

Mays wins Major League Batting Championship

By THE CANADIAN PRESS
Willie Mays of New York Giants and Bobby Avila of Cleveland Indians won the major league batting championships Sunday and Philadelphia Phillies and Boston

Red Sox clinched fourth place in their league standings on the final day of the season.
Mays, who slipped to third place behind teammate Don Mueller and Brooklyn's Duke Snider after Saturday's games, came up with three hits against the Phils to finish with a .345 average. Mueller's two hits gave him .342 and second place. Snider went hitless in three trips for a final .341.
Avila finished with .341 to top the American League although Ted Williams of Boston had a .345 average. Williams was at bat only 388 times officially. Adding 14 at bats to make the necessary 400 official trips, Williams would have hit .333.
Philadelphia held fourth place in the National, despite a 3-2 defeat by the pennant-winning Giants in 11 innings. Cincinnati, with a chance to tie, bowed to Chicago 5-2.

INDIANS LOSE
The Red Sox knocked off Washington 11-2 to nail down fourth place all by themselves as Williams smashed his 29th homer. Detroit edged the champion Cleveland Indians, 8-7 in 13 innings, but finished fifth, a game back of Boston.

Karl Spooner, Brooklyn's brilliant 23-year-old lefthander, continued his amazing streakout pace, fanning 12 more batters to set a record of 27 for his first two starts. He struck out 15 Giants Wednesday and whiffed 12 Pittsburgh Pirates Sunday. Gil Hodges, 42nd homer gave the Dodgers a 1-0 victory.

Mays had a single, double and triple in the Giants' extra inning triumph at Philadelphia. Joe Garagiola's double and Bill Gardner's single won for the Giants in the 11th, spoiling Robin Roberts' bid for a 24th victory.
St. Louis edged Milwaukee 2-0 in 11 innings on a two-run homer by Wally Moon. Although Milwaukee had clinched second and St. Louis could not better its sixth place standing, a crowd of 39,495 turned out at County Stadium, making the Milwaukee total 2,131,388, a league record.

CLEVELAND SETS RECORD
Fred Hatfield's two-run homer in the 13th gave Detroit the nod over Cleveland which finished with a 11-43 record, best in American League history.

Cleveland rolled to its 11th victory Saturday, an 11-1 decision over Detroit that broke the Yanks' record of 119 victories set in 1927. Early Wynn had a no-hitter going into the ninth, when Detroit's Fred Hatfield opened with a single and scored on Steve Souchock's triple.

Yogi Berra failed in his bid for the runs batted in title when he went hitless while New York Yankees lost to Philadelphia A's 8-6 Sunday. Manager Casey Stengel of the Yanks played Berra at third base, Mickey Mantle at short and Bill Skowron at second base, a sample of his "power" lineup for next season.

Baltimore and Chicago had played off Sunday's game earlier in the season.

Lewisville Cubs Whip Glace Bay

LEWISVILLE, N.B. (CP)—Lewisville Cubs whipped Glace Bay Antonians in three straight games during the weekend to come within one game of winning the best-of-seven series for the Maritime Junior baseball championship.
Cubs, defending champs, downed Glace Bay 8-1 and 11-2 Saturday and 9-1 Sunday.
Remainder of the series will be played at Glace Bay next weekend.

LITERARY CARDINAL
Cardinal Newman, who died in 1890, wrote many works of high literary merit besides his famous autobiography.

Halifax Olands Retain Senior Softball Title

HALIFAX (CP)—Halifax Olands retained their Maritime senior softball title Saturday by whipping Saint John New Brunswick majors 10-2 in the deciding game of the best-of-three series.
Saint John won the first game of Saturday's doubleheader 6-5.
Earlier last week Halifax won the first game 6-0 in Saint John.
Halifax starter Frank Grabowski went wild in the fifth inning of Saturday's first game. Freddy Cuveller took over and pitched the second as well. Cuveller held Saint John to one run and two hits in the first game, and two runs and three hits in the final.
Hermie Boyle won the first for Saint John but was charged with the loss of the second. He was clipped for four runs off ten hits before Jim O'Leary relieved him. O'Leary gave up seven hits.

Amherst Wins Baseball Title

AMHERST, N.S. (CP)—Amherst Blue Jays won the Nova Scotia intermediate baseball championship here Saturday afternoon by downing Middleton Cardinals 10-7 in the second game of the best of seven series. Amherst won the opener at Middleton 4-2 Wednesday.

Ted Williams Says Farewell

BOSTON (AP)—Ted Williams, Boston Red Sox slugger, said farewell to baseball Sunday.
"I've had enough. This is the end of it," Ted told reporters.
The statement appeared to be final confirmation of Williams' spring announcement that this would be his last year. Yet there still remained a feeling expressed by general manager Joe Cronin that "It's a long time between now and spring training."

Anti-Fish Attitude Blamed On Husbands

KEMPTVILLE, Ont. (CP)—Fisheries Minister Sinclair blames the anti-fish attitude of Canadian women on husbands who return home from camping trips and confront their wives with a mess of uncleaned fish.
It is no wonder that Canadian housewives do not like fish, he told the eastern Ontario Municipal Electrical Association Thursday. Housewives were against fish and ducks and the blame must rest with men.
However, Mr. Sinclair said, Canadian housewives gradually are becoming fonder of fish fare. Progress also was being made by his department in the development of processes to get fish to the consumer in a more acceptable form.
Canadian consumption of fish amounted to 13 pounds a person annually compared with 30 pounds in European countries. He said the Japanese' down about 80 pounds a year.

FAMED MONUMENT
About 6,000,000 tons of stone were used in building the pyramid of Cheops in ancient Egypt.

The directors of the P. E. I. Junior Farmer's Federation met at Charlottetown on Saturday, and made plans for the coming fall and winter. Proposals were agreed upon to send a delegation of four worthy Junior Farmers to Ontario this fall to learn about the work of the organization in that Province. A committee was appointed to make arrangements for the trip.

consisting of the President, Urban Loughlin, Sherbrooke, Heather Coles, Milton and Geo. C. MacDonald, St. Georges.
Plans were suggested for organizing several study clubs this winter. Some of these may participate in the radio farm forum but the main object would probably be a study of agricultural problems in P. E. I.

LOOKING AHEAD

MANCHESTER, England (CP)—After 42 successive days' rain officials asked citizens to save water. They feared a repetition of the 1947 summer when it rained heavily until late August, followed by a long heat wave resulting in drought.

Forecast New Demands For TV-Radio Control

OTTAWA (CP)—Renewed demands likely will be made at the next session of Parliament for establishment of an independent body to license and regulate radio and television broadcasting in Canada.
They are expected to be made by the Progressive Conservative and Social Credit parties. Liberal and CCF parties likely will continue to oppose establishment of such a commission.
Establishment of a House committee will give the Canadian Association of Radio and Television Broadcasters, representing most of Canada's privately-owned radio and television stations, an opportunity to reopen their campaign for an independent body.
Progressive Conservative and Social Credit members are expected to use a resolution approved by Canada's Young Liberals to support their argument.
The resolution, passed at the 1954 convention of the Young Liberal Federation of Canada, said an independent body would correct the present "inequitable situation wherein the Canadian Broadcasting Corporation holds regulatory power over non-government stations with which it competes for audience and business."

Revenue Minister McCann, who reports to Parliament for the CBC said last June in the Commons that the government is opposed to a separate regulatory body.
Dr. McCann said the government still accepts the recommendation

British Cruiser Navigates By Radar Alone

LONDON (Reuters)—The British experimental cruiser Cumberland can navigate difficult channels by radar alone, with her bridge completely unmanned, it was disclosed Monday night.
The vessel also has a new stabilizer gear which keeps her steady that a cup of tea won't spill over on a mess deck table in a gale, the admiralty announced.
The naval headquarters statement said the cruiser had been based in the Mediterranean during the last five months testing modern equipment designed for future British fleets.

of the royal commission on art letters and sciences. The majority report of the commission recommended against an independent regulatory body and in favor of the CBC retaining control over all broadcasting.

A completely separate body which treated public and private radio broadcasting with judicial impartiality could not fail to destroy the present system upon which Canada depends for national coverage with national programs, the report said.

However, the minority report of the commission, signed by Dr. Arthur Survever of Montreal, supported the establishment of a separate body.

BE A CITIZEN SAILOR IN THE ROYAL CANADIAN NAVY (RESERVE)

The RCN (Reserve) consists of citizen-sailors in training—increasing their knowledge of the skills and crafts of the sea. Reserve training is important training and demands whole-hearted interest and effort.

EARN UP TO 56 DAYS TRAINING PAY PER YEAR.

Serving your country in your spare-time is also a profitable duty. You will be paid regular Navy rates of pay for the time you spend in training.
