Children who have once had Zam-Buk applied never forget how it soothes and heals their hurts. Wise mothers never use anything else. A touch of herbal Zam-Buk—a bandage made of almost any clean rag—no more tears or worry. Zam-Buk is so pure and so refined that it provides the ideal healer for every sort of wound, abrasion or soreness.

Ask For Mrs. J. E. Bierwirth, of Carnduff, Sask. writes: "My little boy cut off the end of his finger and it seemed a case for a doctor. However, I applied Zam-Buk to stop the pain and bleeding and it gave the child such relief that I continued the treatment. Using nothing but Zam-Buk, I dressed the finger each day, and the wound healed perfectly."

AFTER 20 YEARS—Dr. James MacNeill of North Battleford, Sask., is visiting his native province after an absence of twenty years. Dr. MacNeill, who is a brother of Doctors Alexander and John F., of Summerside, has done well in the West. He is Superintendent of the Provincial Hospital at North Battleford and is active associated with the activities of the province. Naturally he notes many changes in Prince Edward Island since he last saw it but the changes, he declares, are all in the direction of improvement. He was agreeably surprised at the evidences of general prosperity observed during an auto drive from Summerside to Charlottetown on Wednesday and expressed the opinion that there is not a more prosperous looking or more beautiful section of country between the Atlantic and the Pacific.
