Royals Meet Ramblers In Important Game Tonight

The hopes of Charlottetown Royals for a first place finish in the Maritime Hockey League depend on the result of the game tonight with the Ramblers, a game which will be played at the Sports Arena at 8:00 p.m. The situation goes like this: The Royals held a four-point lead over the Aces and Ramblers prior to last night's game at Summerside when the Aces and Royals. After tonight's game, the Royals have only ten left in their schedule, which means that they will probably have to play better than .500 hockey from now until the schedule ends in mid-February.

TOP SCORER HERE
Gerry Boss, the leading scorer in the circuit, will be the man to watch on the Amherst lineup tonight, and veteran Ronnie Gaudet has shown signs of returning to his old form in recent games. Boss, by the way, is battling with Buck Whitlock for the league's scoring title, so there will be something of a personal battle between the two at the arena tonight.

The Royals may be back at full strength for tonight's game. Allie Carver has recovered from a jaw injury, and Willie Dunn will be returning to the lineup after serving a four-game suspension which was the result of a stick-swinging incident in Amherst's last appearance at the Charlottetown ice palace.

READY RETURNING??
The left wing slot on Royals' first line will be filled either by Jack (Spy) Ready or Cec Dowling tonight. Dowling is a question mark, but if he can't make it, it is possible that Ready will rejoin the squad for the important contest.

Dowling suffered a painful foot injury in practice Sunday, and may have to sit this one out. Ready, who was sidelined by illness three weeks ago, is set to get back into harness, and fans at tonight's game may see the big warrior in his old port lard position. Starting time for tonight's game, as usual, will be 8:15. Plan to be there!!!

Ch'town Royals Close In On Ramblers; Defeat Aces

The Charlottetown Royals handed the luckless Summerside Aces their sixth straight defeat at Civic Stadium last night. Edging the home forces by the score of 7-5. For two periods it was a nip-and-tuck struggle, and indeed the result of the game was in doubt until the last minute of play.

The first frame ended 2-2, the second 3-3. The score was 6-5 with four minutes to go, with the Aces fighting desperately for the equalizer. In the last minute Mann was taken out of the nets and Allie Carver shot the insurance tally into the open cage. Merrill Pineau and Buck Whitlock each shot a brace of counters for the victors, and Vance Harris fired two goals in a losing cause.

The Aces opened the scoring at 5:30 of the first frame. Leroy Clow coming in to fire the rebound of Coke Grady's wicked drive into the twines. It took Royals ten minutes to get that one back. With the Royals skating back on three as a result of Grant Grady's hooking penalty and a roughing duel by Whitlock and Cutcliffe; Perry shot a high one that Mann failed to knock down. The Aces went ahead a minute later on a goal with Dame Fortune getting an assist. Steele's shot hit a Royal leg and carried over to Harris parked at the corner of the crease. Vance at the corner of the crease. Mann went in slugging it past Roper to make the score 2-1. Less than a minute later Pineau out-footed Booth over the Aces blueline skated in on Mann and once again evened the score.

Harris put the Aces ahead again at 6:44 of the second period, taking a pass from Roper to beat Roper from in close. Three minutes from the end of the sandwich session Kip Ready made a neat deflection on Perry's shot to knot the count at 3-1.

Eleven seconds after the third period opened, and just as Grant Grady was clambering out of the sin bin, Howatt outfoxed Roper to put the Aces ahead for the third time during the game. Pineau and Skip Carver staged a nice passing bout putting Pineau right on Mann's doorstep with help out of reach, and Merrill tied the count again at 6:07, mak-
