THE STANLEY.—The Stanley will leave Georgetown for Pictou to-morrow morning.

THE WEATHER.—Moderate to fresh westerly to south westerly winds, cloudy to fair and mild, light scattered falls of sleet or rain.

POLICE COURT.—A malicious injuries to property case was before His Honor this morning. After examining several witnesses it was postponed for a week.

ST. PATRICK'S NIGHT.—The well known drama "A Celebrated Case" is in active rehearsal for presentation in Charlottetown on the evening of St. Patrick's Day.

THE MAILS.—Crossing both ways at the Capes to-day. The boats left Tormentine at 10 minutes to eight, bringing with them twenty-five bags and leaving one hundred behind.

NATURAL HISTORY SOCIETY.—The public are invited to attend the meetings of the Natural History Society in the Y. M. C. A. parlor at 8 o'clock tomorrow (Tuesday) evening, when Mr. Thomas May will read a paper on "Some Geological Reminiscences."

DONT MISS IT.—Miss Lefurgey will read her interesting paper entitled "Some of the Women in Shakespeare," in the parlor of the First Methodist Church this evening. Chair taken at 8 o'clock. The public cordially invited. A business meeting of the Epworth League will be held at the close of the discussion.

PROTESTING WHEELMEN.—A bill has been introduced in the Massachusetts Legislature to provide a penalty for wagon drivers who trespass on bicycle paths. The measure was drafted because of the fact that Boston built a path for wheelmen on Massachusetts avenue, and before the bicycles had a chance to use it the track was ruined by teamsters.

YIELDED MILK PUNCH.—H W Collingwood, of Westwood, N. J., is a temperance man. According to the story told by an exchange he has been mortified by the antics of his cow, who persistently gorged herself with apples. These fermented in her stomach, turned to cider and made her tipsy. Instead of pure lactical fluid she yielded milk punch. Now Mr. Collingwood keeps her away from apples and her horns are adorned with a blue ribbon.

SHOULD BE ENCOURAGED.—The enterprise displayed in bringing to Charlottetown such a skater as Fannie Davidson should be heartily encouraged. She has delighted immense audiences in Philadelphia and St. Louis for two consecutive nights in each city this winter, and this should be an indication to the citizens of the kind of entertainment they will see at the rink to-night. Don't miss it. Reserved seats only 30 and 35 cents at C. D. Rankin's.

WHAT THEY BRING.—It is pointed out by an exchange that the statistics in regard to the amount of money brought to America by European immigrants show that the German is the richest, with an average of \$52.50, while the Englishman is a close second, with \$52. The Frenchman has \$47.25 and the Belgian \$45, while the Irishman brings \$45, the Russian \$12.50 and the Italian \$10. Probably the Italian takes more back to his native land, however, than any of the others.

A card on the outside of office door says: "Gone to lunch. Be back in ten minutes." And, the man will be there on time. That is, for some days, weeks or even months, he will. Then he will be at home occasionally for a day. He'll tell you he had a headache—a turn of cholera morbus, or maybe he'll say he had a lump in his stomach and felt too miserable to move. The lump was probably two or three ten-minute lunches condensed.

The man who "bolts" his lunches will find Dr. Pierce's Pleasant Pellets the best friend he ever met.

This is no case of biliousness, constipation, indigestion, "heart burn," or any of the rest of the night-mare brood that these little "Pellets" will not cure. They cure permanently. Send 31 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page page "Common Sense Medical Adviser," profusely illustrated.

MRS. ALEXANDER'S DEATH.

Particulars of Her Fatal Burning at Hiroski, Japan.

A letter received from Rev. Benj. Chappell, Tokyo, gives particulars of the fatal burning of Mrs. Alexander, and the serious burning of Mr. Alexander and his little son, in Hiroski, Japan. The fatal fire occurred on January 19th. About 12 30 that night the horrible discovery was made that the Alexanders house was on fire. The fire was well under way when the alarm was given, and Mrs. Alexander did not escape. Mr. Alexander and the little one were badly burned about the head and face and hands. It was thought at first that Mrs. Alexander had escaped and made her way to one of the neighboring houses. The most diligent search was made for her, but no trace could be obtained until about daylight, when her charred remains were found among the debris of the burned home. Mr. Alexander, in speaking of the fire, says they were awakened by the cook's wife and ran from their upstairs bedroom to the sitting room on the same floor, just across the hall, for their little son George. They thought there would be time to get on some clothing, but in a moment the paper ceiling (they have no plastered houses in Japan) in the nursery, just beyond, was all aflame. Mr. Alexander then took George out of the hall window to the roof of the porch, and when he returned for Mrs. Alexander the sitting room was in flames, and no voice answered his call. He tried to see if she had fainted or fallen to the floor, but the flames drove him back, and he fell from the upper window of the sitting room to the ground, and then climbed up pillar of the porch for George. The place where the body was found indicates that Mrs. Alexander must have left the sitting room to follow the cook, ran through the flames of the nursery, and tried to escape down the back stairs, whence she was cut off by the flames below. Rev. Mr. Alexander, who has been bereaved under such sad circumstances, is a son of Mr. Geo. Alexander, of Stanhope. Mrs. Alexander's parents live at Bear River, N. S.

WEDDING BELLS.

St. Joseph's Church, Kelly's Cross, was the scene of a very pretty wedding on Tuesday, February 14th, when Miss Mary Ellen Trainor, daughter of Edward Trainor, was united in marriage to Mr. Patrick McKenna, son of the late Felix McKenna, of Kelly's Cross. The marriage ceremony was performed by the Rev. D. B. Reid.

Miss Katie Trainor, cousin of the bride, acted as bridesmaid, and Mr. William Gorman assisted the groom.

After the marriage ceremony the wedding party drove to Mr. Patrick Trainor's, Kelly's Cross, where a sumptuous wedding breakfast was provided.

Although the weather was very unfavorable a number of the friends of the contracting parties assembled at the home of the bride's parents, where a most enjoyable time was spent by all. The bride was the recipient of many beautiful and costly presents, which tell better than words the esteem in which she was held by those who had the pleasure of her acquaintance. We join in wishing Mr. and Mrs. McKenna a long life of happiness and prosperity.

PERSONAL

Rev. J. C. McLean, of St George's, is in the city.

Dr. Conroy was a passenger to town by the eastern train to-day.

Capt. Finlayson came to town from Georgetown this morning.

High Sheriff Gaffney, Summerside, was a passenger to town by the western train to-day.

Mr. J. B. Baker, of the Guardian, spent Saturday and Sunday in Summerside and returned to town this morning.

Mr. and Mrs. Joseph Taylor are to-day celebrating their golden wedding. THE EXAMINER joins with their hosts of friends in wishing Mr. and Mrs. Taylor many additional years of happy wedded life.

The Rev. Marcel Conran, lately from England, preached two impressive sermons in St. Peter's Church yesterday. The reverend gentleman is young and energetic as well as eloquent. He is well worth hearing.

Mr. C. A. Myers, one of the Prince Edward Island students at Dalhousie, has been elected president of the College Y. M. C. A. for the year. Mr. E. W. Coffin, another bright student from this province, has been chosen vice president.

HOTEL ARRIVALS.

Hotel Davies: John Gaffney, Summerside; Byron N. Barnes, Montreal.

Queen Hotel: Geo. Forbes, Joe Shorey, Vernon River.

After performing at St. John on Wednesday and Thursday nights of last week and at Moncton on Friday the Davidsons arrived at Cape Tormentine on Saturday afternoon where they remained during the storm of Sunday. They cross to Cape Traverse to-day and come through to Charlottetown.

THE ENGINEERS AGAIN.—The Engineers intend to repeat their entertainment next Thursday evening, the 23rd inst., in the Lyceum. Make a point of attending.

A PLEASING FEATURE.—At the concert held in Mechanics Hall, on Thursday evening last, one of the special features of interest was the music rendered by Worth's Military Band. This band is always up to date and never fails to elicit applause. Its worth is evidently appreciated.

FRATERNAL VISIT.—On Friday evening last Grand Scribe Weeks, Grand Con. G. W. H. Stevenson and a number of the members of Refuge Division paid a visit to Forest Home Division. A good was passed. Speeches were made by the Grand Scribe and Grand Conductor.

ST. DUNSTON'S CATHEDRAL.—The course of sermons to be given on Sunday evenings during Lent was opened last evening by Rev. Dr. Monaghan, who took for his theme "The Primacy of St. Peter." Catholic doctrine upon it is pointed out and eloquently explained to the large congregation present. The subject for next Sunday evening is, "Are the Bishops of Rome the successors of St. Peter?"

ST. PAUL'S CHURCH.—The Rev. Mr. Bryan preached two able and effective sermons in St. Paul's church yesterday. His morning sermon dealt with the story of the Prodigal Son, with special reference to the prodigal's leaving home. His evening sermon was addressed to the young, and his text was "Value of the Young Man." Both services were largely attended considering the unpropitious weather.

MARRIED ON THE SIDEWALK.—A couple with two hearts that beat as one drove in a hack to the door of a theatre in Wichita, Kansas, and sent a messenger for a justice of the peace, who was witnessing a performance in the playhouse. He came out, and with his return check in hand, stood on the sidewalk while he married the couple. They drove off and the justice returned to the theatre.

THE CITY ACCOUNTS.—The City Accounts for the year ending the 31st December, 1898, have been issued. The complete reports of the various civic departments are given, and the financial position of the city is shown. There are also good likenesses of the Mayor and Councillors, the Water Commissioners and the civic officials, besides views of the City Building, Council Chamber and city schools. The arrangement is very complete and reflects the greatest credit upon Mr. Davison, the efficient city clerk. The printing was done in THE EXAMINER job office and is of the best description.

RIFLE SHOOTING AT A BALOON. With regard to the effects of gunshots upon a baloon the following experiments were made. A shot was fired from a Lebel rifle at a baloon at an altitude of 500 feet. It only penetrated the fabric below the equator, and no appreciable results ensued. After this, many shots were fired, several penetrating the baloon and passing out near the upper valve. After a lapse of six hours the baloon descended to the ground, by reason of the loss of gas through the bullet holes. But it appeared that, whatever the number of shots, the loss of gas was never sufficient to cause the baloon to fall rapidly.—Fall Mall Magazine.

HOCKEY MATCH.—The St. Dunstan's and Second Victoria meet tonight in Hillsborough rink to battle for the inter-mediate trophy. The game promises to be close and exciting. The teams line out as follows:

- ST. DUNSTON'S.
Goal—C Roy.
Point—P Gagne.
Cover Point—G Roy (Capt.)
Forwards—F White, K McPherson, P Brown, L P Turcotte.
- SECOND VICTORIAS.
Goal—W Davison.
Point—J Collings.
Cover Point—V Blake.
Forwards—H Weeks, C Farquharson, H M Mabon, W F Collings (Capt.)
