MARE'S FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, there is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat, in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. In big bottles 50c, and \$1 at Charlottetown drug stores.

In THE months of March, April and May the blood should be purified, and the system strengthened, so that it be able to withstand the debilitating effects of the changing weather, and resist the attack of disease. The most reliable medicine to take to bring about the desired result is Estey's Iron Tonic. For sale by all druggists. m1 dw 1m

Teanyou in his latest play says that there is no land like England; no hearts like Eng lish hearts; no men like English men; no wives like English wives; no maids like Eng lish maids. It is suspected that the poet laureate is a bit of a jingo—more power to his mine.

A Pleasing Sense
Of health and strength renewed and ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when constive or bilious. For sale at 25c bottles by all leading druggists. j14 t b s

I AM A MAN "I have been treated by doctors, who had long lists of so-called cured patients, but they could not reach my case, and hope had been murdered in me by fair promises, but on first application of your magical appliance, hope and confidence came flooding in stronger than the combined powers of the four winds. I knew then that you would cure me, and now that I am a man and well again, I cannot thank you sufficiently for the cure. So again I say, use my name as reference whenever you wish. You nor any one else cannot use words too strong to express my sentiments in favor of so wonderful a treatment as that given by you." (Original on file; name of writer furnished in confidence.) WITH GLOVES ON. The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used PHOSPHOLEINE (Pronounced FOW-FO-LEEN), when they became smooth and soft. SCROFULA and SALT RHEUM. Dear Mr. Rogers: I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparilla in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption.—The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indigestion for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c., E. C. NEWBERY.
