"YOUNG MAN WITH HORN" —With the rapidly-rising Kirk Douglas in the title role, Warner Bros. long-awaited film version of the recent best-seller novel, "Young Man With A Horn," comes into the Capitol Theatre today.

The picture tells the story of a jazz trumpeter who rises to the peak of his profession only to topple when riches and a beautiful girl nearly prove his undoing.

Lauren Bacall plays the sultry woman in his life while Doris Day, as a band vocalist, is the other woman. Hoagy Carmichael, famed most perhaps as tunesmith for the now-classic "Star dust," plays a featured role as does Juano Hernandez, Puerto Rican star from Broadway, who recently scored an impressive acting triumph as the negro in "Intruder in the Dust." Jazz and movie fans alike are in for both a musical and dramatic experience for the film contains a number of hit tunes sung by Doris Day and interpreted by famed musicians representing the bands of Harry James, the Dorsey, Duke Ellington, Charlie Barnett, Stan Kenton, Vaughn Monroe, Phil Harris and Spade Cooley.

S'side Cannery Working On Large Order

Jenkins Bros. cannery in Summerside is at present operating on two shifts a day canning herring to be shipped to the Belgian Congo. The company started negotiations for this order last October and recently were successful in completing arrangements to ship five car loads of this product, each car to contain about 25,000 cans.

At present there is a very heavy catch of herring at Tignish, Alberton and Minningash and it is necessary to keep the plant operating day and night to handle the supply as it comes in. Summerside fishermen have not been faring so well due to ice floes in the harbour but they have made some catches. Seventy-five people mostly women, have been hired to man the two shifts and approximately 10,000 cans are packed during a shift.

In addition to the Belgian Congo order Jenkins cannery is also packing herring with tomato sauce for local assembly. Other years this company has purchased herring in season and pickled them on the Marine Wharf but this year with this order on hand they prefer to pack them because it keeps their plant busy and gives a great deal of employment.

An associated company, Polar Quick Freezing Co. Ltd., is also purchasing herring and freezing them. They have on hand orders for two cars of frozen herring for Western Canada to be sold as animal food and, in addition, have local commitments for herring as

animal food and as bait. It is expected that the plant will be busy operating on this herring order till the opening of the lobster season May 1st. Then the day shift will be devoted to canning lobsters and the night shift will clean up the herring work. The company fully expects that sufficient herring will be available to fill the order.—S

Latest word on the construction of the new Prince County Hospital indicates that it should be completed and ready to open about July 1st. An inspection of the building discloses that the two top floors are all completed except for some minor details and the sterilizing equipment.

Delay in receiving this equipment is now the worst hold-up. The main floor has some linoleum to be laid and some painting remains to be done. The main office has not yet had the putty coat of plaster.

Most of the work that remains to be done is on the ground floor. Installation of the elevator is expected to be completed in ten days. While no definite word could be obtained as to the estimated time of completing the work, it was indicated that it should take about two months. The contractors are M. F. Schurman Co. Ltd.—S

MRS. WILLIAM T. BOWNESS

The death occurred at her home in Bedque village on Monday, 16th, of Mrs. William T. Bowness. She had been in poor health during the past two or three years. Mrs. Bowness was the former Ella Myers. She was the daughter of the late Thomas Myers and Mary Jane Trowsdale. She was born on November 19th, 1870, in Charlottetown. On October 16th, 1900, she was united in marriage with Mr. William T. Bowness of Bedque. To this union were born two daughters and two sons: Mrs. Harry Horton, Summerside, and Helen at home, the sons; Walter and Hammond in Bedque. Mrs. Bowness is the last member of a family of ten. For many years the deceased was a valued member of the Bedque Auxiliary of the W. M. S. She was a lover of flowers and all summer beautiful bouquets adorned the pulpit of the Church near her home. She also remembered the sick and shut-ins with lovely flowers. During her long illness she was most tenderly cared for by her daughter Helen, who is now the occupant of the home and will sorely miss her mother.

The funeral service was held from the home on Wednesday, 18th, and was largely attended. Rev. W. B. Crowe was assisted in the service by Rev. Mr. MacKay, pastor of the Presbyterian Church, Summerside. A choir with Mrs. Walter Craig as organist, sang "Rock of Ages" and "Safe in the Arms of Jesus." An impressive duet: "The Better Land" was sung by Mrs. Edna Jenkins and her father, Mr. Thomas Moyse. Mr. Crowe brought a comforting message, basing his address on Psalm 46.1. The pallbearers were: Messrs. Morley Bell, Harrison Bell and Harry Horton all of Summerside, Ralph MacCaull and Heber Myers, Carleton, and Harold A. Fleck, Bedque. Interment was in Lower Bedque Cemetery. Floral tributes were beautiful, testifying to the high esteem in which the deceased was held in the community.
