

EATON'S joins with all of Canada in celebrating
the opening of the dramatic new
FATHERS OF CONFEDERATION MEMORIAL BUILDING
in Charlottetown, P.E.I.

DEDICATED to public use, this cultural centre is a fitting tribute to those architects of a nation, the Fathers of Confederation, who first met on this site 100 years ago to plan a new dominion to stretch from sea to sea. With all of Canada, we share the pride of heritage symbolized by this prelude to Canada's Centennial celebrations... a building that reaffirms our faith in the future greatness of our nation.
