

Dark Star Pulls Racing Upset To Win Kentucky Derby

By John Chandler
 LOUISVILLE, (AP)—Dark Star, a three-year-old, pulled one of racing's greatest upsets Saturday by winning the 70th Kentucky Derby in a slam-bang finish that ended the unbeaten record of Native Dancer.

Jockey Henry Moreno put Dark Star in front soon after the start of the mile-and-one-quarter racing classic for three-year-olds. He held it to the end as Native Dancer closed with a steady drive in the stretch, only to be beaten by the margin of the winner's sleek brown head.

Tremendous Victory
 It was a tremendous victory for Dark Star and his owner, Harry F. Guggenheim of New York, and a stunning reversal for the big grey Alfred Vanderbilt was depending upon for his first Derby victory.

Dark Star, a brown son of the Australian sire, Royal Gem II was one of the long shots in the field of 11 three-year-olds. A roar went up when they posted the price of \$51.80 for \$2 in the upset victory. He paid \$13.60 to place and \$7 to show.

Native Dancer was five lengths ahead of the third horse, the Saxon stable's Invigorator, but that was no solace to Dancer backers. Native Dancer had won all nine of his races last year as a juvenile, and took both his starts this season, the Gotham Stakes and the Wood Memorial, the latter a week ago at Jamaica.

But Saturday afternoon at ancient Churchill Downs, Vanderbilt's dreams of years went down the drain in the span of just a little over two minutes.

Won Derby Trial
 Dark Star won the Derby trial here last Tuesday by four lengths in one minute, 36 seconds flat.

Dark Star had finished third to Native Dancer when the latter colt won the Kentucky Derby on Memorial Field at 5:30. This is the earliest date that the Abies have started practices for a number of years and it indicates that they are going all out in their efforts to build a contender for the Island baseball championship.

Correspondent, California conditioner owned by Mrs. Gordon Guggenheim and second choice at 3 to 5 was his stablemate, Social Outcast, returned \$3.20 and \$2.80. Invigorator paid \$9.40 to show.

close to the track record. Native Dancer wasn't in that race, but his reputation had shored most of the other horses out of consideration for the main run.

WOMBER WINS NON-TITLE BOUT WITH KID GAVILAN
 SYRACUSE, N. Y. (CP)—Dunny (Babe) Womber, a former sparring partner of Sugar Robinson, sprang the boxing upset of the year Saturday night when he won a unanimous 10-round decision from welterweight champion Kid Gavilan.

Womber weathered Gavilan's brief explosive spurt and reply with a swarming attack that prevented the champ from throwing his famed bolo punch.

Both fighters were over the 147-pound welterweight limit. Womber weighed 152 1/2 and Gavilan 151.

"I'd like to fight him" for the title," said Womber after the fight. But Angel Lopez, Gavilan's manager, said "we have no idea of fighting him again. Gavilan won the fight. He won six rounds easily."

Gavilan thought he won too. "Womber is good," he said. "He gives a good show. But I didn't think the decision was fair enough. When I consider myself defeated, I'll give a man a chance at the title. When I don't consider a man defeated, he has no right to it."

Title Match In July
 Lopez said Gavilan has a title match coming up July 1 in Los Angeles. It is understood he will meet Art Aragon of Los Angeles. Gavilan hadn't lost a fight since Womber, a 26-year-old Negro who has done most of his campaigning abroad, hadn't won a fight in his last five. He is ranked as the No. 6 welterweight contender.

Referee Ruby Goldstein voted 6-3-1 for Womber and Judge Dick Albino said it the same way. Judge Jack Kimball had Womber in front, 5-3-2.

Lopez was burned up at Goldstein. "He voted against us in seven fights," the manager said, adding he would insist in the future that Goldstein not be permitted to officiate in any of Gavilan's fights.

When Yvon Durelle punched out a 12-round TKO victory over George (Rocky) Ross in Gloucester Bay Saturday night one of the observers at ring-side was Charlottetown's Harry (Kid) Poulton, who will fight Durelle for the Canadian Middleweight crown.

Harry, along with a group of boxing fans made the trip to Gloucester Bay by car. They reported that Ross had the better of the fight in the early rounds and was probably leading on points until the tenth. However, the younger and stronger Durelle closed fast and gave his opponent quite a beating in the last two rounds.

The Sydney Millionaires apparently are going all out in their drive to get back into the driver's seat of Maritime hockey. First they attempted to land Elmer Lach as their playing coach for next season and now they are after Woody Dumart of the Boston Bruins. Last year the Islanders Dr. F. C. Dougan came close to landing Dumart as a Charlottetown coach. The Bruins executive were agreeable to the proposition that Dumart come to Charlottetown but the veteran player decided that he had another year's N.H.L. play left in his tank. It is known that Dumart would like to stay in the Bruins chain but if necessary he would come this way. He would be a nice fellow to have on your side.

Ben Hogan Wins Pan American Open
 MEXICO CITY, (AP)—Bantam Ben Hogan Sunday won the \$15,000 Pan American open with the two-under-par 286. It meant \$2,600 in prize money for the Palm Springs, Calif., golf star.

Dave Douglas of Newark, Del., and Fred Haas of New Orleans tied for second with 289s and split \$3,300, or \$1,650 each.

Marty Furgol of Lemont, Ill., was fourth with 290 for \$1,150 in prize money.

In Ontario Final
 Gillson stepped into the all-Ontario final for Sudbury when the Wolves were trailing 2-0 and held them together at the forced end of a full seven games.

Dutchmen executives believe that the Vs should have been permitted a replacement only from a team in their own league. They consider it ridiculous to have the Dutchmen trying to win the Allan Cup for Eastern Canada against one of the best goals in the East.

The Dutchmen thought they would have beaten the Vs by five or six goals if they had had any one but Gillson in the nets.

 Saturday morning in the final game of the double round robin series the P. S. S. city and Island interscholastic basketball titles. West Kent defeated Queen Square by a score of 75-54 to tie the series up with Prince Street School and force it into a sudden-death playoff Saturday afternoon. Both P. S. S. and West Kent went all out to win and the large number of roots present in S. D. Durelle Wins From Ross In 12-Round TKO
 GLOUCESTER BAY, N. S. (CP)—Yvon Durelle of Baie Ste. Anne, N. B., battered George Ross of West Bay, N. S., to a 12th round technical knockout Saturday night to win the Canadian middleweight boxing championship.

Referee John Joe McLean stopped the scheduled 12-round match at one minute and 10 seconds of the final round to award the decision to Durelle, now stationed with the Canadian Army at Picton, Ont.

Durelle piled up points early and had Ross, a former middleweight champion, bleeding from both eyes after several rounds.

Blackpool Wins Football Association Cup
 LONDON, (CP)—Blackpool and Stan Matthews won the Football Association Cup Saturday with an uphill 4-3 victory over Bolton Wanderers at Wembley Stadium. It was the first time Blackpool had been able to win British soccer's top prize.

Trailing 3-2 until just five minutes from the end of the game, Blackpool stormed back to tie the score and then go on to win with only one second remaining as nearly 100,000 fans shrieked with excitement.

The record books will show that centre-forward Stan Mortensen scored three of Blackpool's goals and that outside-left Bill Perry got the winning one. But to Blackpool supporters, it will go down as Matthews' game.

The old master, making his last attempt to gain a cup-winner's medal, was the game's only honor that had previously escaped him—as the inspiration of the Blackpool attack.

Big Boxing Tournery To Open At Montreal
 MONTREAL, (CP)—More than 50 boxers start tossing leather Monday night to decide the Canadian amateur boxing champions in nine weight classes. The big tournament opens at Palestra National and then moves to Monte St. Louis College gymnasium for Tuesday and Wednesday nights.

Numerically, Quebec will present the strongest provincial line-up with 24 entries, but six other provinces will be represented.

The heavyweights division has brought only two outside entries—Jim Saunders of Winnipeg, present titleholder and member of Canada's 1952 Olympic team, and Leo Domison of Regina.

Another former Olympic fighter is Montreal's Freddie Daigle, entered in the 139-pound class. Daigle, member of the 1948 Olympic team and a Korean war veteran, came out of retirement and won the recent Golden Gloves final.

Halifax has two representatives in Art Deegan, 132, and Tommy Ketcheson, 156.

Penticton V's Edge Dutchmen 2-1 For First Win In Series
 KITCHENER, Ont., (CP)—Goalie Bobby Gillson of Owen Sound Mercury continued his one-man-fueled with Kitchener-Waterloo Dutchmen Saturday night as he helped Penticton V's edge the series in the Allan Cup best-of-seven game. Kitchener leads the series 2-1, with the fourth game here Monday.

Gillson made 44 stops, most of them from close range, as the Dutchmen dominated play throughout the game.

The Dutchmen's lone goal fell to left-winger Paul Oliver who flipped in Clare Martin's relay of a pass by Bobby Schnurr at 14:52 of the second period.

The tally offset goal by Bill Warwick of Penticton at 1:23 on a pass from Jack McIntyre.

McIntyre scored the winner at 16:30 of the final period on an error by the Dutchmen. Oliver, trying to carry out, overskated the puck behind his defense. McIntyre pounced on the puck and whistled it into the right corner.

Keith Woodall who handled 25 Penticton drives, played fine hockey although nothing like that turned in by Gillson.

It was the best game of the series, played at terrific speed before the second largest crowd on record here, 8,076, just 89 short of the record.

Gillson gave the Dutchmen trouble in the Ontario Hockey Association final and then stepped in to play five games against them for Sudbury Wolves in the all-Ontario set.

The Canadian Amateur Hockey Association gave Penticton a replacement for regular goalie Ivan McClelland, who suffered an injury to his right hand in the second game.

Successful Interscholastic Hoop Tournery Saturday
 Arranged by the Physical Fitness Division and through the generosity of the Rector and Faculty of Saint Dunstan's University, the second annual interscholastic basketball tournament was run off Saturday at S. D. U. Gym. Get under way at 9:30 a.m. games were run off on schedule until the closing whistle in the evening at 8:30 p.m. The whole show was a big success, due to the splendid facilities offered by S. D. U.'s modern gym, the enthusiasm of the young athletes and the work of referees Jack Ready, Frank Slowey, Gus Dorais and timer Archie MacFadyen.

There was a lot of good basketball on the part of those who took in the tourney. Teams competing in the boys' division were Queen Square, Prince Street and West Kent. In the girls' bracket, Summerside High, P. S. S. and W. K. S. were the contestants. P. S. S. were the batters in the juvenile class. Deserving of special mention are Q. S. S. boys and S'ide High girls. The Q. S. S. boys, although the best they could do was secure a draw, did this against the tourney winners, P. S. S., and deserve a special word of commendation for their showing. They showed improvement in every game, have a well-balanced squad with plenty of drive and audacity to take a lot of watching. The S'ide High girls, although they have had very little basketball this year and no practice lately, showed real sportsmanship by taking part in the tourney and added to the interest of the fans. We feel these young ladies put up a creditable display and that more will be heard from them in future.

Following is a summary of the six interscholastic games which shows that after the day's play P. S. S. boys and the boys' division took 3 points, and West Kent girls took the girls' division with 4 points:
