

**Truck Crash  
Takes 10 Lives**

VILLAHERMOSA, Mexico (AP)—A stake truck carrying a church group to a festival skidded on wet pavement and plunged into a water filled ditch Monday, killing 10 and seriously injuring 21.

Police said highway regulations forbid the use of stake trucks to transport people and the trip was being made in the early morning hours to avoid detection.

The Evangelical Church of the village of Ocuapan had chartered the truck to take members to a festival in Sanchez Magalanes on the Gulf of Mexico coast, police said.
