LITTLE SANDS

A man with a bull - dozer is working, opening up MacPherson's bridge, just east of the County Line. It is reported that this bridge will be open for 6 to 8 weeks, while the new bridge is being built. Cars will have to "detour" out the County Line, down Grey's road and out Blue's road to go a very short distance on opposite side of bridge. The people in the Western part of Little Sands will be greatly handicapped as well as the people East of the bridge.
The writer was pleased to hear from Miss Flora Nicholson of Murray River, a former resident of Little Sands, who states she is greatly interested in the Little Sands notes.
We were sorry to hear of the destruction of the old Market Building in Charlottetown by fire last week. It was an old landmark and a drawing card for tourists to Charlottetown.
Great care should be manifested in burning rubbish and grass.

Her many friends were saddened on January 6, 1958 when it became known that Mrs. Louis Corbett, South Granville, had passed away in the Prince Edward Island Hospital.
