes in the deed for John Beer Drive.

It was the decesion of the council to invite the members of the school board to meet with it to determine if the matter could be ironed out in an amiable fashion so as to avoid legal action by either parties. Some councillors felt this should not be necessary as they had already tried to settle the matter in a friendly manner and considerable time had already been taken up which possibly could have been put to better use.

The Collings property to the rear of the town building was purchased for the amount of $450. However further action as to what to do with it at present has been set aside until a further meeting.

Some discussion took place on the proposed Dominion Plowing Championships to be held at the Stafford Gordon property but as no official information had been received for the plowing committee further plans have been left over until a later meeting.

Tenders for supplying sand to the town are to be called immediately for the 1963-64 winter season.

Anthony Stephen Gilbert, Charlottetown, who previously pleaded not guilty to a charge of driving a vehicle on the highway using marked gasoline, had his case adjourned in the midst of testimony by Cnst. James A. Cox, RCMP Souris, when a technicality arose. On the request of the Crown, the case was adjourned to Nov. 27 in Charlottetown.

An Elmira man, Howard Ernest Holland, charged with possession of parts of a still under the excise act had his case further adjourned for judgment to Nov. 20. He was represented by Melvin J. MacQuaid, QC.

There was one case of intoxication in public and the accused was fined $20 and costs or 30 days.

Suspended Sentence Given At Souris For Cattle Theft

SOURIS — Raymond Fletcher McMaster, Dundas, was given a two-year suspended sentence yesterday on a charge of theft of two head of cattle, the property of Murray MacKenzie, Dundas. He was appearing before Magistrate James B. Johnston, QC, at Souris.

McMaster was also ordered to post recognizance of $500.

Patrick Lester Rafuse, Souris, charged with the theft of a tire valued at less than $50, the property of Alban Gallant, Souris, pleaded guilty and the case was adjourned to Nov. 20 for sentence. He was represented by Vernon Fraser.

Montague Lady Dies In Ch'town

MONTAGUE — News of the death at the Wood Nursing Home, Charlottetown, of Miss Annie Mae MacLean of Montague brought many expressions of deep sorrow.

Miss MacLean was born in Montague, the daughter of the late Daniel J. and Lucy Ann MacLean. A member of a prominent family, the late Miss MacLean was active in the business and social life of the town

She leaves to mourn her sisters, Ethel, Mrs. George MacIntyre and Clemmie MacLean, both of Montague, and Lucy, Mrs. William Vickerson, Charlottetown, who only a week ago suffered the loss of their brother Fred, who died in Calgary, Alta.

Also left to mourn are one niece, Doris, Mrs. Sidney Green, Charlottetown and one nephew, Dr. Lloyd MacLean, Montreal. A brother Haddon also predeceased her.

The body is resting at the Montague Funeral Home. Funeral service will be held Friday afternoon at 2 o'clock from the Montague Baptist Church.

Spring Start Planned For Ch'town Regional

It was learned yesterday that construction of the Charlottetown Regional High School, for which Alfred Hennessey, Charlottetown architect is drawing up plans, will get underway in the spring or 1964.

The school will be erected adjacent to the new Provincial Vocational Institute off the Malpeque Road.

Fifty-two districts are included in the regional set-up,

It is proposed, as a start, to build a 24-room school to accommodate grades nine and 10 pupils. It will be designed so that an addition may be built should the situation warrant. It is expected that the school will be ready for occupancy by September 1964.

The addition will await the determination of policy to be followed by St. Dunstan's University and Prince of Wales College regarding grades 11 and 12 students. There are at present 200 Charlottetown regional grade 11 and 12 students attending PWC, 49 SDU, and 48 Notre Dame Academy. The Charlottetown Regional High pays tuition and provides transportation.

At the present time grades nine and 10 students are occupying 11 rooms at the Provincial Vocational Institute, three at Parkdale, three at Sherwood, and one each at Mt. Stewart and Fort Augustus In each case the classrooms are rented and the teachers paid from the Regional School funds.

An early start had not been anticipated on the building program. It had been hoped to continue classes at the Vocational Institute for two years. but this is not possible and with a larger enrolment than expected in grades nine and 10, plans necessarily had to be pushed ahead.

The student population in the four grades in the Charlottetown Regional High is estimated at approximately 818.

Chairman of the Regional High is Dingwell MacFadyen and secretary, Warren Burns.

2 WORKMEN HURT IN FALL

MONTAGUE — Francis Mahar and Percy Jamieson of Sturgeon were taken to the Kings County Memorial Hospital, Tuesday, shortly after 1 o'clock. Both men fell from the roof of a house on which they were working at Lower Montague.

Mr. Mahar suffered a broken leg while Mr. Jamieson had a dislocated elbow and an injured heel.

Council Chamber Being Remodeled

Desks, rugs, chairs and railing were ripped out of the City Council Chamber yesterday, to make way for a complete remodelling by city workmen.

Baseboard heating will be installed and this will be followed with the chamber being panelled to match the work done some years ago in the mayor's office.

The completed outlook will present a brand new appearance with a different color scheme and new modern lighting.

Two Damage To Property Cases Adjourned To Nov. 27

GEORGETOWN — Charles Joseph MacNull, Vernon River, and Carl David MacLeod, Georgetown, each charged with damage to property not exceeding $50 and also charged with damage to property exceeding $50 to which they previously pleaded guilty had both charges against them adjourned to Nov. 27 for judgment and to allow the accused to make restitution. The damage occurred Hallowe'en.

They appeared before Magistrate James B. Johnston, QC, in Kings County magistrate's court here yesterday. Deputy Attorney-General J. Arthur McGuigan represented the Crown.

William Whiteway, Murray River, pleaded guilty to three charges of failing to have an employment insurance book for an insured person employed by him and on each charge he was fined $10 and costs.

A White Sands man, Roy Nicolle, was fined $100 and costs or 10 days for driving while impaired.

Percy Henry, Georgetown, pleaded guilty to igniting firecrackers in the town of Georgetown and was fined $10 and costs or 15 days under a town by-law.

Harry Wilson Moore, Cambridge, who earlier elected trial by judge without a jury, had the charge against him withdrawn when he made restitution. The charge was committing forgery of an unemployment insurance cheque in the amount of $60. He was represented by William A. Reddin.

James Arthur Hewitt, Lower Montague, pleaded guilty to causing a disturbance by molesting other persons and was fined $20 and costs or 30 days.

Wilbur Lemuel Jay of Mt. Stewart, charged with impaired driving and represented by J.P. Nicholson, had his case adjourned to Nov. 27 for hearing.

William Blaine Nicolle and Leonard Wayne Nicolle, both of Murray River, and both charged with possession of a quantity of wash suitable for the manufacture of spirits, had their cases adjourned to Dec. 18 for hearing. Both accused are represented by Mr. Reddin and the excise department is represented by Mr. Nicholson.

An accused was fined $20 and costs for possession of liquor other than in his residence.
