

Alma and Vicinity

Mr. and Mrs. Arthur Rennie and family motored to Summerside recently.

—Mr. Leigh Donald motored to Charlottetown on Sunday, Nov. 25, and spent a few days with his sister and friends. He returned home on Wednesday, Nov. 28th.

Mr. and Mrs. Alton O'Brien and Mr. and Mrs. Harry O'Brien were guests of Mr. and Mrs. John P. Wallace on Wednesday, Nov. 28th.

Mr. and Mrs. Earle Kinch and family spent Sunday, Dec. 2nd, at their home in Alma. They returned to Summerside on Monday.

Mr. and Mrs. Harry Barbour and daughters, Wanda and Marion, and Miss Blanche Mountain, motored to Summerside on Saturday, Dec. 1st.

Mr. and Mrs. John E. Mountain returned to their home on Saturday, Dec. 1st, after spending a week visiting their daughter, Mrs. Jack Nesbit, Summerside.

Mr. James Gordon took over the mail driving on Saturday, Dec. 1st to finish out the term for Mr. Stanford McNeil, who has been courteous and obliging for the past number of years. Friends are wishing Mr. Gordon good luck in his new undertaking.

BURGESS BEDTIME

said Peter.
"You mean you wouldn't knowingly," replied Jumper.
"Of course," said Peter.
"But somebody might accidentally find out from you that secret, and that somebody might be looking for a helpless little mouse for dinner. What you don't know isn't going to hurt Nimbleheels; just remember that," said Jumper, and bounded away like a big lump of snow that had come to life. You know his coat is pure white.
Peter would have been a surprised Rabbit had he found out that the sleepy little sleeper was curled up in a tight little ball sound asleep just a few feet from where Peter was sitting at the moment.

GEESE

Improved strains of Africans, Brown Chinese and Toulouse. Having bought out Mr. J. P. Tarton's stock of purebred breeders and goslings, I can now offer an even better selection of ganders and geese for breeding purposes.

Cleartone HEARING AID

Here is the ultimate in hearing aid design and engineering. The Cleartone "700" is the closest approach yet to hearing aid perfection. It is the smallest hearing aid ever produced to capture the power of a 22 1/2 volt battery. You'll be amazed to see how very small it is—smaller than ever before thought possible. You will appreciate the clearness and extra power designed to aid the most difficult cases. Now you can hear sounds more clearly... without distortion... without strain. Now you can wear your hearing aid hour after hour easily, comfortably... without fatigue. Match the Cleartone "700" with any hearing aid available today. Put them all to the same tests. You'll agree that the Cleartone "700" outperforms them all.

We carry most all sizes of Batteries and repair most aids. Please send make of Aid and number of Battery when ordering.
