A good chance for Speculators! FARM FOR SALE!

THE Subscriber offers for Sale, the under-mentioned Property, in one lot, or in any part, at a great bargain, and on the most liberal terms,—

1. That well-known MILL SITE and FARM, in FREETOWN, Lot 25, formerly known as KEEFE'S Bridge, on the Wilnot River Stream, with a secured right to overflow. This valuable property is situated only 6 miles from Summerside, on the main road, and consists of 50 acres of FRESHWATER LAND, of an excellent quality; about one-half is clear, and the remainder can be made ready for ploughing at a trifling cost. An excellent crop of wheat was taken from this season, and twelve acres of it are laid down with grass. There is a large quantity of building stone and limestone (to what extent is not known) on the premises.

2. About 50 acres of LEASEHOLD LAND, on Lot 19, held for 999 years at 1s. cy. per acre. It is about two miles from the above Site, is covered with a heavy growth of spruce fir, juniper and hard wood. No better lumber can be found on the Island than there is on this farm.

3. About 150 acres of LAND on Mill's Point formerly known as Knowland's Point. 75 acres are held in Freehold, and the remainder under lease for 999 years at 1s. cy. per acre—one-third added. About 150 acres of it are on Lot 18, remainder on Lot 19, all under one fence; there is about 120 acres clear from stumps; besides two large marshes. This property fronts on Richmond Bay, Indian River, and Barbara Weir. It requires no praise, as it is well known to be one of the best wheat and root growing and stock raising farms in Prince Edward Island. There is a well stocked orchard of apples and other fruit trees on the farm. The buildings require a little improvement. 50 acres of the land could be sown to wheat the coming Spring; there was a large quantity of grass sown last spring, and there is a large quantity of mussel shell and sea weed on the front of the farm. It is a splendid place for fishing and fowling. A good title of the above property can be given. The terms will be very easy, and made known on application. The above property if not sold in a short time by private sale will be offered at Auction, of which due notice will be given.

The sole object of the subscriber in selling out is that he intends to return to England to his old friends.

The quality of limestone on the Mills Point Farm is described in Sutherland's Geography and the Bay and River can be seen on Baker's Map. It is a good place for loading.
