

February is not too early to apply for summer employment! In fact, the deadline dates for many federal government summer positions have long since passed. The federal government competitions which are still open are as follows:-

- 1) Park Warden
(Parks Canada),
- 2) Surfguard
(Parks Canada),
- 3) Assistant Steward
(CN Marine),
- 4) Seaman (Coast Guard),
- 5) Historic Park Guide
(Environment Canada)
- 6) Casual Farm Labourer
(Agriculture Canada)
- 7) Career Oriented Summer
Employment Program
(various dept.'s)

If you are interested in any of the above competitions, visit the CEC on Campus now, as the deadlines for applications are fast approaching.

Provincial government does not make use of the services of the CEC on Campus. Instead, each provincial government department handles its own staffing. It is our understanding though, that many of their summer positions are being filled at this

time. If you are interested in summer employment with any provincial department, it is advisable to contact the appropriate department, or the Civil Service Commission (Shaw Building-ground floor), as soon as possible.

The Canada Employment Centre for Students, of course, has listings for many private sector summer opportunities. To be eligible for these positions, you must be registered with us. Registration involves dropping into the CEC on Campus, and filling out one of our short registration cards. You also have the option of filling out a duplicate card, which enables us to list you under two preferred areas of employment. This doubles your chances of obtaining employment referrals.

For more information on summer employment contact me, Walter Clark, at the CEC on Campus.

By the way, Suzanne tells me that she will be having a resume writing session - Friday, February 19th, at 1:30 P.M. Please sign-up in advance.
