ELLEN'S DIARY

Swelling Buds And Robins Make April A "Nice Time"

Sun today. And the lawn actually greening. Buds swelling. Alders shaking out their green curls by the stream now in placid flow. Robins in the front meadow. Fields coming nearer the cropping. A nice April-time.

And a...? Summer's sweet strawberries and the sweet fern of a big bog-row, and on sunny banks in the sun-dappled, modest compass of daisies smiling in a pasture, daisies down by the stream. Increasing birdsong by day, hum of bee. And the night, fragrant and dew-damp pieces of time, threaded with sunny echoes.

For her wedding the winsome bride chose a street length gown of white chiffon velvet designed in princess lines with scalloped neckline and long tapered sleeves. Her shoulder length veil...

But others may behold the Resurrection. That maketh all things new With bright dawn, and sunset, And dusk, and dew."

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, April 19th—Do you need new things for the house or cottage... new drapes, perhaps... new power mower or garden furniture... a new boat? To make sure that you want, there's a wonderful way.

ask the people at your neighbourhood branch about the B of M Family Finance Plan which allows you to buy the things you need now with a simple, low-cost, life-insured loan. You can repay your loan in convenient monthly instalments tailored to your income. A B of M Family Finance Plan loan may exactly fit all your credit requirements! Why not see the B of M soon?

IT'S A TRULY FRIGHTENING EXPERIENCE that first time you're witness to an asthma attack, with its alarming gasping for breath and wheezing. That's why I'm happy to be able to tell chronic asthma sufferers about the relief they can have by taking RAZ-MAH Capsules. (And, for young sufferers...)

WANT A WASH AS FRESH and soft as a Spring breeze? Believe me, it's easy with CALGON, the wonder water conditioner. Calgon conditions water so you need less soap... it gets clothes softer, more absorbent and really clean. That's because it prevents "hangover dirt"... the film of salt, mineral, soap or detergent that sticks to your clothes. (Like the ring you get in the bathtub.) I've proved to myself, time and time again, that with Calgon my wash is never stiff or scratchy... colours never fade or dingy. Do try it... for brighter, cleaner laundry... Calgon water conditioner!
