All this could not have been possible except for the excellent work of the coaching staff. Head Coach, Ed Hilton, took over a team at the start of the season and he has done a great job. Assistant coaches, Dave Smith, Dave James, Gary Mancuso, and Doug Webber, all deserve great commendation.

Congratulations, Panthers and thanks for the great football action. For those of you who graduate, good luck and think of the Panthers as yours forever, and for those of you returning, here's looking forward to a great season next year.
