Will Wonders Ever Cease?

It has been discovered that by means of the circulating blood any organ of an animal can be paralyzed or stimulated into renewed activity if the proper material is administered. Cocaine, which has revolutionized delicate surgical operations, is only one of the results of this discovery. The use of Atropine by oculists is a remarkable example: For it matters not how administered (even if injected into the big toe), the first effect seen is the enlarging of the pupil of the eye. Another application of this discovery, as practical as any, was the idea that the great loss suffered by poultry raisers, owing to the fact that hens stop laying during cold weather, when eggs are worth fifty cents per dozen, could be overcome, if the overies of the hen could be reached and stimulated to egg-producing activity. The experiment was crowned with success, and the chemical compounds deficient in the overies of the hens at this season are now very important components of Sheridan's Condition Powder to make hens lay. And with its aid some of our most successful egg-raisers believe it is as easy to obtain plenty of eggs in mid-winter as to raise early vegetables. Last December the poultry editor of the *N. E. Farmer* said to a subscriber: "The office of Sheridan's Condition Powder is to animate the ovaries. A hen to lay profitably must be in condition. I use Sheridan's Powder because I believe that hens can be made to lay even in winter by using it, and fully twice as much profit can be made in a year from a flock of fowls where it is used." Is not that good evidence? Then force your hens to laying now, or later you will reflect.

"How wise we are when the chance is gone,
And a glance we backward glance!
We know just the thing we should have done,
When the time for doing it's past."

For 50 cents I. S. Johnson & Co., Boston, Mass., will send two 25 cent packs; five packs for $1.00; or for $1.20, one large 2¼ pound can of Sheridan's Powder, postpaid; six cans for $5.00, express pre-paid. The best poultry paper, Farm Poultry, one year and a can of Powder for $1.50. Sample copy of paper 5 cents.

THE fountain of perpetual youth was one of the dreams of antiquity. It has been well nigh realized in Ayer's Sarsaparilla, which purifies the blood, gives vitality to all the bodily functions, and thus restores to age much of the vigor and freshness of youth.

On the Use of Campbell's Wine of Beech-Tree Creosote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against Pulmonary Tubercolosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiences, based upon the antiseptic method, having specially in view the destruction of the Bacilli.

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Baccilli, the breaking off of the fever and the rapid recovery of appetite and strength.

When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. Those excellent results need not astonish us, if we consider the lucky natural associations of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.

N. B.—The use of Cod Liver Oil, as a powerful resistant to the remedial properties of the Wine, is recommended. Campbell's "Skrei" Oil being the best, is the kind which should be taken.

Work Too Hard!

The Result is Sleeplessness, Nervousness and a Broken-Down System, often

Ending in Insanity.

Thousands of overworked business men, wearied brain-workers industrious mechanics, and tried women, in all parts of the Dominion are to-day in a terrible position. Their nerves are weak, digestion poor, head aching, and they cannot sleep, work or live in comfort. This is what fills our Insane Asylums. This is the cause of that terrible Paresis. Before it is too late, use Dr. Phelps' wonderful discovery, Paine's Celery Compound. It removes the results of overwork, restores strength, renews vitality, regulates the whole system, and tones up the overworked brain and body. Do not despair, but use this wonderful remedy, and be restored to health and happiness, the same as was Mr. John L. Brodie, of Montreal, who writes: "I have great pleasure in recommending your Paine's Celery Compound. My system was run down and I was not fit for business, could not sleep well at night and was nervous. I commenced taking Paine's Celery Compound and improved immediately. I am now able to transact my business and endure any amount of excitement without bad effect."

Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & Co., Montreal.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
