THE KING OF PORTFOLIOS.

Our Own Country, a descriptive and illustrated portfolio on America, is, without doubt, the very best portfolio series that has yet come to hand. No need to advertise its superior attractiveness. A sample copy, which may be seen either at this office or at R. H. Mason's news stand, will convince anyone of the first-class order of Our Own Country. The series consists of 20 parts, but no one need purchase more than one part if they do not like the work. Get a sample copy now. Coupon appears on first page. The price is ten cents per part.

B. I. S.—Special meeting of the Benevolent Irish Society to-night.

PENNY READINGS.—There will be another of those popular Penny Readings in St. Peter's Schoolroom on Monday the 7th of May.

THEY ARE HERE.—The costumes for Olivette arrived from Montreal via the Stanley last evening. There will be a dress rehearsal in the Opera House to-night.

CHOIR PRACTICE.—The B. Fay Mills choir will meet for practice to-night in the Philharmonic Hall at 7.30 sharp. It is very desirable that there be a full attendance, as the time is short.

THE CASPIAN.—The brigantine Caspian, Gordon, master, from Guantanamo, arrived at Deleware Breakwater on April 18th, and ordered to New York. The Caspian is owned by James E. Macdonald, of Cardigan.

I. O. F.—Members of Court Avondale will please take notice that a full attendance is specially requested to-night. Important business will be brought forward, affecting each member. By order of the court.

THE SCOTT ACT.—A committee of Scott Act workers waited upon the Government this forenoon and made certain suggestions regarding the vendorship under the act. The Government promised to give the suggestions their consideration.

HOW IT'S DONE.—An exchange asks have you learned the latest fad concerning broken engagements? Both the young man and the young woman thus set free immediately sent out an 'at home' card with 'disengaged' engraved in the lower left-hand corner.

THE STEAMER STANLEY.—The Stanley arrived here about 7 o'clock last night with a full freight and a number of passengers. The Captain reports a large quantity of ice still in the Strait, and it is very doubtful if he can make return trips for a few days yet. She is not moving to-day.

NOTICE TO CITIZENS.—I do hereby notify he citizens of Charlottetown that I am about to make a tour of inspection and request that they have their premises cleaned at once, so that there may be no cause for complaints, but wish to state that the law will be properly enforced and all nuisances must be removed.—Samuel McRae, Sanitary Officer.

OUR MARKET.—The market to-day was very poorly attended and few articles were offered for sale. Hay was quoted at from 80 to 85 cents per cwt, and pork at from 5½ to 6 cents per lb. by the carcass. Potatoes for some time past were very scarce and are now quoted at from 30 to 35 cents per bushel. Farmers report the roads in a very bad condition.

AT THE Y. M. C. A.—Don't forget the Y. M. C. A. fancy table and tea to-day. Over 200 children's dresses for sale, and a fancy table filled with beautiful work. The hall is tastefully decorated, and the articles well arranged for inspection. The tea in the reading room will be served from 5.30 p. m. It will satisfy the most fastidious taste. Let there be a full house this afternoon and this evening. Everything will be sold.

B. F. MILLS' SERVICES.—Rev. Mr. Brewer has received a letter from the Minister of Railways, stating that in connection with the B. Fay Mills' services the P. E. Island Railway will issue return tickets on the line at one first-class fare. Tickets will be good for four days, from April 30th to May 4th, including day of issue, and on May 5th tickets will be issued good for return on Monday, May 7th.

WHOLE FAMILY DEAD.—A most pitiable state of affairs was discovered by a clergyman who called at the house of James Mapes, an invalid veteran, in Goshen, N. Y., a few days ago. One child had died and been buried by the family. Two lay dead on the floor, and the fourth died while the minister was in the house. The fifth died after the three others had been buried. All the deaths were caused by measles and pneumonia.

THE MAILS.—The Steamer Northumberland left Summerside at 8 o'clock this morning for Point du Chene. The upper province mails and those from the United States have been ordered to Point du Chene to be brought by the Northumberland to Summerside this evening where a train will connect. The mails now lying at Picton will be held there until the Stanley makes her next trip, which will probably not be until to-morrow unless the present heavy fog disappears.

AFTER AMERICAN SHOES.—According to an exchange a shoe manufacturer of Havenhill, Mass., has lately received an order for a pair of shoes for Princess May, of England, otherwise known by her title as the Duchess of York. The order was received a few days ago and was accompanied by an outline on parchment of the duchess' feet, together with the necessary measurements for making the shoes. The duchess wears a No. 4. The boot, which is for outdoor use, will be made of straight grain goat, Blucher pattern, extra high cut, on a full Piccadilly last.

THEY'LL BE ENTERTAINED.—There was a good attendance at the meeting of graduates and under-graduates of McGill University held in the law courts building yesterday afternoon and the following resolution was unanimously passed: Resolved that the graduates, under-graduates and friends of of McGill University in appreciation of the Glee Club of this city on the 8th of May, do arrange for a reception of the members of the Club on their arrival here and do entertain them after their Concert at a luncheon to be provided at the Hotel Davies.

LETTERS TO THE EDITOR.

THE ROYAL MILITARY COLLEGE.

SIR,—The editor of the Guardian has gone out of his way in attempting to cast a slur on the Royal Military College and its graduates. Certainly, after a man has successfully passed through its halls, he has but little unearned increment clinging to him. In fact there is not a college in Canada that imposes severer conditions on and develops better men than the Royal Military College, with its strict military system of training and its practical as well as theoretical training in engineering. Every Civil Engineer turned out from its walls, whether he joins Her Majesty's forces in assisting to keep order in and defend our great Empire, or whether he prefers to adopt the profession of Civil Engineering, is well fitted to occupy either position with credit to himself and honor to the college from which he graduated. I may say to the Editor of the Guardian that we Charlottetonians are proud of the young men from this city who have done and are doing such excellent work at the Royal Military College of Canada.

CITIZEN.

SOUTHPORT FERRY.

SIR,—Will the Supervisor of Lot 45, or the officer that has charge of the highways at the end of Southport Ferry Wharf, see to it that the heaps of excrement, etc., placed there shall be removed without delay, and oblige,

A MUCH ENDURING PEOPLE.

Southport, April 24, 1894.

CHOICE CATTLE.—While passing through the market to-day we observed two carcasses of very choice beef in the stall of Messrs. Blake Brothers, and upon enquiry were informed that the cattle from which the meat was obtained, were raised and fed by Mr. Alexander McDonald, of Colville Road. The feeder certainly deserves great credit.

THE ST. LAWRENCE.—Capt. Cameron, of the St. Lawrence, left here on Sunday night to go over in the Stanley to see what the prospects were for the putting on of that steamer. His opinion is that it will be some days before she will be able to make regular trips owing to the exceptionally heavy ice now floating about in the straits.

MORE HONORS.—A despatch from the Colonial Office has been received by His Excellency the Governor General containing notification that the life title of "honorable" has been conferred upon ex-speakers of local Legislative Assemblies and Legislative Councillors. Among those in this Province to whom this will apply are Thomas W. Dodd, Charlottetown; John Balderson, North Wiltshire; and John. A MacDonald, Indian River.

A MAN DROWNED.—Last Sunday evening, about 5 o'clock, Hugh (Joseph) McDonald, of Little Pond, Lot 56, left his home, it is supposed, to visit a sick aunt who lives on the South side Grand River. He was seen near the ice, and was within a few yards of the shore at Narrow's Creek when he suddenly disappeared. Mr. Daniel McCormack who was looking at him at the time gave the alarm and with one or two others at once ran to the rescue. When they reached the spot the body was seen lying face downwards in the creek, in about 10 or 15 feet of water. It was soon secured, but efforts to resuscitate proved fruitless. Deceased attended Divine Service in the morning in Little Pond Church. He left home in the afternoon without acquainting his mother and brother, with whom he lived, as to where he was going. They took no particular notice of his absence however, thinking that he was out about the barn attending to the stock, and were much shocked on learning of his untimely end. He was 41 years of age, unmarried, and of a quiet and industrious disposition. Dr. Muttart, who happened to be in the neighborhood at the time of the accident was notified as coroner, but considered, under the circumstances, an inquest unnecessary.

PERSONAL.

Mr. William Burris, of Anderson & Burris, Summerside, is in the city.

Hon. Benj. Davies and Mrs. Davies will leave by the steamer Stanley on a trip to England and Wales, and probably they will extend their tour to the continent. They expect to be away for about six months. We wish them bon voyage.

Old Furniture

can be made to look almost as good as new by using our Varnish Restorer. It is superior to most Furniture Polishes because it does not make the furniture sticky but has a cleansing effect. It does not fill in carved work; and being the color of varnish, does not show if not thoroughly rubbed off. Will you try it? It costs only 15 cents.

TO-DAY the international cowboy races begin at Chadron, Nebraska. The satisfactory result of last summer's events has led to the present contests, the list of which comprises several 100 mile races over a five mile course. There are 150 entries for the Indian race to-day. The remaining events will be run off to-morrow, and on Thursday the closing day of the programme.

The cowboys are running for prizes, but greater prizes can be had at the STAR TAILOR'S to-day for cash than can be had most anywhere. After many years' experience with the general way of doing business in this city, we have weighed the same and found wanting. As a consequence, from this date forward until further notice, our business will be carried on on strictly cash principles, believing this to be the only true method of doing business. We will endeavor to adhere to the same to the undoubted benefit of buyer and seller. We will sell on those conditions with a very small advance on cost, and we will guarantee you that no one giving indiscriminate credit can afford to sell to the same advantage we can.

The New Columbia Bicycle Pedal

Is sure to attain great popularity as the best all around pedal that will be seen this season. Combining the lightness of the rat trap racing pedal with the ease and comfort of a rubber pad, it preserves the varied and excellent qualities of the 1893 pattern, and reduces its weight more than one half. It is undoubtedly the lightest, neatest, and handsomest pedal ever attached to a bicycle. Particulars in the beautiful illustrated Columbia catalogue, which you can obtain by application to
