Splendid Meeting at Miscouche.

HACKETT AND ROGERS

Enthusiastically Received by the Electors.

Strong Resolutions Passed.

Special to the Examiner.

MISCOUCHE, June 13.

The meeting last night was one of the largest ever held in Prince County. The spacious hall was crowded to the door, and many were unable to get standing room inside.

Messrs. Hackett and Rogers were escorted to the meeting by a band of music.

The addresses delivered by both candidates were excellent, and were enthusiastically received by the electors.

Hon. J. O. Arseneault also spoke with telling effect.

Mr. E. J. Hodgson being loudly called for, came forward, and delivered a stirring address which was frequently applauded and loudly cheered at the close.

The following resolutions were passed unanimously :—

Whereas, This meeting believes that the interests of the Dominion can be more safely intrusted to the present Liberal-Conservative Government than to any administration which could be formed from the Grit Opposition,

Therefore Resolved, That this meeting pledges itself to use its utmost exertions to secure the return of Messrs. Hackett and Rogers to support the present Government.

The meeting then broke up, and the candidates were escorted to the special train which awaited them. They left amid ringing cheers.

The Meeting at St. Peters.

MORE GRIT BLACKGUARDISM.

Grits Pledging to Support the Government !

Cowardly Conduct !

DISGRACEFUL GRIT TACTICS

ST. PETERS, June 13.

At the meeting of electors at this place, last night, the Grits primed the rowdies of the surrounding districts to attend and interrupt the Government candidates.

During Mr. Muttart's speech the interruptions were so continual that it was impossible for the intelligent electors on both sides to hear his views on the Government's policy.

Mr. Muttart was followed by Dr. McIntyre, to whom the Liberal-Conservative electors gave a splendid hearing, notwithstanding his many barefaced and stupid assertions.

Mr. McDonald was the next speaker. He spoke a short time on the Government Policy, and then began to expose Dr. McIntyre's ridiculous statements. But here the Grit mob returned to their shameful tactics, and so interrupted Mr. McDonald that he refused to proceed any further, and in company with the chairman left the meeting.

All fairminded men condemn the course pursued by Dr. McIntyre and his rowdy mob, who repeated in worse form, the blackguardism practiced at Souris on Saturday night. However, the Grit Candidates have lost ground by the mob rule, as many respectable opponents of the Government party, now pledge the Government candidates their support.

Grit Meeting at Tignish

Carried for the Government.

TIGNISH, June 13.

Mr. Perry called a meeting of his supporters at this place last night. Messrs. Hackett and Rogers were absent at Miscouche.

The speakers were all Grits, but, notwithstanding this, Messrs. Hackett and Rogers were proposed by J. J. Arsenault, Esq., seconded by Richard Kehoe, Esq., and the nominations were supported by a large majority.

Messrs. Perry and Yeo were also proposed, but the majority was so large against them that the motion was declared lost.

Mr. Perry's speech was flat, and his denial that he had anything to do with the attempt at disfranchising the non-property holders was "too thin."

Sir John's Magnificent Receptions.

Mr. McKenzie's Health.

OTTAWA, June 13.

Mr. Mills, of Bothwell, declares that he is in favor of a 25 per cent. tariff.

Mr. Plumb will be nominated to-day for East Wellington. His prospects for election there are very good.

A fracas occurred in the Montreal Herald Office, between Mr. Stewart, Editor, and Mr McShane M. P. P. and blood was drawn. Mr. McShane who is a Grit recently decided to support Mr Gault the Conservative Candidate and hence the row.

Mr. McKenzie's health continues about the same at last reported.

Sir John McDonald's reception at St. Thomas, yesterday, was magnigcent.

The Toronto *Globe* has attacked the workingmen of Canada, and now calls them an "immoral set."

Sir John's Triumphant Progress.

Persons and Papers coming to his Standard.

Government Supporters well Organized and Confident.

Special Despatch to the Examiner.

OTTAWA, June 12.

Sir John Macdonald's progress through Ontario, is a series of triumphs. At Guelph there was an immense demonstration in his favor, and he addressed a meeting there which numbered over five thousand. His reception at London is admitted to have been the greatest political demonstration in the history of that city.

Several papers which have hitherto supported the Opposition have now declared their intention of supporting the Government on the ground that the National Policy has so greatly benefitted the country.

The Crighton *Ensign*, the last conversion to the Conservative party, tells its readers it cannot conscientiously oppose the policy of the Government.

The Quebec papers contain reports of interviews with prominent Reformers who gave their reasons for supporting the Government party at the coming election.

There are three Conservative candidates offering in the County of Carleton; but the Government papers in Ottawa and Ontario are confident that if Sir John will consent to run for Carleton, all three will retire in his favor It is probable that he will run for both Carleton and Lennox, and thus prevent a split among the Conservatives of Carleton. Carleton has always returned a Conservative, and now, owing to the great popularity of the Government, the Conservative supporters are three to one in the County.

Throughout Ontario and Quebec the Government supporters are well organized and thoroughly confident of the result of the contest. None but the most rabid of the Grits dare to deny the general popularity of the Conservative Government.

GENERAL NEWS.

DUBLIN, June 10.

The feeling of despondency in the capital was never greater, and is intensified by the fact that the agricultural prospects throughout the country are particularly bright. It was expected that this would tend to promote contentment and quiet among the farmers. An attempt was made to assassinate Michael Brown, a farmer of Rathglass, County Mayo. Six men walked up to him in a field and asked him why he had taken a farm when he was warned against doing so. They then fired six shots at him, lodging two bullets in his thigh. Sometime afterwards he was found insensible, but it was stated the man, who is sixty years old, can't live. The police patrol only passed ten minutes before, and could hardly have been out of hearing of the shots. Four arrests were made. Another attempt was made to murder Henry East, an extensive farmer and millionaire, living at Carraghtrench, County Roscommon, East, who had had some quarrels with his neighbors about cutting turf in his bog, was standing in his farm yard in the afternoon, when three men with blackened faces, carrying heavy bludgeons, jumped over the wall, and attacked him in a savage manner. His cries for help brought his son to his assistance, but he was set upon and compelled to flee. East's wife came to the door, but the assassins also threatened to murder her if she interfered. Drawing their revolvers, they fired several shots at East, one lodging in his hip, another breaking his leg above the knee, and the third smashing his foot below the ankle. The injured man is sinking rapidly. Four men were arrested, but he could not identify them as his assailants.

DUBLIN, June 10.

The late assassinations are accompanied by a burst of agrarian crime. The facts reported have created a profound sensation in Dublin. The Lord Lieutenant and prominent officials were at the castle until a late hour last night, sending instructions to various parts of the country regarding the protection of certain landlords and officials, who are in as much danger as Burke was.

ST. LOUIS, June 10.

The Brookfield Bank robbers had rented a farm where they were captured, and had made port-holes in the walls to fire upon attacking parties. Sixty revolvers and one hundred pounds of cartridges, masks and explosives were found in the house, which had the appearance of a small armory. One of the robbers told where the stolen money was hid, in a den eight miles away, and an officer went to get it, accompanied by Frank Ward's wife. The officers were also informed where the stolen horses could be found.

NEW YORK, June 10.

British steamer "Peuedo," from Rio Janeiro for Glasgow is reported to have broken in two off Port Esanto, Madeira, and sunk. Four of her crew were drowned.

WINNIPEG, June 10.

Wallace Ross arrived last evening, attended by J. A. Kennedy, of Portland, Me., his trainer. He is in good condition and says he never felt better in all his life. He shows no sign of fatigue from his long journey by rail. He was met at the station by a reception committee and was escorted to his private quarters. He will have his first dip on the Red River to-day. He has no fears but that Hanlan will turn up all right. An immense crowd at the depot cheered Ross as he walked from the Pullman car to the carriage.

TORONTO, June 10.

Hanlan continues to improve and hopes before long to be convalescent. Dr. McFarlane is very much gratified at his progress and is of the opinion that he will be strong enough to fulfil his exhibition engagement at Winnipeg.

ALEXANDRIA, June 11.—Serious riots broke out to-day between hostile natives and Europeans, during which several persons were killed and wounded and a number of houses destroyed.

LATER.

Riotous demonstrations have taken place before the French consulate, to which several of those mortally wounded at the outbreak of the riots were conveyed. The English Consul was severely hurt, receiving a gun shot wound, and an engineer of the British man-of-war "Superb" was killed. The disturbance continued five hours, when a body of military appeared and dispersed the rioters.

The Greek Consul and Italian Vice-Consul were also severely wounded. The British man-of-war, "Superb," will arrive in port during the night and will land 200 men to protect the British Consulate. Boats will be sent to take on board all British subjects who desire to leave Alexandria. The killed in the riots is estimated at 20 people.

AT the regular quarterly meeting of the Benevolent Irish Society, held in St. Patrick's Hall on Saturday evening, the 10th inst., the following resolution was moved by W. C. DesBrisay, seconded by John Hughes, and carried unanimously :—

Whereas, A misstatement having appeared in one of the city newspapers, in reference to the application of this Society for reduced fares on St. Patrick's Day; and,

Whereas, Our President published a letter, correcting the misstatement, together with the letter of explanation from Sir Charles Tupper, Minister of Railways.

Resolved, That we condemn the conduct of those parties who take the liberty to use the name of this Society for political purposes in election contests; that we endorse the action taken by our President as being perfectly right and not a violation of the bye-laws of our Society, as erroneously stated by a correspondent in one of the city newspapers, who styles himself a member of this Society.

Charlottetown, June 13th, 1882.

A Victoria B. C., despatch states that the most disastrous floods in the Frazer River Valley ever known in the province occurred. The warm caused the snow on the mountains to melt and the river rose rapidly, before the settlers had time to move all their effects. The fertile districts of Chilliwack and Lumas are turned into lakes. The settlers reach their holdings in boats. All crops on bottom lands are destroyed. Yesterday Matsqui Dyke gave away; the water covered the prairie, ruining the crops and sweeping away one hundred thousand dollars invested in the dyke. Steamers navigate where a few days ago were farms. On the line of the Yale and Swona Railway the river is sixty-two feet above the low water mark. Wagon roads in some places are thirteen feet under water. Bridges were swept away. Railway works are considerable damaged. The water is within ten feet of the famous Alexandria Suspension Bridge.

THE business transacted at the City Council meeting, last evening, was not of great importance. A number of accounts were passed. A petition of Mr. John Bolger, for removal of nuisance, was read and referred to the Street Committee; and a petition from Thomas Caisley, Esq., regarding a pump on Weymouth Street, was referred to the Public Property Committee.

THE Toronto *Mail* remarks :—"The Liberal-Conservative candidates in Prince Edward Island are making a splendid fight, and they will be returned with probably one exception. The electors have not forgotten that by the Liberal Election bill of 1874 *owners of real estate only would have had the right to vote.*"

WE congratulate Dr. McLeod and Mrs McLeod on the auspicious event announced to day, and wish them many years of happiness and prosperity. The happy couple left by train this morning on their bridal tour in the Upper Provinces and the United States.

PERSONALS.—Senator Montgomery, Dr. McSwain, Eldon; Dr. McNeill New London Mr. Nicholson, Esq., ex-M. P. P., Belfast, were in the city to-day.

MR. FRANK WILSON of the Firm of Wilson and Clark, Stove Manufacture, Yarmouth, N. S. is making his annual business tour of the Province.

YESTERDAY evening Mr. James Monaghan, of the Ten Mile House, St Peter's Road, had one horse killed and another seriously hurt by the Souris train.

THE Market to-day, was well attended. The price of butter has fallen to 20 and 25 cents; potatoes have increased to 72 and 78 cents, and oats remain as usual.

A MEETING was held at Cornwall yesterday. All the candidates received an attentive hearing; and the audience was about equally divided.

ROWDYISM rampant, is what the *Patriot* calls "a Grand Reform Success," at Souris. Desecration of the Sabbath pleases it well.

THE fine mare owned by the fire department of this city, was sold to Mr. McFarlane, of St. John, for $250.

IT would be interesting to know whether or not Mr. Laird's hand shook when he gathered in that last $1,600.

LORNE HOTEL, Tracadie, was offered at Auction to-day, and bought in.

THE band will play on Hillsborough Square this evening.
