

Prince County Wins Provincial Swimming Meet Held Yesterday

The provincial swimming meet held at Government Wharf, Summerside, yesterday afternoon under the sponsorship of the Summerside Y's Men was attended by a large crowd and proved a success, despite the inclemency of the weather. Because of the threat of rain quite a number of King's County contestants and a few Queen's County swimmers did not show up but there were enough entrants to provide keen competition, Prince County emerging the winners with 65 points to 28 for Queen's. When rumors start flying over something, they never seem to fail in bringing out the information that is behind such "grape-vine" talk or have the uncanny knack of coinciding with legitimate facts brewing back stage in official quarters. Commenting in this column as recently as yesterday on a current rumor here that Bill Dinning, last year's playing coach with Sydney Millionaires, was headed for a coaching job with Moncton, officials there announced their true intentions before such comment was even in print.

The announcement by Lebaron Reid, president of the Moncton Hawks' Club, really knocked the Dinning rumor on the head in no uncertain terms. The Hub City Club prexy announced Tuesday night that Tommy Anderson is the new boss being sought by the Hawks' organization. And judging from the report, Anderson will be their man on the bench this winter. Termed the "biggest contract offer" offered a coach in the Maritime, the announcement by Reid also stated "Anderson had agreed to terms by telephone several days ago."

Anderson, better known as "Cowboy" hails from Drumheller Alberta, and was coach of the Pittsburgh Hornets of the American Hockey League last season and the previous year took over the coaching duties of the Oshawa Juniors from Charlie Conacher when the former National Hockey League great moved on to Chicago Black Hawks. It looks like the cellar dwelling Hawks of last year's Maritime "Big Four" loop really mean business this season, in fact Reid said exactly that in his recent announcement. "The Maritime Major League championship would be the goal of this year's edition of the Hawks," Reid was quoted as saying.

Well, there is no doubt such news will be welcome to hockey followers in the Maritimes. Such confidence in the participating clubs is bound to make for an interesting hockey circuit this year, particularly when it comes from the club that trailed in the rear of the schedule all last season. It was strictly tough going for the Moncton Club all season, but they never stopped trying despite the fact that they knew themselves that they just didn't have enough top material to pull them through. A club that can keep fighting back in a losing cause demands a lot of respect in any circuit.

The annual Prince Edward Island Track and Field championships for junior boys, girls and men's open will be held at Memorial Field here on Labor Day it was announced yesterday by the Department of Physical Fitness. Although the event will be staged principally for Island athletes, visitors from outside the Province will be welcome and may enter as many events as they wish.

The sponsoring Department also announced that a special event will also be held in connection with the meet, namely the six-mile run. The running race will be held

Airport Golfer Leads In Provincial Tourney

L.A.C. Allistair Kerr, a dark-horse entry from the Summerside R. C. A. F. station, came up with a sparkling one over par gross 73 to lead a field of 42 golfers in the opening 18-holes of play in the Provincial Amateur Golf championships held at the Summerside Golf Club yesterday afternoon.

Carrying a 10-stroke handicap Kerr also led the first division in the low net bracket with a 63. The classy airforce shotmaker is only 21 years old and hails from Ottawa, Ont. It is understood he has been a top junior golfer in Ontario circuits and has played over various courses while stationed in Ontario and Eastern Canada.

William "Pud" Beer of the Charlottetown Club was leading runner-up of the first division with a gross 76, while defending champion Art MacKenzie of the City Club tied for third place with Allan MacMillan of the same club and Norman MacLeod of Summerside with gross 79's.

Derwin Huestis, Bill Campbell and Bill Fraser, all of the Summerside Club, tied for the lead in the second division gross with 85, while Tom Rogers of Charlottetown and Earl Smith of the West-ern Club, tied for low net in the division with a 71 each.

Ross Armstrong and Keith Dibble Summerside tied for low gross in the third division with scores of 72, while Bob Schurman of Summerside leads the low net in the division with 68.

Sport Echoes From Prince County

Gordie MacKay won the Dr. Grant Trophy, emblematic of the latting championship of the Summerside A.A.A. League in the closest race yet seen for the coveted cup. Gordie had only five per cent points over Bob Barlow of the Airforce. The averages of those qualifying for the competition follow:

G. MacKay, Holmans	57	23	405
B. Barlow, RCAF	45	18	400
P. Bernard, Holmans	43	15	349
F. St. John, RCAF	38	12	316

Latest report is that the R.C. A.F. team will not merge with the Holman Intermediates or C & B Juniors, for the Island championships, but will enter an Intermediate team in the Island playdowns themselves.

Lippy Gaudet's Curran & Briggs Gals certainly look like the pick of the Summerside Ladies Softball League as we pound this out. The RCAF girls will probably give them the most trouble in the play-offs. The Sum-Hi team seem to be in-and-outers. Good one night, phooey the next.

Finances Needed In general discussions carried on at the meeting the difficulty of obtaining money for capital expenditures was pointed out. One of the speakers stated it was apparent that Prince Edward would rather take a chance on oil wells than invest in fishing here with its small return.

Another point emphasized was that traditionally the fishing industry of this Province was a salt fish one. The industry here it was stated, cannot compete with the large packers who can utilize all the by-products and thus have a negligible waste factor. This condition must be overcome here if the industry is to thrive, but "handouts" are not wanted. Financing must be on a sound basis to provide future security and the Government might offer specific help in this respect to establish plants for the benefit of the fishermen. Places where such plants might be started were mentioned and they included Rustico, Murray Harbour, Souris and Tignish.

MELBOURNE, Aug. 22 (Reuters)—Australia's biggest chain store company and toy wholesalers have decided to refuse to handle Japanese goods. A spokesman said "Anti-Japanese sentiment doesn't come into it. It's a question of shoddy quality and prices at which we cannot compete."

Indians Pull Two Games Ahead Of Yankees In A. L. Pennant Race

Cleveland Indians pulled two games ahead of the New York Yankees in the American League pennant fight Wednesday, beating the Washington Senators, 6-5, in 14-innings while the Bombers dropped a 7-6 12-inning decision to Detroit Tigers.

Bob Avila homered with two out off Sandy Consuegra to give the Indians the nod over the Senators while Johnny Groth singled home George Kell from third base with the Tigers' winning run against the Yanks.

The Senators belted rookie Bob Chekales for a 5-2 lead going into the seventh when Dale Mitchell cracked a three-run homer off Julip Moreno to tie the score. Consuegra took over in the eighth and held the Indians to one hit until Avila connected to win the game. Steve Gromek, third Indian pitcher, checked the Senators on three hits over the last seven innings. The loss was Washington's 11th straight.

The Yanks piled up a 6-3 lead going into the last of the eighth when Pat Mullin belted a three-run homer off young Tom Morgan to tie the score. Allie Reynolds took over after Mullin's blast and checked the Tigers until the 12th when a walk, single by Mullin, sacrifice and Groth's long drive to centre broke up the game.

Virgil Trucks, fourth Tiger pitcher, blanked the Yanks on two hits and fanned five over the last four innings. Trucks fanned the side in the tenth.

Meanwhile, the New York Giants posted their 11th straight victory in the National League as they defeated the Cincinnati Reds, 4-3. Whitey Lockman doubled home Al Dark with two out in the eighth inning to break a 3-3 tie and win the game.

The pace-setting Brooklyn Dodgers edged the St. Louis Cardinals, 4-3, in ten innings in the opener of a day-night double-header. Gil Hodges singled home Carl Furillo from second base with two out to win the game.

Preacher Roe started for the Dodgers but Clyde King pitched the last three innings to pick up his 13th victory. Stan Musial drove home all St. Louis' runs on his 29th home and a double.
