

ONE YEAR OLD

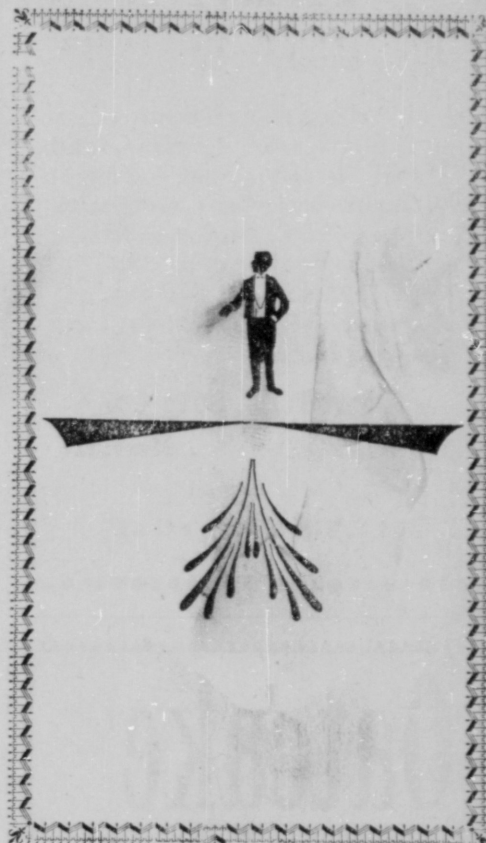

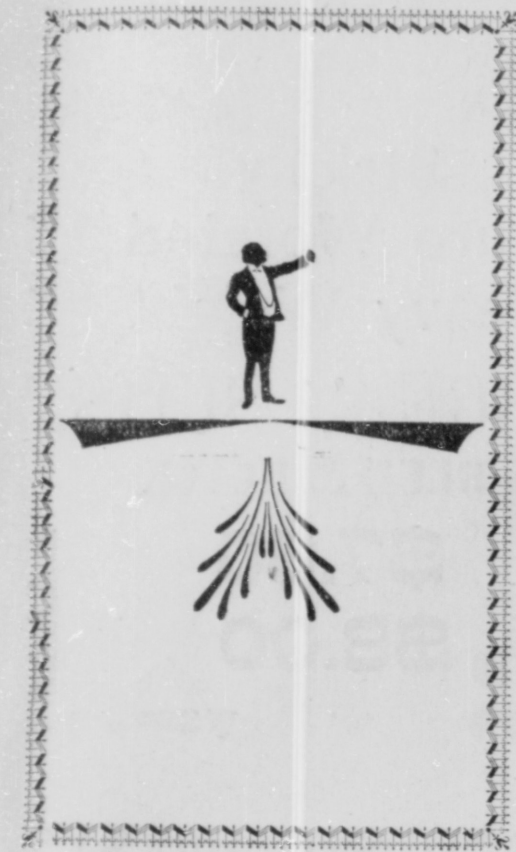

And we are a pretty good size for our age.
We have just started on our second years' business.

We have done well for our customers the first year.

Our customers have done well for us.

We are going to do better this year.

We want to start with a bang.

Read the following, you will find it pretty interesting reading. It will tell you just where to come, to get just the very goods you want.

Ready to wear Clothing.

We must start with the small boys

Little Middy Suits.

In brown plain tweed, with plain trimmings to fit boys age 4 to 8 or 9.

350 two piece suits in tweeds, worsteds, and serges, an endless assortment to fit boys—age 4 to 12.

For boys the above ages brown nap reefers, sailor collars, pearl buttons.

Also a nice assortment of heavy frieze ulsters, curl cloth reefers, etc.

Ages 10 to 16 prices \$2.25 to \$7.00

Frieze Reefers, Beaver Reefers, Frieze Ulsters, Frieze Overcoats, for the above boys.

Youths Suits.

By the youth we mean the fellow just coming a man, but still a little ways off, he wears long pants but not a long mustache.

We carry a beautiful assortment of suits, reefers, overcoats, and ulsters, for the youth.

And for The Men

Heavy tweed trousers, \$1.00

Heavy tweed trousers [1 1/2 lbs wool to the yard] \$1.50

And the range rises in quality as it rises in price.

As for suits we only say come, and come expecting great things, you will not be disappointed.

Then our reefers, overcoats, and ulsters, we merely repeat what we say about our suits.

See the goods, hear our prices, and we won't have to say another word to convince you.
