EXTRAORDINARY! NEW CASES!!
ATTESTING THAT HERE IS
HEALTH! FOR ALL!!

HOLLOWAY'S PILLS.

The following case of Dropsy can scarcely be called a Cure, being so **WONDERFUL** and **EXTRAORDINARY** as to be little short of a **MIRACLE**.

Mr. JOHN ROBINSON, an opulent Farmer and Grazier, residing at Wotton, in Bedfordshire, was lately reduced to the apparent extremities of **DEATH**, being at the time so bloated with water as to be increased in size to double his usual bigness, indeed his Legs had become so large round that they actually burst in three places. In this most alarming and dangerous state his Medical Man informed him "that he could not possibly live more than two days longer!" Mr. Robinson, upon hearing this, instantly dismissed his DOCTOR, and had recourse alone to the wonderful efficacy of **HOLLOWAY'S PILLS**, which not only saved his life, but likewise effectually expelled the water from the system, and restored him, in a short space of time, by a steady perseverance in the use of the Pills, to as sound and as perfect a state of health as ever he enjoyed.

N. B.—Mr. Robinson, whose life has just been saved by these Pills, is well known to most persons, not only throughout Bedfordshire, but also in the surrounding counties.

Cure of a Case of Great Debility of the System, occasioned by the baneful influence of Mercury, and the injurious effects of a long residence in Tropical Climates, by Holloway's Pills.

JAMES RICHARDS, Esq., a Gentleman in the East India Company's Service, and who had resided for the last Seventeen Years in different parts of India, where his constitution had become much impaired from the influence of that dangerous mineral, Calomel, which, together, made such inroads on his constitution as to oblige him to return home to England, and on his arrival he placed himself for some time under the care of a celebrated Medical Practitioner, but received no benefit from that Gentleman's treatment. He was then advised by a Friend, (who had tried this Medicine,) to go through a proper course of "**HOLLOWAY'S PILLS**," which he did, and in about Four Months his formerly shattered frame was so completely invigorated as to enable him to prepare himself again for his immediate return to India, whither he will embark early in the coming spring of this year, 1844. This Gentleman is now residing in the Regent's Park, where he is well-known, in consequence of his opulence and liberality.

IMMENSE DEMAND FOR HOLLOWAY'S PILLS IN THE EAST INDIES.

Extract of a Letter dated 20th of September, 1843, from MESSRS. S. FERDINANDS, AND SON, (Agents for the Sale of "Holloway's Medicines," in the Island of Ceylon,) these Gentlemen state,

We enclose you a Testimonial from J. DAVIDSON, Esq., the Superintendent of Lord Elphinstone's Sugar Estate, at Caltura, Ceylon; and we can, if necessary, send you abundant other proofs, not only from the middling classes, but also from the opulent and influential here, many of whom have derived immense benefit from the use of your invaluable medicines.

THE FAMILY LIFE MEDICINES.

THE celebrated **Life Pills** and **Phœnix Bitters**, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York, may now be said to be the most respectfully established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their effects in many varieties of acute and chronic disease, but that is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the **Life Pills** and **Phœnix Bitters**. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other remedies had been long employed in vain, viz.: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholera, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisic, or Consumption, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons; Diarrhoea, both serous and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypochondriasis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Eczema, Erysipelas or St. Anthony's fire, and generally, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidneys, spleen, throat, and pleura; jaundice, dropsy, and gonorrhoea; and every conceivable ailment of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unappreciated variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they are procured both by individuals and heads of families, and constantly kept on hand, not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS—NEW YORK, J. B. COOPER, Agent for Prince Edward Island.
