Like To Act?

Is Acting For You?

For all interested in acting; a theater improvisation group meets every Wednesday at 4 pm in room 109 at Robertson Library. Activities include theater sports, concentration games and other acting exercises. For practical acting experience, the group will read plays for it's own enjoyment. Professor Ron Irving, David Moses (currently attending the National Theater School) and other experienced guests will give workshops. The regular instructor/participant is local director, Terry Dawes. Opportunities to improve acting skills in a group setting are rare on Prince Edward Island. Although the group costs nothing to attend, you can't afford to miss it.

UPEI Debating Society

Would you like to be able to speak in public confidently and convincingly? Would it be a career asset for you to learn how to debate and think logically and clearly? If yes, then why not check out the Debating Society? We need new members and welcome everyone who's interested. We meet every Wednesday at 3:00 pm in Main 311.

Our team of Brian Pirkey and Bob Smith have just returned from Montreal and the McGill Debating tournament. The competition was very strong and we ended up with a 1-5 record. Although not as high as we hoped, we did learn a lot. We placed higher in the standings than teams from McMaster, Coast Guard College, Victoria (V of T), Bates (U.S.), Bronx (U.S.), York,

Windsor, UNB, and UNBSJ. There were teams at the tournament from as far away as Glasgow, Scotland.

Notice To Students

For the Academic year 1990 - 91 Student Union fees will increase from \$88 to \$92. The present level of \$88 has been maintained for four years and only a modest increase of 10% has been realized in the past seven years. It is now time to make a small jump so as to keep up with climbing expenses and the proposed goods and services tax.
