

Dairymen, City, Packers Win Play-Off Contests

The Sunshine Island Dairy defeated the Basileia Youth Club 13-2 while the City Slickers whipped the Bike Shop Wheelers 15-6 and Canada Packers edged the Liguorini Youth Club 8-7 in City Softball League games yesterday evening.

The City led the Wheelers two games to none in their series while the Packers lead the L.Y.C. two and the Dairymen lead the B.Y.C. one game to none.

Canada Packers came from behind in the last of the seventh to score three runs and edge the L.Y.C. With the bases loaded, Pete MacIntyre hit a double to score Henry Hartinger and Billy Wright. Earlier in the inning Reg Hughes had scored on an error.

Clark started for the Packers and was relieved in the fifth by Hartinger who went on to earn the win. Peters started for the L.Y.C. and was relieved in the second by hard working Blenis Nicholson.

Paddy Sheppard and Jackie MacDonald, the L.Y.C.'s two outstanding outfielders, both hit home runs. MacDonald and Junior Smith both had three hits for the losers.

Left-handed Dick Doyle was the winning pitcher as the City won their second successive game over the Wheelers. Doyle went the route and did not allow any earned runs in a fine pitching performance.

Elmer Mahar started for the Wheelers but was relieved by Jimmy Hughes in the fifth after receiving poor support. Playing coach Wally Sheppard of the Wheelers was ejected from the game.

Merlin MacKenzie and Glen Matheson hit home runs for the City while Jimmy Bradley hit a triple for the Wheelers and Duke MacCallum had two hits.

Art Ballen pitched five hit ball as the Dairymen outclassed the B.Y.C. Jimmy Flannigan pitched for the B.Y.C. and was touched for eleven hits. Ballen struck out nine.

Garth Crockett and Barry Hugh hit home runs for the Dairy and Joe Revell hit a triple. Hugh led all hitters with three safeties while Revell had two.

John Walsh had two hits for the B.Y.C.

The umpires were Ev. MacNeill, Leo Doyle and Merle Longephele.

Ulrich Leads In U. S. Open Golf

By JACK SULLIVAN
CANADIAN PRESS Staff Writer
TORONTO (CP)—Wally Ulrich, 30-year-old Rochester, Minn., pro, swept into the lead Thursday night at the halfway mark of the 72-hole \$26,500 open golf championship.

The well-built shotsmith clobbered the par-71 Scarborough layout for a six-under-par 65. This matched his opening-day round of 130. Lanky Dave Douglas of Grosingers, N. Y., first-day leader with a 63, slipped to 69 in his second 18 for a 132-total and third place.

The runner-up spot was taken by Bo Winingor of Oklahoma City, Okla., who put together rounds of 65-66 for 131.

The 6,007-yard course took a terrific walloping Wednesday when 55 of the 170 starters shot sub-par rounds but the free-for-all eased off Thursday when a cool breeze swept the course in the morning. The winds eased by early night and the par-busters went to work with more than 30 breaking regulation figures.

BOLT, FORD TIED
The 60 lows and ties qualify, plus enough others to ensure that the field for Friday and Saturday includes at least five amateurs and 15 Canadian professionals.

Tied for fourth place with 133 each were Tommy Bolt of Houston, Tex., and Doug Ford of Kiamasha Lake, N. Y., winner of the tournament at Montreal last year. Bolt put together rounds of 65-66 and Ford 67-66.

Four were tied with 134, including Vancouver's Stan Leonard who shot a 65 following a first-round 69.

Sam Smead of Greenbrier, W. Va. stayed in the running with 135. Gene Littler of Palm Springs, Calif., considered one of the threats after his opening-round 64, ballooned to 72 for 136 in a tie with four others.

Gerry Magee, 20-year-old Toronto Lambert amateur, shot a 67 for a 138 total to hold his position as the leading play-for-fun golfer.

FAVOR SAFETY BELTS
TORONTO (CP)—The Ontario Medical Association recommended Thursday that safety belts be made compulsory equipment in automobiles. In a brief to the Ontario legislature's select committee on highway safety, the OMA also proposed mandatory examinations for drivers over 70, and a reduced speed limit at night.

Ramsay Confident Of Win

"Bud" Ramsay (above) the colorful Summerside fighter who has built up a large following in Island rinks during the past several years will climb between the ropes at the Forum on Monday night to meet Harold McGillivray of New Glasgow, N.S.

The hard-hitting Ramsay, who always gives a good fight, has improved a great deal during the past two years.

Ramsay first gained attention through his rugged duels with "Bud" Lund of Charlottetown. The two fighters fought several times with honors about even.

The Summerside fighter has made one appearance here this summer. He lost a decision to hard hitting Gaston Roy but in doing so added to his stature as a boxer when he displayed loads of courage to stay with the powerful punching French fighter for six rounds.

"Bud" has trained hard for Monday night's fight with McGillivray and feels confident he can stop the seasoned Nova Scotia pugilist within the six-round limit.

Movers Defeat Daks 6-4; Take 2-1 Lead In Series

The Trans-Canada Movers went ahead 2-1 in games in the best of five series for the Island ladies softball championship by defeating the Airforce Daks 6-4 at the airport diamond last evening.

The Daks were leading 4-0 at the end of four innings, but the Movers came back strong, scoring two runs in the fifth, and four in the seventh to cop the victory.

The game was being played under protest by the Trans-Canada Movers management because with one out and a runner on first in the second inning Hunter struck out, but ran to first when the catcher dropped the ball. In spite of the automatic out rule, she was allowed to stay on base and eventually scored a run. The Movers' victory voided the protest automatically.

Both Prebo and Peters pitched well, the Airforce girl allowing only one hit in the first six innings. The Transcan stickers got her for four more in the remaining three frames. Peters gave up one hit and lost seven and four in the last four innings. She struck out eight and walked only two. Prebo whiffed one and walked two.

Wanda Chappell, Terry Cahill, Jean Arsenault, Marie Peters and Helen McDougall each got a safe hit, Arsenault's going for two bases. Martha Schwenler, Judy Prebo and Terry Mayer got the Airforce

The Phillies were in Boston last week when they asked waivers on Konstanty. None of the National League clubs accepted the offer and the \$10,000 price tag on the waiver list. In the American League the bottom place Baltimore Orioles, the seventh place Athletics and Washington passed up the offer. So did Detroit, Boston, Chicago and Cleveland. It looked like the minors but the phone rang and a voice said "The New York Yankees have taken you for immediate duty." Konstanty was back in the thick of a race for another pennant instead of in-arm-structure young pitchers on some minor league club.

Peculiar things happen to a man playing professional baseball and not all of them are bad. Jim Konstanty today is wearing the uniform of the world champion New York Yankees and only last week he was lounging around a Boston hotel having fears he would be sent back to the minors. Konstanty at 37 had been set up for waivers by the Philadelphia Phillies, the team he had hurled to the National League pennant four years ago.

In 1950 Konstanty, a bespectacled school teacher blossomed into Major League stardom. He won the National League's most valuable player award after going to the mound 74 times—a record for any pitcher in one season. He won 16 games and lost seven and pitched so much relief ball that during the latter part of the year he was on the hill nearly every afternoon or night. When it came World Series time he was nominated to pitch the opening game.

But Konstanty had a tough year in 1951 as most relief pitchers do after having a brilliant season. He was better in 1952 and last year he won 14 games while losing ten. This year he went to the mound 33 times but the right arm wasn't as good and Konstanty had a two-three record at

Gavilan Says Hand Is Okay

SUMMIT, N.J. (AP)—Welterweight champion Kid Gavilan said Thursday his right hand is okay again and that he intends to demonstrate its power on challenger Johnny Saxton in Philadelphia next Wednesday in their title fight.

This will be the sleek Cuban's first outing since he lost a close decision to middleweight king Bobo Olson in Chicago last April. After that fight Gavilan claimed he had injured his right hand some time before and couldn't use it effectively against Bobo.

Doctors of the Illinois athletic commission examined the hand before the fight and said there was nothing wrong with it. Nevertheless Gavilan insisted there was and when he went home to Cuba he had it placed in a cast.

"It feels better now," said the 28-year-old 147-pounder in his training camp. "I use it in training. It okay. I boxed three exhibitions in Caracas, Venezuela, train 10 more days and now I here nearly three weeks."

With the Maritime Championships only a week and a half away, gunners are going through their final paces in preparing themselves for the big event. Two or three of the higher handicapped gunners are showing some brilliant shooting, with Hughie Simpson in particular really climbing to the top fast.

Ralph Jenkins, demonstrating his famous "Minimumus method," is posting some dazzling rounds and lurks as a real contender for honors at Fredericton.

The Island will be represented at Fredericton by about 10 gunners and all are determined to give a good account of themselves.

With the evenings growing shorter each week, it is expected Wednesday afternoon shooting will commence once again in the very near future.
