

Clippings From Late Papers.

Street Travel is impeded in New York. Four thousand horses being sick with the epizootic.

Dr. Simon Denton's wedding dinner at Hancock, Illinois, was eaten by over thirty guests, and immediately afterward nearly all of them were taken violently ill. Somebody had abstracted some poison from the Doctor's stock of drugs, and put it into the wine.

The Norwegian brig *Beta*, Hansen master, was wrecked at Cape North, C. B., on the morning of the 15th ult. The crew (nine all told) had a narrow escape, and saved nothing but what they stood in at the time of the distress.

The national debt of New Zealand now exceeds \$190,000,000, while almost every one of its principal towns is also heavily in debt to England. Altogether New Zealand owes England nearly \$175,000,000, which at 5 per cent. is \$18.30 per head per annum interest on its population, taking at 450,000 souls. London financiers look grave over these figures especially in view of the falling off of the land sales.

"Fortune, no doubt, has surprises in store for us; but the surprise will be great if Canada ever again has Mr. Mackenzie as the head of her Government and Sir Richard Cartwright as her Minister of Finance. We say it with unfeigned respect for the ability and character of both men. They served and represented special influences now nearly extinct, and the exceedingly narrow ledge on which they stand is being fast overflowed by the advancing tide of independent opinion. Never did leaders more completely fail to read a situation or more signally thrown away the chances of a party, than did those who, on the eve of the last election, turned the depressed industries of Canada with contumely from their door. A slight concession, almost a sympathizing word, would have saved them and their adherents from a ruinous overthrow."—*Bystander for October.*

Household Hints.

**Cream Pie.**—To one pint of milk put two even tablespoonfuls of corn starch, two of sugar, one egg, a small pinch of salt and flavor to taste with extract of lemon and orange mixed. Bake in a rich paste.

**To Clean a Toilet Sponge.**—Buy five cents' worth of hydrochloric acid and dilute with four or five quarts of water. Put in the sponge squeezing and working it with the hands until perfectly free from all grease. Afterwards rinse in clear water.

**Keeping Catsup.**—A friend tells us she experienced much difficulty in keeping her catsup from fermenting after bottling, until she tried the experiment of storing it in unused fire-places. She has no trouble now with the corks flying out or bottles bursting.

**Tomato Soup.**—Boil a veal and a beef bone the day before the soup is to be used. The next day fry in butter two onions, two carrots, parsley, twelve cloves and a bay leaf till brown. Add this with a half a can of tomatoes to the soup. Boil two hours and strain before using.

**Muffins.**—One cup sweet milk and a large spoonful extra, three cups of flour, one egg, two teaspoonfuls cream tartar, one of soda, butter the size of a small egg. Beat egg, butter, and cream tartar together; stir in part of the milk while putting in the flour, dissolve soda in remainder of the milk and stir in after it is well mixed.

**To retain the color of any vegetable** plunge it into cold water after boiling. Cocks make the mistake of boiling things too much. After reaching the boiling point, meats should simmer. The toughest meats can be made tender by so doing.

It is always best to under-season rather than over-season food. When anything is accidentally made too salt, it can be counteracted by adding a tablespoonful of vinegar and a tablespoonful of sugar.

Meats of any kind should not be washed, but wiped with a towel to preserve the juice and quality.

A Fact Worth Knowing.

If so, go to your Druggist and get a bottle of Boschee's German Syrup. This medicine has lately been introduced from Germany, and is selling on its own merits. The people are going wild over its success, and Druggists all over our country are writing us of its wonderful cures among their customers. 2,400,000 samples have been given away free of charge. If you wish to try its superior virtue get a Sample Bottle for 10 cents. Large size bottle 75 cents. Three doses will relieve any case. Try it.

**THE WEEKLY EXAMINER.**—Persons having relatives or friends abroad, and desiring to keep them informed concerning P. E. Island, cannot do so in a better or cheaper way than by subscribing to THE WEEKLY EXAMINER.
