

CAMPAGNING ON THE CAMPUS

John Conran, prior to his election as secretary-treasurer of St. Dunstan's University Students Union, inspects a guard of honor which turned out in the course of his campaign. The campaign was a colorful one, featuring, parades, speeches, use of public address system and participation in a rally Sunday night when all the candidates held last night Conran beat out Jerry Burns by a slim Majority and Mike Smith won the vice-presidency over Mike Quigley and Charlie Campbell. George Mullally was elected president by acclamation. Photo by Tom Ford.

New Fireproof Building For Ch'town Business Area

The busy business section of downtown Charlottetown is to have another modern fireproof building ready for occupancy within the next six months, according to plans now nearing completion by the Island Furriers Ltd.

The large vacant lot on Grafton St., just off Queen and adjoining the Canadian Bank of Commerce has been acquired by the Island Furriers, who after twenty-one years in business in the City, have decided that more extensive space and their own fur storage vault is warranted.

The new building will be fireproof throughout with a frontage of 30 feet and a depth of 45 ft. Two stories above ground and a storage vault with a capacity for 3000 coats are in the overall design of the structure. The street level floor will contain the showrooms and fitting-rooms of the Island Furriers and the top-level floor will be fitted up and made available for offices. Glass bricks will be used on the interior throughout to improve lighting.

A feature of the new building will be the display window space of 22 feet, with the main entrance to the ground floor located at the East end of the front and the entrance to the upper-floor offices located at the West end.

A.G. Hogan, proprietor of the Island Furriers Ltd., said yesterday that the architect hopes to have the building plans ready early in May in order that construction work may be started soon, completed as quickly as possible, and occupied within six months.

Maritime Board Of Trade President Is Guest Speaker

"Feeding people is the biggest and most demanding business in the world today. Accordingly, we have to think big and work together, diligently, to get and hold our share of this potential source of revenue," Mr. Watson Jamer, President of the Maritime Board of Trade said in addressing Rotarians and their guests at a luncheon meeting held at the Charlottetown Hotel yesterday.

Quality production from the good earth of the Atlantic region can be a continuing source of wealth to strengthen the economy of the region, generation after generation," Mr. Jamer maintained. "We are the people who must accept the challenge to produce and process the food we eat. We now know the capital requirements can be met, that Canadian and U.S. processors will come into these provinces—that a number of farmers are interested in getting into production of quality products for the canning and fast freezing industry."

The consuming population of the Atlantic region is only slightly under two million and the most intelligent buying is done by the lady in the home who has the handling of 30 per cent of our earnings devoted to this purpose, the speaker emphasized. "Make no mistake, in this respect, the ladies know from careful reading of national periodicals and magazines, the diet and U.S. origin, what is good to eat and what a fair price is."

"A firm and workable understanding between producer and consumer should be established to iron out difficulties which are all too apparent. We must be prepared in our thinking to meet the demands of the housewife buying for the consumer."

Touching on the progress already being made, Mr. Jamer referred to the five fast-freezing plants now in operation in West-

ern Canada and the success which has followed the opening of such a plant in Berwick, N.S., where apples are processed for shipment to Canadian and U.S. ports. He was pleased to say that Nova Scotia now contained the largest poultry producing plant in the world.

The speaker was introduced by Alan Holman, Past President, Maritime Board of Trade, and thanked for his address by Ben Rogers, President of the Charlottetown Board, who aided as chairman and co-chairman respectively of the luncheon.

Dr. Harold Shaw, Chairman of the Ladies' night entertainment, was presented with a composite photograph of many of the stirring scenes witnessed on that occasion.

Guest present were Messrs. W. F. McLean, president, Canada Packers, W. W. Lasby, manager Toronto plant, F. L. Blair, general sales manager, F. W. Conlin, sales manager, Toronto Plant, Capt. Harry Umphrey, Canada Packers plant, Toronto, Ted Lawrence, president, introductions were by Gerry Hartlen.

Guests introduced by Secretary Ralph Jones were: A. Waltheim Gaudet, deputy mayor and Secretary, Charlottetown Board of Trade, R. Earl Taylor, vice President, George Chandler, Charlottetown, Keith MacKinnon, members of the board council, Gordon Warren, George Wright, Winston Smith and S. R. Johnston, Charlottetown and Grant Carlyle, Calgary, Alta., Max Thompson, executive Maritime Provinces Board of Trade, Victoria, P. E. I.

CO-OPERATIVE EFFORT
The Atlantic Provinces Economic Council, in cooperation with the Maritime Board of Trade will look to the various local Boards of Trade to keep in touch with consumer demands and assist the Atlantic region to "build with what we have."

To Form Local Unit Of Army Provost Corps

Major O.R. Simons, 2 Militia Group Headquarters, yesterday announced that a local unit of the Army Provost Corps is being organized from among members of the local Militia Units of Charlottetown. The unit which will be under the command of Major A.L. Vickerson, is expected to be in operation in the near future and will be equipped with motorcycles, jeeps and a panel truck. The selected personnel will be easily distinguished by being dressed in a uniform which is distinctive from that of other army units, white arm and cap bands.

The exact size of the unit has not yet been decided upon, but is expected to have a strength of between fifteen and twenty. In addition to the panel truck the other vehicles will probably number four motorcycles and one or two jeeps. At first the unit will operate on two or three nights a week basis and will be available for the marshalling of parades and for the visits of other Army, Navy and Airforce units.

Rainbow Club Annual Meeting Yesterday At Sunset Lodge

The seventh annual meeting of the Rainbow Club was held at Sunset Lodge yesterday afternoon, with the president, Mrs. N.H. DeBlois presiding. In her opening remarks Mrs. DeBlois spoke of the efforts of the club during the past year and the spirit of co-operation which animated every endeavour on behalf of Sunset Lodge.

In her report, Major Irene Henderson voiced appreciation and genuine praise for the splendid work of the Rainbow Club again this year. She said: "May I say a few words of appreciation and genuine praise for the splendid work of the Rainbow Club again this year."

Starting off with the Spring Tea which was another outstanding success as you all know. Our only regret was that we hadn't more room to accommodate all who patronized this big event - and as a result we were somewhat crowded. However no one seemed to mind too much and any discomfort experienced because of limited space was more than made up for by the delicious lunch, so liberally served. During the summer season, the seasonal fruit treats, along with the ginger ale was much appreciated. Thank you too, for the folding aluminum verandah chairs which our guests so much enjoyed on the verandah and upper balcony all summer long. The two electric clocks are much appreciated too. I can assure you, "Then along into October, the"

Fairview Finding Little Difficulty
The first trip of the Rocky Point ferry "Fairview" on Friday April 13, was much later than the last few years. In 1955 the ferry ran until early in February and after a short lay-up was back on the run again well before the end of March. The boat is experiencing little difficulty in making her crossings now, except for short periods during the rise and fall of the tides when it is necessary to zig-zag across the harbor to avoid small ice-pans. Major Cyril Kennedy of the Department of Public Works and Highways, said yesterday that the date for the annual overhaul of the Fairview is dependent upon when the Ferguson Industries Limited of Pictou, N.S. will be able to take her in hand.

GIVES OUTLINE

Estes Kefauver, the two announced candidates for the Democratic presidential nomination, are both bound to play an important part in the struggle for the farm vote.

Eisenhower arranged to address the nation by radio and TV at 11 p.m. AST Monday night and present his reasons for rejecting the bill.

A major administration plan that went down with the farm bill was the soil bank program. Under this farmers would have received up to \$1,200,000,000 a year for withdrawing their acreage from the production of crops now in surplus.

hallow'en treats of cake and ice-cream. Our Christmas Party too, was a huge success this year with the ladies particularly enjoying Santa's visit, followed by a very delicious lunch. I should also mention that our ladies were very delighted with their Christmas gifts from the Rainbow Club, given to them on the day of their Christmas dinner and party. We were also very pleased to have our Secretary Mrs. MacDonald and her daughter Miriam attend this event.

"May we here also express a very sincere thank you for your liberal donation to our T.V. Set, which is also giving much pleasure to the ladies. We would not forget the Valentine's Day and St. Patrick's Day Treats - and are grateful too, for the contribution the Rainbow Club made toward making this Easter period an enjoyable one for our ladies. The tables were really a picture on Easter Sunday with table with gay bright covers, centered with daffodils - and an attractive little Easter Basket at each place - as well as Easter Molcha cakes and short cakes with ice cream. The ladies were thrilled with all this, we can assure you."

"And now we would very much like to express our thanks to Mrs. DeBlois for her very successful and effective leadership during her term of office as President of the Rainbow Club - and would here by record a sincere tribute to her by her enthusiasm and interest we feel she has contributed much to the continued success of the Rainbow Club."

"May we also express our special thanks to our Treasurer, Mrs. Pope Clarke, for her splendid work in this position she so capably fills. We would not forget our acting Secretary, Mrs. Whiteside for taking over so willingly, when Mrs. MacDonald because of her sad bereavement was forced to relinquish office."

"And finally we would pledge our new President our loyalty and full support as we continue to forward march! into another year of service. Truly the members of our Rainbow Club have discovered the true meaning of service as they practice the Golden Rule in this most worthwhile ministry to our ladies here at Sunset Lodge."

The treasurer, Mrs. Pope Clarke and acting secretary, Mrs. G. Whiteside both submitted their reports which were highly encouraging.

Following the reading of the reports the election of officers took place, with the following being elected: Mrs. G. Whiteside, president; Mrs. A. E. Breeden, secretary and Mrs. Pope Clarke was re-elected treasurer.

Following the meeting a delicious salad supper was served to the Rainbow Club members and Sunset Lodge guests - featuring the occasion with a large birthday cake which was cut by one of the first guests of the Lodge, Mrs. Barbara Mill.

Hospital Junior Ladies' Aid April Meeting

The April meeting of the Junior Ladies' Aid of the Prince Edward Island Hospital was held on Monday afternoon at the Cundall Home, with the president, Mrs. F.W. Jelks presiding.

The meeting opened with the Lord's Prayer, after which the minutes of the March meeting were read and approved.

In the absence of the treasurer, her report was given by Mrs. Jelks. Mrs. George Rogers and Mrs. Lloyd Cox reported for the hospital.

The president thanked all members who had contributed toward the success of the recent fashion show, as well as those who had assisted with the annual Red Cross convales.

Mrs. H.H. Simpson told the meeting that the organization for the financial campaign for the Prince Edward Island Hospital is underway.

Mrs. J.K.L. Irwin gave a very successful report of the parade of fashions, thanking the local business firms, the members, and all who gave of their time and talent to make this project the success it was. It was decided to entertain the model at a dinner at the Charlottetown Hotel, on Tuesday evening April 24th.

It was moved by Mrs. Lloyd Cox seconded by Mrs. Claude Whiteside that letters of thanks be sent to Mr. A.J. Haslam, Mr. H.L. Sear Jr. and Mr. Earl Taylor for their assistance to the Aid.

A letter from the Red Cross telling of the blood donor's clinic to be held at the Clover Club, May 1, and 2, and asking for the Aid members' co-operation was read by the President.

A nominating committee consisting of Mrs. J.A. Likely, Mrs. Geo. Rogers, Mrs. Fred Younker, Mrs. H.A. Henry, and Mrs. A.G. MacMillan was appointed to bring in a slate of officers at the next meeting, which will be held on Tuesday, May 22nd because of the holiday on the regular meeting day.

It was moved by Mrs. Ronald Woodgate, seconded by Mrs. Clive Stewart that the meeting adjourn, after which refreshments were served by Mrs. T. D. DeBlois, Mrs. George Fisher, Mrs. Allison Gillis, Mrs. William Hamby, and Mrs. Walter Goss.

National Secretary Extends Challenge To United Laymen

"The laity of the Church have come to see that they have a great responsibility and men are beginning to 'go active' as never before said Ralph Young, Secretary of the Board of Men of the United Church of Canada in addressing the Men of Trinity at their monthly dinner meeting last night. Mr. Ivan Sinclair presided.

Mr. Young was born at Bideford, Prince Edward Island where his father the Rev. H. S. Young served some years ago. He served for nine years as secretary of the Maritime Religious Education Council and in C. M. C. A. work at Edmonton and Halifax before being called to the high office which he now holds.

He said men are clamouring to get to weekend conferences where they can have an exchange of ideas and dedicate themselves to a new life. As an example of the growth in this direction, he made reference to the first National conference for laymen of the church held in 1953 at Elgin House. At this meeting there were 46 men. In 1955 the number had risen to 275 with another two hundred turned away. This year, Elgin House will provide accommodation for 500 men.

"The fact that a new United Church is going up every 12 days of the year in Canada," said Mr. Young, "presents a great challenge to our laymen. We need leadership and it means that we need a new minister every 12 days of the year."

In referring to the minister shortage, he said there should be no shortage in an organization possessing such manpower as the Church has at its disposal. He recalled that industry sends its representatives into the universities to persuade young men to take up some particular field of endeavour and said it was the duty of a Christian laymen to encourage, whenever possible, suitable persons to accept the challenge of the ministry.

Fitting reference was made by the Board Secretary to Mr. Jack MacNair of Trinity Men's Association who has been responsible for the formation of nine men's club throughout the Province. "Such an accomplishment is worthy of national recognition and I doubt if its equal is to be found anywhere in Canada," said Mr. Young.

The speaker was introduced by Allison MacKinnon and thanked by Fulton Pierce. Stan Lancaster led a very enjoyable sing-song and Roy Muford entertained with some well received accordion music. A short worship period was conducted by David Murphy and Russell Laird. The ladies of the King's daughters served the meal which was most heartily enjoyed by all. The ladies were thanked by Mr. Russell Seller.
