The sale of bankrupt stock, consisting of Jewelry, Watches, Silver-plated Ware, &c., &c., will be continued this evening at 7.30 o'clock, by F. S. Hanford, at Lepage's Building, Queen street. Come and get bargains.

THE DUST to-day is very dense. High winds and streets dry cause dense clouds of dust to rise, drifting in the air with terrible fury. The water-cart driver is almost suffocated, his little sprinkler is almost powerless for good or harm—save the tax it imposes on dust ridden citizens.

The steam yacht *Nooya*, Capt. Bernier, arrived at Pictou on Sunday. She has on board M. Saye, a wealthy French gentleman, who is enjoying the summer by cruising around the Canadian coast, accompanied by his lady, and a staff of servants, besides the regular crew. The yacht is a beautiful one, and is kept in man-of-war style, the crew being in uniform and under discipline. She will remain at Pictou about a fortnight.

YESTERDAY as Hon. Frederick Brecken was returning from Kensington he discovered a small boy named McKenna on the shore, near low water mark, rolling in the sand. He reported the matter to the police. They went where the lad was lying, and finding him to be insane, took him to his parents. Had he not been discovered, it is the opinion of the officer that he would have been drowned on the return of the tide.

Walking Match.

The walking match between Owen McCloskey and Thomas Wakeland, for thirty dollars a side, commenced in the Citizens Skating Rink at 10 o'clock this morning. Both started in good spirits, and, up to our going to press, are walking handsomely. The contest will be intensely exciting at the close, as the men are well matched. The following is the score up till 2 o'clock:—

McCLOSKEY.	WAKELAND.

2nd hour 85 laps.	2nd hour 85 laps.

Shocking Death.

A CHILD FALLS FROM A FOUR-STORY WINDOW, AND IS DEAD IN TWENTY MINUTES.

A heart-rending accident occurred on Prince William street, St. John, on Wednesday morning soon after eleven o'clock. A little girl, sixteen months old, daughter of Mr. John C. Palmer, janitor of the building, was killed by falling from a window in the fourth story of Pagsley's building, corner of Church street, to the asphalt pavement. The child's mother had left her in a room and gone down to the street to call in an older child, and on arriving at the street door was horrified by the body of her infant child falling at her feet. The child had crawled through the protecting slats of the window in the room in which she had been left and fallen out! The poor little thing struck on the top and left side of her head, crushing it a little, causing the centre part of the left ear to protrude, and the blood to ooze from the right ear, besides spraining the left wrist. The agonized mother raised the prostrate form of her infant in her arms, and Mr. H. L. Rawlins, who was at hand, took it from her and carried it to Dr. Wm. Bayard, who pronounced it fatally injured. Mr. R. C. Skinner drove after Mr. Rawlins with a carriage and brought the child to his office, where Dr. Botsford was called in, and where the child died in about twenty minutes.—*Sun.*
