

New Service Inaugurated

MONCTON (CP) — Farrell Gaudet, public relations officer for Maritime Central Airways, said Tuesday night the new Super Viscount service between Moncton and St. John's, Nfld., is a "step in building up first class service."
MCA inaugurated the service Monday. The lone Viscount aircraft makes three flights a week on Mondays, Wednesdays and Fridays. The first-day flight carried 40 passengers from Moncton to Goose Bay, 35 from Goose Bay to Torbay, 40 from Torbay to Goose Bay and 24 from Goose Bay, back to Moncton.
An unusual feature: Passengers sit backwards in seats facing the rear of the plane.
The seats, which are not reversible, are in use now by a large number of British aircraft.
