Last week the industry operated at 95 per cent of capacity—an increase of 25 points. The rate now is based on the new industry capacity figure of 108,587,670 net tons.

"SUNNY CALIFORNIA" IS A VICTIM OF STRONGER ELEMENTS

"Sunny California" has been anything but that these past few weeks, with the sun having taken a back seat in lieu of the appearance of two stronger elements called rain and snow. Rain, a not unusual visitor to the "sunny state", has caused considerable damage around the Los Angeles area, where floods have forced hundreds of families, such as Mr. and Mrs. Charles Rodrick, seen above lifting son Michael, such as truck at Artesia, to evacuate their homes. Foreign Investors See Canada Desirable Spot

By Forbes Rhude, Canadian Press Business Editor

TORONTO, Jan. 26 (CP) — Canada is a good place in which to have one's money.

That is the decision of the world's money markets and they have expressed it by saying 100 cents Canadian is worth 100 cents American, the currency which has pretty well ruled the roost in recent years.

In some transactions the Canadian dollar has brought a fraction of a cent more than the American; but generally, on today's markets it was "at par" or very slightly under.

The actual touching of parity is more of a psychological boost than anything else, for the Canadian dollar has been climbing for some months and in recent weeks has been very close to par.

Foreign exchange experts are wary about speculating on what will happen now; whether Canadian currency will continue check-by-jowl with the American; whether it may drop back a bit; or whether it may go higher.

O'Leary Sisters 3, Elmsdale Girls 2

The O'Leary Maroon Sisters hockey team defeated the Elmsdale Girls by a score of 3-2 in the Alberton rink on Friday night. This is the second appearance of the O'Leary team in the Alberton rink this year and they have improved considerably since their last game in which they were defeated by a score of 3-0.

Scoring was opened by Mrs. Marne Kennedy for O'Leary after five minutes of play. Eleven minutes later Betty Rennie tied up the game for the first period 1-1.

Betty McKinnon scored unassisted at 7:00 of the second period with Betty Rennie again coming through for Elmsdale to once again tie the score. In the third Freda Smallman of O'Leary scored the winning goal for her team at the four-minute mark.

The referee was James Kinch. Lineups: O'Leary Maroon Sisters — Goal, Isabel Dennis; defence, Bessie Dennis, Florence Gallant; forwards, Helen Kennedy, Freda Smallman, Lillie Yeo, Betty McKinnon, Margie Woodbridge, Irene Buote.

Elmsdale — Goal, Thelma Wells; defence, Blanche Adams, Betty Rennie; forwards, June Fraser, Anna Ramsay, Joan Currie, Norma Rayner, Roberta Wallace, Helen Millman, Ruby Adams.

SUMMARY — First Period: 1-O'Leary, Helen Kennedy (L. Yeo) 5:00; 2-Elmsdale, B. Rennie 16:00; Penalties — None.

Second Period: 3-O'Leary, Betty McKinnon 7:00; 4-Elmsdale, B. Rennie 14:50; Penalties — None.

Third Period: 5-O'Leary, Freda Smallman 4:00; Penalties — None.

At least, more plentiful. An improvement in recent months of our balance-of-trade situation (for a while in 1951 Canada was buying considerably more from other countries than she was selling to them.)

A falling off in some imports which were costing American dollars such as American automobiles, and the manufacture in Canada of many things which were formerly imported.

Possibly some delay in the settling of Canadian accounts in the United States. That is, firms owing money across the border may have been waiting for par before settling their bills.

A drop in prices of some major commodities, such as wool and cotton, which have been costing Canada a lot of money.

Part of the heavy imports of early 1951 may now be bringing in revenue, through producing goods for export.

O'Leary Maroons Defeat Summerside Mercurys 7-5

The young, fast O'Leary Maroons added another victory to their imposing string Saturday night when they turned back the Summerside Mercurys at O'Leary rink by a score of 7-5. The first period, which ended 1-0 in favor of O'Leary, was a brilliant affair which threatened to get out of control. Only two penalties were imposed, but many infractions apparently eluded the eyes of the two referees, Lloyd Silliker and Charles McInnis. Both teams were warned between periods that rough play would not be tolerated, and the remaining two periods were exceptionally clean and well-played.

Ex-Crystals like Joe Bernard, Garth Gay and Mooney Gallant found it hard to get going on the rough ice surface, and their speed and fast combination play showed up only on rare occasions. The Summerside defence was a little below par in effectiveness, but D. R. Morrison in the Mercurys nets played, as did R. MacNeill in the O'Leary cage.

The Maroon kid line of Geo. Bernard, J. Baglole and G. Rodgeron was easily the best line on the ice, getting 5 of the 7 goals scored by the Maroons. Their passing around the Mercurys net was particularly good, and their shooting accurate. Smallman and L. Harris stood out on defence, both clearing well, and making crowd-pleasing rushes.

The secretary stated that \$7.80 had been made on the sale of candy at school concert. Sick committee reported that six calls had been made. Seven members paid for subscriptions to Institute News and a bill of \$6.90 expenses from the annual Christmas treats for school children and shut-ins was presented and paid.

New committees were appointed as follows: School, Mrs. Henry Petersen; Sick, Mrs. Edwin Bell and Mrs. Walter Goula; program, Mrs. Borden Walton.

Program of the evening consisted of witty contests put on by Miss Charlotte MacKay and Mrs. Danie' Dart, also piano music by Mrs. Mark Cameron. Mrs. George VII-lett of South Melville then moved a vote of thanks to the Institute and hostess. Mrs. Flood seconded this, followed by Mrs. Emmett Gorman who also expressed her thanks.
