Council Celebrates Women's Day

The Advisory Council on the Status of Women is celebrating International Women's Day by renewing its commitment to organizations and individuals in the province who promote the equality of women.

The Advisory Council is launching a campaign to solicit input from Island organizations and individuals with a mailout questionnaire. The questionnaire is designed to allow the Advisory Council to receive input from respondents and to let these people choose the best means of information exchange.

"We hope to encourage dis-

cussion and exchange information with equality-minded groups all across the Island", said Linda Gallant, Advisory Council Chairperson. According to Ms. Gallant International Women's Day is a time to honor all those committed to the equality of women.

Any individual or group interested in being part of this information exchange can contact the Advisory Council from anywhere on the island by phoning 368-4510 (toll-free).

World Vision 30 Hour Famine

Would you like to change the lives of needy children, provide relief for emergencies, or help a community become self-sufficient? You can by participating or sponsoring someone in the World Vision 30 Hour Famine on March 29 and 30 at UPEI.

Participants go without solid food for 30-hours, but can drink

water and fruit juices.

All donations from sponsors go to provide assistance to the needy in developing countries.

Inter Varsity Christian Fellowship encourages everyone who is interested to contact Anne Irving at 566-4085. More information will be available in The Gem next week.

Another Contest

We have two albums to give away here at the Gem. One will be given to the first and second place winner of our news story contest. To enter, simply submit your story to the Gem for publication, and in the last issue in March, we will announce the winners. Stories must be about something happening on campus, something important to UPEI students, students in general, or to education in general. The same person can submit more than one story. The length of the story is not important, quality is what were after. Submissions for the contest must contain the submitter's name and phone number. It must also state that it is for

the "news story contest" and must follow regular deadline rules as stated in the Gem.

Anyone requiring photographs to accompany their story must contact the photographer on the Friday prior to publication. A message stating what you would like the photograph to be of (What, Where, and Who) can be written on a piece of paper, and put into our mail slot if our photographer cannot be reached.

By participating in this contest, you will be informing UPEI students of what is happening, you will be improving the overall content of the Gem, and you may even win yourself a real bitchen album!
