

# "EXAMINER" EXTRA.

CHARLOTTETOWN, JULY 6, 1868.

**A NEW AND GRAND EPOCH IN MEDICINE.—Dr. Maggell** is the founder of a new Medical system. The quantifiers, whose internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite with from one to two of his ordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. Those two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggell's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggell's Pills are not of the class that are swallowed by the dozen, and of which every boxful taken creates an absolute necessity for another. One or two of Maggell's Pills suffices to keep the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant. There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored, and if the nervous system is feeble, it is invigorating. This last quality makes the medicine very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant use of Maggell's Salve. In fact, it is here announced that MAGGELL'S BILIOUS DYSPEPTIC AND DIARRHOIC PILLS cure where all others fail. While for Burns, Scalds, Chills, Cuts, and all Abrasions of the Skin, MAGGELL'S SALVE is infallible. Sold by J. HAYDOCK, 11 Pine street, New York, and all Druggists, at 25 cents per box.

**COUNTERFEITS!**—Buy no Maggell Pills or Salve with a little pamphlet inside the box. They are bogus. The genuine have the name of J. Haydock on box with name of J. Maggell, M. D. The genuine have the Pills surrounded with white powder.

**FRIGHTFUL BURNS! FEARFUL SCALDS!**—Dr. Maggell's Salve stops the most violent pain of burns, scalds, etc., at once, while for wounds, ulcers, corns, etc., it is unsurpassed. Sold by all druggists. W. R. Watson, agent for P. E. Island

## PERRY DAVIS' PAIN KILLER.

Has become an article of commerce,—which no medicine ever became before. It is as much an item in every bill of goods sent to country merchants as tea, coffee, or sugar. This speaks volumes in its favor.—[Glens' Falls Messenger.]

Rev. H. L. Van Meter, Burmah, writes, "The Pain Killer has become an almost indispensable article in my family."

Hundreds of missionaries give similar testimony of its virtues.

Rev. J. G. Stearns writes, "I consider it the best remedy for Dyspepsia I ever knew."

Rev. Jabez S. Swan says, "I have used it for years in my family, and consider it an invaluable remedy."

Rev. M. H. Bixby writes, "I have had occasion to use the Pain Killer very frequently during my residence in Burmah, and have found it a very useful medicine. I did not think I could visit the jungles without it. In case of Colic, Diarrhoea, and Cholera, the Pain Killer gives speedy relief, and for many other ailments I have found it beneficial. It is popular in Burmah, among the natives as well as Europeans. I always carry it with me for my own benefit, and the good of the people where I go."

## MANNA IN THE DESERT.

How like Manna, refreshing and nourishing, the poor pilgrim in the Arid Desert of Disease and dependency is the wonderful *Mannoch* of the Antics.

**JUDSON'S MOUNTAIN HERB PILLS,** Like the Brazen Serpent raised by Moses in the desert, they cure almost miraculously.

**THE HEBREWS LOOKED** Upon the Serpent and were healed. The Gentiles and the Jews both

**IN OUR TIME TAKE** this remedy and are cured.

**GET THE "RESCUE OF TULA ALMANAC."** Sold by all Medicine Dealers.

## HUNNEWELL'S

**UNIVERSAL COUGH REMEDY.** Ten Years have clearly proved that the theory of simplicity, the great element of this splendid preparation,

which allows its use whenever there is tickling or irritation in the Throat, and producing no debility, is the only and true theory by which Colds, Coughs, Hoarseness, Bronchial Complaints, and all Throat Affections, which, if neglected, end in Consumption, can be effectually cured.

It is Sore Throat, the great origin of Diphtheria, when neglected, is cured by making a Gargle with equal parts of water.

Whooping Cough is completely relieved of its violence by a constant use of the remedy.

Testimonials of undoubted character can be seen at my office by all.

Small Bottles, 25 cents. Large do. 50 cts.

## AN EFFECTUAL WORM MEDICINE.

**Brown's Vermifuge Comfits,**

OR WORM LOZENGES. Much sickness undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "VERMIFUGE COMFITS," although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children.

Children having worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of worms in children are often overlooked. Worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. The combination of ingredients used in making Brown's "VERMIFUGE COMFITS" is such as to give the best possible effect with safety.

CURTIS & BROWN, Proprietors, New York. Sold by all Dealers in Medicines, at 25 cents a box. July 29, 1867.

## VACCINATION.

The Superintendent for Vaccination for Charlottetown, Common and Royalty hereby gives notice that he attends at Dr. Johnson's Dispensary, Kent Street, on every Wednesday and Saturday afternoon, from two to five o'clock, in order to Vaccinate (without charge) all persons who may attend for that purpose.

The Superintendent is aware that several hundreds of persons, in his district, are not vaccinated and are exposing themselves, their families, and the public, to the awful disasters of the small pox pestilence; and also to the heavy penalty which the law enacts; he therefore earnestly warns them not to neglect so important a duty any longer, so he will be compelled (however unwillingly) to prosecute defaulters after this opportunity.
