NOW IN CARDIGAN—Miss Mary Mill, R. N., of the Red Cross Nursing Staff has just completed the inspection of Murray South and Murray River Schools and is now at Cardigan where she will conduct the medical inspection of the schools in that vicinity.

A WONDERFUL RECORD— A record probably unparallelled in any school in Canada is that of the five sons of Mrs. Butler, Prince Street. At the closing exercises at Queen Square School yesterday the principal announced that while students in Queen Square School two of these boys, Andrew and Arthur, attended regularly for ten years without missing a day or being tardy once. Rev. Frank Butler and Rev. John Butler made a record while at school of eight years continuous attendance while Dominic, now an employee of the Railway, has a record of seven years. This is certainly an achievement that the mother of these boys may well be proud of.

Tea Topics

"A little knowledge is a dangerous thing"—but the redeeming feature is that generally a little knowledge leads to study, and the little soon becomes a great deal.

And so it is with our Matchless Blend of Ceylon Tea. A little knowledge of its goodness leads to a trial, and then you've learned that real good tea can be had at a moderate price. We know that your verdict will be the same as that of the house wives who have used it steadily for thirty years.

C. C. Fraser Wins

ANCASTER, Ont., June 28.—C.C Fraser, Kanawaki Club, became amateur golf champion of Canada, when he won the final of the Royal Canadian Golf Association tournament at the links of the Hamilton Golf Club, on Saturday evening, beating N. M. Scott Royal Montreal, on the thirty-seventh hole after he (Mr. Fraser) had squared the match at the thirty-sixth. The match was replete with many dramatic moments, but was marred by an accident on the sixteenth green in the afternoon round, when a hole was given to Mr. Scott by referee R. C. H. Cassils, of Toronto, because Mr. Fraser thoughtlessly, by picking up a piece of paper, infringed a rule which penalizes a player for moving any loose impediment in a bunker.

The gallery of probably 1600 peole, not appreciating the position of the referee or Mr. Scott, made a demonstration in Mr. Fraser's favor, which had the effect of so disturbing the Royal Montreal player that he practically lost his head.

Yale Gets Easy Win Over Harvard In Annual Rac

NEW LONDON, Conn. June 28—Rowing a steady sustained stroke of 32 to the minute for the full four miles the Yale varsity crew defeated Harvard's eight, by close to three lengths in the feature race of the 55th regatta of the rival universities here late this afternoon. The story of the race is a story of a three foot lead snatched in the first few beats of the contest gradually stretched into a three length lead at the finish of the long four-mile up-stream row.

The superiority of the Yale crew is well illustrated by the official time for the race which was won in 21 minutes and 43 seconds to Harvard's 22 minutes and seconds.
