New York Stocks

NEW YORK (AP) — The stock market edged up to another record high mark Thursday but had some trouble doing it.

Profit-taking appeared late in the session and continued to the close with enough force to cut the market's progress considerably.

Aircrafts and non-ferrous metals had the biggest hand in sending the market ahead but their performance was dimmed by late selling.

Railroads were down at the close after spending most of the day with only a slight gain.

Steels at one time were well ahead, but they clo sed mixed. That was the situation with most major divisions.

The Associated Press average of 60 stocks was up only 10 cents at $170.70. The rise sent the average to another record high mark the seventh in the last nine sessions.

Canadian issues on the New York exchange were mostly higher, although McIntyre dropped two points to 86½. Hiram Walker gained 1 to 73½, International Nickel was up ½ and Canadian Pacific and Distillers Seagram picked up ¼ each. Royalite oil slipped ¼ and Giant Yellowknife was up 3-16.

Montreal Stocks

MONTREAL (CP)—Prices were irregularly higher at the close of active trading on the stock market Thursday.

Algoma, up 4¾ points at a new high of 74½, was outstanding throughout the day. Canadian Oil at a new top of 25 and Dominion Square at 90, each jumped 2 points. Advances of 1½ were chalked up in Canadian Locomotive at a new peak of 30, Quebec Telephone at 19¾ and Walker at 72½.

Minnesota and Ontario dropped 1⅞ to 66⅛, Aluminium, 1¼ to 100½ and Price ⅜ to 57½. Off ½ were Ford, Rolland, BC Telephone and Bank of Montreal.

Steels were strong while utilities and beverages had a majority of gains. Papers and base metals had some strong spots but were generally mixed.

Mines followed the general trend. Price variations, for the most part, were confined to less than 15 cents with the bulk of trade monopolized by the penny issues. Pronto, up 75 cents, was a high spot.
