Snow Sculptures

Since we have so much snow this year the snow sculptures should be a huge success. Anyone interested in building a snow sculpture should pick up an entry form at the Barn. Sculptures can be built anywhere on campus and judging will take place on Thursday, January 28 at 4:00. Make sure your entry form is in by Wednesday at 5:00.

Terry Kelly

Did you make it to see Terry Kelly back in first semester? If you did, then we know that you'll surely return and if you didn't, don't miss it this time because you missed one of the best times of 1st semester. Following the event is a suicide skate at the rink. This is always a big success so at least come and watch if you don't have skates.

Friday

A games pub will be held from 2 - 6 in the Barn with your favourite games of Backgammon, crib, and the amazing Rubic's Cube. Please pick up an entry form at the Barn and bring your own specific game.

Carnival Ball:

Copperfield will entertain you at the Confederation Centre for this year's Carnival Ball. This marks the highlight for the King and Queen contestants as the

crowning takes place at this event; Women, lets be liberated! We're in the 80's now: If you want to go to the ball, don't wait around for those lazy guys to ask you. Ask them and suggest splitting the fare. Don't miss out on a good time by accepting the age-old excuse, "I hate getting dressed up!!" or "it costs too much". After all, the price is cheap, only \$6.00 per couple.

Saturday

For the avid sports fans there are basketball games at 1:00 and 3:00 in the gym. Those who enjoy the great outdoors and our lovely snow can go on our sleigh rides and toboggans at Bonshaw. Transportation will be provided as will be a light snack of hot dogs and hot chocolate at the Barn when we return.

Remember "Banner

Night" from last year? Well, the participation was so great we decided to include it in Winter Wipe-Out '82. UPEI Panthers are playing Dal at 7:00 at the Forum, so get your banners made out and display them well at the Forum. Following the game Carnival '82 presents the return of "Spoons" at the Barn.

Wednesday

activities.

Blushing Brides

Have you ever seen Mick Jagger and the Rolling Stones?. Now's your chance to see their perfect clones. Appearing at the Barn on Wednesday, January 27, is the Blushing Brides, the next best thing to the Rolling Stones. Son't miss out on this great extravaganza. Get your tickets early. It will prove to be one of the major highlights of Winter Carnival '82.
