Farm for Sale.

NINE Miles from Charlottetown, with a long lease, and situated in the old and pleasant settlement of Covehead Road. The usual custom in advertisements of this kind, is to designate all lands under tillage, as being in a high state of cultivation: in the present instance, the growing crops, consisting of about 15 acres of wheat, oats and barley, 3 of potatoes and 9 of hay, very little inferior to the crops around Charlottetown. 6 acres of fallows preparing for wheat next year, 8 acres of grass depastured two years. 10 acres have been reclaimed from a wilderness state within the last four years, and 40 acres more can be, at the trifling expense of about eight shillings per acre. The house and buildings are not new, but they are warm and convenient. There is also a large and productive garden, secured by a dyke, and a paddock of 2 acres of permanent pasture, similarly fenced, with a never failing stream of water running throughout. About 500 longers will complete the enclosure of the whole farm. A diary can be produced, showing the management of every acre of the cultivated land for the last four years; therefore, even a stranger to the soil of the Island, will be enabled to judge of what should and what should not be done hereafter. This property embraces many rare advantages, with only one material disadvantage, e. i., the rent is two shillings per acre; yet it is now cheaper than many farms, even were they free from rent altogether.

Further particulars can be known by applying to THOMAS PREEDY, Keeper of the Colonial Building, Charlottetown.
