### STOCKINGS STRETCH AS SKIRTS SHRINK

Legs are in the news again and, incidentally, are causing business men a lot of worry. The reason is that there is too much of them! With frocks getting shorter and shorter, women are asking for longer stockings in order to avoid the risk of an unsightly gap. But although they want more material in their hose they refuse to pay more, so stocking manufacturers are faced with a knotty problem.

Paper masks held by tabs; with the teeth have been invented by a college professor to protect dress-as drawn over women's heads from lipstick stains.

A knight of the olden times when entering a company of ladies, removes his helmet, to indicate that he considered himself among friends and that there was no need to protect himself.

This practice has survived in the custom of raising the hat when saluting a lady.

### WEIGHED PLENTY

WEYMOUTH, England—(CP)—A motor dealer of Weymouth sold a car, and was asked if he would "mind having the price in coppers." He didn't, so the purchaser paid him the whole amount—nearly \$270—in pennies.

### BLOOD IS STORED

LUTON, England—(CP)—Blood storage depots for emergency use during the war have been established here and at Slough, Sutton and Maidstone. The British Red Cross Society is responsible for the plan.

R. E. Smith. 10th July, 1939. To be 2nd Lts.: Robert Neil Sinclair. 28th June, 1939. Canadian Chaplain Service: To be Chaplain with the Hon rank of Capt., Military District No. 6. Rev. William Joseph Enright, 10th July, 1939.

SUFFERS BURNS IN EXPLOSION.—Severely burned by an explosion in the basement of her home at 3418 Hutchison street, Montreal, Mrs. R. E. Stephens, 25, was today shortly after noon taken to the Royal Victoria Hospital. She had gone to the 10-foot-square basement to light a water heater. There were several cans of gasoline and paint stored there, and it is presumed that fumes from a leak in one of these must have saturated the air. The explosion occurred as soon as Mrs. Stephens struck a match and before she turned on the gas of the heater. The rescue squad of M. L. H. & P. Co. was summoned and gave Mrs. Stephens preliminary attention. They found that there was no leak from the gas fixture. —Mrs. R. E. Stephens was formerly Miss Bessie Manderson of Charlottetown.

MISCELLANEOUS SHOWER.—On September 19th, at the spacious home of Mr. and Mrs. Ellis Webster, Central Bedouque, miscellaneous shower was tendered Miss Marion Prizzell on the occasion of her approaching marriage. To the strains of a Hawaiian guitar softly played by Miss Blanche Noonan, dressed in native costume, the bride was led to the seat of honor by little Leona Hoover, dressed as an Hawaiian flower girl, and escorted by Miss Ruth Montgomery. Leona then presented the bride with a garland of flowers and a wreath for her hair. The room was tastefully decorated in Hawaiian scenery. The baskets of gifts were then brought in by Miss Doris Muncy and Mrs. Ivan Lawson. The presents were opened by Mrs. Chesley Craig and Mrs. Lorne McQuill, while Miss Hazel Green read the accompanying verses. The numerous and costly gifts testified to the popularity of the bride-to-be. Marion in her usual cheery manner expressed her thanks and invited her friends to visit her. Miss Yerna Schurman rendered very effectively, "To the End of the World with You," accompanied by Mrs. Earle Leard. The remainder of the evening was spent in social enjoyment. After lunch was served by the hostess assisted by the ladies present, the many friends departed wishing Marion years of happiness.

## Local National Service Committee Holds Meeting

The following statement was issued yesterday in connection with the meeting of National Service Committee:

The regular meeting of the National Service Committee was held on Tuesday, September 19th, with a full attendance of members.

The committee appointed to investigate the matter of a rifle range in the Charlottetown area submitted a written report, which after some discussion was adopted with one amendment.

The sub-committee appointed to deal with the matter of protection of the ferry terminals submitted a tentative report and asked leave to present a memorandum at a later meeting.

The Minister of Agriculture attended on the Committee and offered the services of the Provincial Women's Institutes to assist in necessary discussions and to offer their services to those on active service.

Dr. W. J. P. MacMillan advised the Committee regarding the did Red Cross Society meeting which had been held the evening before and the Committee approved the decision of the Provincial Council of the Red Cross Society with a view to co-ordinating the activities of the two organizations in the direction of providing socks and other comforts for those on active service.

MacMillan advised the Committee regarding the did Red Cross Society meeting which had been held the evening before and the Committee approved the decision of the Provincial Council of the Red Cross Society with a view to co-ordinating the activities of the two organizations in the direction of providing socks and other comforts for those on active service.

"Another sub-committee was appointed to gather all relative information regarding the training within the Dominion for consideration and discussion at a later meeting.

The next meeting of the Committee will be held on Tuesday, September 26th."

## Stock Markets Close Irregular

(By The Canadian Press)  
Stock market prices in Canada and the United States finished irregular yesterday when late profit-taking weighed earlier gains of from \$1 to \$4.

On Wall Street, the rise of war stocks was stemmed when speculators hesitated to enter the market before the neutrality fight opens in Congress tomorrow. Steels, motors, rail equipment chemicals and other current favorites attracted early attention but only a few managed to salvage as much as \$1 of their advance.

Offerings on the Canadian section of the New York market traded lightly and finished down from \$1 to \$2.

Issues on Toronto exchange generally finished strong, although the tone was a bit soft in the last hour. Gains for war stocks, oils, and base metals ranged from a few cents to \$2.

Montreal traders interrupted a fairly brisk rally to liquidate offerings late in the session but most issues finished with gains of from a few cents to more than \$4. On the Curb market, industrials firmed as much as \$1 but mines showed only minor increases.

Wheat prices shot up 3 5/8 cents in Chicago but late weakness wiped out all or most of the early advances.

In Winnipeg wheat quotations were 3-4 cent down to unchanged at the close after registering gains of as much as two cents.

## In Memoriam

MR. HECTOR MACCANNELL  
There passed peacefully away to his eternal home, early on the Sunday morning of July 16, 1939, this spirit of Mr. Hector MacCannell.

The deceased, who was 76 years of age, was born in Long Creek, West River, a good friend and neighbor and was well and favorably known throughout the community.

Although not in good health for the last few years, Mr. MacCannell lived alone until his untimely death when he was obliged to close his home and move to the city, where he was well and tenderly cared for by his younger brother, Robert. During his illness he was visited frequently by Rev. H. L. Denton of Charlottetown.

He leaves to cherish his memory two sisters and two brothers, Tillie, Mrs. Ewen MacKinnon of Saskatchewan; Flora, Mrs. Walter MacPhee, Charlottetown; Hammond of Boston, Mass., and Robert of Charlottetown.

A short funeral service was held at the Cutcliffe Funeral Home a Charlottetown on Tuesday at 1.30 P. M. The remains were then conveyed to the Long Creek Baptist Church where a very large number of friends and relatives had gathered to pay their final tribute.

The pastor, Rev. J. M. Blesedell spoke very fittingly from the text: "Blessed be the God and Father of our Lord Jesus Christ," which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead. Interment was made in the St. Catherine's Cemetery.

The pall bearers were: Danie MacEwen, A. K. MacPhy, Frank MacEwen, George MacNeill, Bruce MacLean, and Malcolm MacNeill.

## In Memoriam

MR. CHARLES W. SCOTT  
The very sudden and unexpected death of Mr. Charles W. Scott, son of the late Mr. and Mrs. W. J. Scott Marshall, who died of peritonitis in Detroit, Michigan, on Friday, September 15, 1939, at the early age of 36 came as a great shock not only to his immediate relatives but also to the residents of Marshallfield and surrounding districts.

The decease was always found to be honest, upright and industrious, quiet in his manner and well liked by his many acquaintances.

In March, 1916 he enlisted in Winnipeg with the 59 Battery, and after he landed in France he was transferred to the 61st battery where he served for his King and country until the conclusion of the war. Returning to the Island early in July 1919 he remained until September 27, 1919 on which date he left for Ocean Falls, B. C. where he was engaged in a paper mill for a number of years. Discovering that this class of work did not suit his health he came to Detroit, Michigan where he resided until his death.

His remains were brought home for burial and laid beside those of his parents. His mother predeceased him just eleven months ago.

He leaves to mourn three sisters and two brothers, namely: Mrs. Fred W. Andrew, East Royal, Mrs. J. C. Cooke, Charlottetown, Mrs. Leith Brown, York and Stanley and Alexander of Marshallfield.

The funeral under the direction of N. D. MacLean, was held on Tuesday, September 19th from the residence of his brother, Alex. Scott, to Marshallfield Cemetery and was largely attended. Services at the house and grave were conducted by Rev. G. Carville Webster, Charlottetown. The pallbearers were six of his school chums, Messrs. Gordon Stetson, Fergus and Arthur Robertson, Earl Foster, Willie Gibson and Boswell Stewart.
