MISAPPLICATION OF WORDS BY FOREIGNERS. The misapplication of English words by foreigners is often very ludicrous. A German friend saluted us once...

The advertising columns of the Australian newspapers contain several such notices as the following: "Wanted, by three respectable, able-bodied men from Canada, employment at clearing, fencing, or splitting firewood..."

Bennet, Marshall, & Co., of Pittsburgh, have bought a quantity of large iron cannons in Canada, which they are converting into railroad iron.

PUNCTUATION. An ingenious expedient was once devised to save a prisoner charged with robbery, in the Criminal Court at Dublin.

"Magnan said he never robbed but twice said it was Crawford."

Mr. O'Gorman, the council for the prisoner, begged to look at the paper. He perused it, and rather astonished the peace officer...

"Magnan said he never robbed but twice said it was Crawford."

CURIO HAMS.—In the last Patent Office Report, James Campbell, of Weston, New Jersey, gives the following as a superior process for curing hams...
