THE M. A. STARR left for eastern ports last night.

AGAINST LICENSES.—The Halifax W. C. T. U. are making a house to house call against signing petitions for liquor licenses.

WANTED.—At this office DAILY EXAMINERS of June 3d, 5th, 8th and 14th; also July 2d, 6th, 8th, 27th and 31st.

HILLSBOROUGH BOATING CLUB.—A meeting of the Hillsborough Boating Club will be held this evening at eight o'clock in Offer's building.

I. O. O. F.—Wildey Lodge meets to-night at 8 o'clock. Initiatory Degree. Degree staff will please be on time. Visiting brethren welcome.

To overcome the marks of age, all who have gray beards should use Buckingham's Dye for the Whiskers, the best and cleanest dye for coloring brown or black.

POLICE COURT.—Two drunks—George Weldon and Edward Revens—were fined $2 or 8 days each. The 82nd Battalion bandsmen's case was further adjourned until to-morrow.

STILL THEY COME.—Another "elixir" has been discovered. An American editor says that a half-pint of bumble bees down the back will make a man act much younger than he looks.

THE COLLECTOR DISAPPEARS.—A sensation has been produced in Bridgewater, N. S., by the disappearance of the Collector of Customs there, leaving a deficiency of $1,500.

MORE ISLAND HORSES.—The Moncton *Transcript* says:—Mr. William Humphrey brought over from P. E Island yesterday a pair of heavy draft horses and a fine driving and brood mare, for his farm at Sunny Brae.

SALVATION ARMY.—Commissioner Coombs at the Market Hall this evening will speak in defence of the Salvation Army. The Commissioner has been appointed to take charge of the work in Australia, and is on his farewell tour.

PROMENADE CONCERT.—The promenade concert in Queen Square Gardens last evening was very enjoyable. The music furnished by the Citizens' Band was splendid. By the way, why cannot we have these concerts at least two nights a week?

THE WORK PROGRESSING.—Work on the Cape Tormentine pier is progressing favorably, and the stone work now extends 1,000 feet from the beach. About 250 feet of stone work remain to be added before the crib work is commenced.

RIGHT AGAIN.—The Secretary, Mr. McNeill, points out that the exhibition to be held in Queen's County is a "Provincial Exhibition." So it is,—and the people of Prince and King's will be on hand to get their full share of the prizes.

AYER'S HAIR VIGOR restores color and vitality to weak and gray hair. Through its healing and cleansing qualities, it prevents the accumulation of dandruff and cures all scalp diseases. The best hair dressing ever made, and by far the most economical.

AYER'S SARSAPARILLA, by purifying and enriching the blood, improves the appetite, aids the assimilative process, strengthens the nerves, and invigorates the system. It is, therefore, the best and most thoroughly reliable alterative that can be found for old or young.

POST OFFICE BURGLARIZED.—The Post Office at Campbellton, N. B., was broken into on Thursday night last and six registered letters stolen. The mail bags were found in the yard open. It is understood that the letters taken did not contain much money.

SAD DROWNING ACCIDENT.—On Saturday last Patrick Martin, a blacksmith's apprentice at Orwell, went to bathe in the river at that place. The tide being low he walked into the channel, and was drowned. His body was recovered the following evening. An inquest was held and a verdict of accidental death by drowning returned.

BAD BALLAST.—A man named Donald McLennan, belonging to Spring Hill, was run over and killed by the C. P. R. train near Sherbrooke, Que., on Friday morning last. A bottle of whiskey was found in his coat pocket and another at his side. Just how much whiskey was inside the man does not appear.

AN ITALIAN MURDERED.—The naked body of an Italian navvy, with a knife in his throat, was found in the river at Baie Verte on Saturday. It is supposed that he was murdered by five other Italians the previous night. There has been much quarreling among the Italians on the ship railway, and many stabbing affrays have been reported.

ENGINEER'S INSPECTION.—The two-gun battery, with blindages and splinter-proof covers, was completed by the Engineers yesterday shortly before six o'clock. The work is full size, the parapet being 15 feet thick and 8 feet above the surface. At the finish the Inspector expressed himself as being much pleased with the work of the company. He said he considered the battery the best piece of work yet done by them.

BADLY BURNED.—At Cape Tormentine on Thursday last a girl, Domitille Bourque, of Cape Bald, accidently upset a lamp which had been left on the kitchen floor, setting fire to her clothes. She ran screaming out of doors, and a young man named Costin, of Baie Verte, succeeded, after considerable difficulty, in throwing a quilt about the girl and putting out the fire. The girl is injured, it is believed, fatally, and the young man is severely burnt.

MORE HORSE SHIPMENTS.—The *Pioneer* says: Five horses—among them old Victor Hugo, which is going back to Chatham, N. B.—were sent across last Friday morning. Two of them were a matched team which were taken away by Capt. Arnaud, of Bermuda, for his own use. Another of them was Mr. G. M. Reid's fine mare which was bought by a gentleman who was in company with Arnaud. On Saturday five more were taken over by Mr. J. Murphy, of Boston.

MILK AND IMAGINATION MAKE A GOOD ELIXIR.—Experiments have been made at San Francisco by a prominent physician on a number of persons with a milk and water mixture which was represented to them as the elixir, and there are some surprising results. All said they felt greatly benefitted, but the alleged effect wore off in less than half an hour. When it was told other patients what the solution was composed of they declared that they experienced no benefits.

Personal.

Paul Lea, Esq., of Moncton, is visiting the city.

Rev. Mr. Meikle is presiding over the Railway Mens' Christian Convention now in session at Richmond, Halifax.

W. D. Tanton, who recently severed his connection with the New Glasgow *Enterprise*, will start a new paper about Sept. 1st. The paper will be the official organ of the Orange Lodges of the Maritime Provinces.

Rev. Charles Medley, of Sussex, died a few days ago, in the 53rd year of his age. He had been in failing health for a long time. The rev. gentleman was a canon of the Cathedral, Fredericton, and rector of Trinity Church, Sussex. He was very popular with all who knew him.

If you want to get quick and intelligent service in a restaurant, says an old patron, do not whistle at the waiter. He doesn't like it, and if you repeat it he will try to get even with you in some way, giving you a tough beefsteak or a muddy cup of coffee. If you are in a hurry rap on your glass or hammer the table. That's restaurant etiquette that I've learned by a good deal of experience.

Principal Grant, of Queen's University, takes his place among those moderate clergymen who are able to see two sides to the Jesuit agitation, and who think thas the thirteen members who voted for diallowance are not necessarily all saints, nor the one hundred and eighty-eight who voted against them all traitors.

It is, at all events, creditable to Col. Ingersoll that he has positively refused to assist in the prosecution of Judge Field. When the offer was made to him, the Colonel is reported by a New York paper to have said:—

"I will not go. There is not money enough in California to take me out on such an errand. Why, we might as well banish our Courts of law if our Judges are to be terrorized and assaulted for rendering honest decisions."

In the course of an interview with a New York *World* reporter, Ingersoll said;—

"Justice Field has committed no offence, unless it be one to be insulted. Money could not pay me to prosecute Justice Field in this case. I believe in a perfectly free judiciary. If a Judge renders a corrupt decision, the law provides for his impeachment. If suitors who are defeated resort to brute force and the people sustain such a course, then courts must be abolished. The individual must submit to the law as administered and expounded by the courts, and must seek his remedy within the law."
