### Eagles To Meet N.S.-N.B. Champs

Kings County baseball fans are in for a treat in their favorite sport Sunday when George town Eagles, Island Intermediate "B" Champions, meet a Dartmouth, N.S., team who are winners of the Nova Scotia New Brunswick Intermediate "B" series.

The game will be a sudden-death affair for the Maritime championship and will be held on the Georgetown diamond starting at 12 noon Sunday.

It is expected to draw a large crowd of Kings County fans. Playing qualities of the Eagles, who finished first in the Kings County League this season and went on to win the Island title, are well known to Islanders, but little is known of the visiting team.

However, the fact that they won the N.S.-N.B. title proves that they must be a classy aggregation.

Other action in the Kings County League sees Mount Stewart take on Peakes at Peakes at 1:00 p.m. sharp on Sunday.

## Keane Gives Resignation; Berra Fire As Manager

By BEN OLAN  
NEW YORK (AP) — Colorful Yogi Berra's tenure as manager of New York Yankees ended after one year on a black Friday for pennant-winning baseballer when he was fired only a few hours after Johnny Keane's resignation.

## SPORTS FRONT

By JIM CULLEN  
The Prince of Wales football aggregation will get their first real test of the season when they tangle with the St. Dunstan's High School team on Saturday afternoon.

The Red and White squad blanketed Montague High School 25-0 in their opening game and then downed Summerside High 25-10. The MacDonald and Lind coached crew were reported to be hard hit by graduation earlier in the season but they have come up with a top notch ball club. The Saints obtained a good crop of rookies from Birchwood High School and along with a few of the Stars' former St. Dunstan's team have welded together another strong contender for the Island high school championship.

The PWC team performs at fullback has been a big gun for the Malpeque Road students in their first two games and Les will undoubtedly be a big cog in the Saints' machine when the going gets rougher and will probably prove to be a big thorn in the side of the Port Nicholas coached Welshmen.

The Welshmen down to a man felt they have the team that is capable of defeating the defending champion St. Dunstan's squad. The P.W.C. boys won their opener over Montague by a 20-8 score, when asked by the team's cheerleader, "Nelson said 'our boys were a little rusty in the Montague game because they had been writing a lot of letters' and I think we have a strong fast team and I think this St. Dunstan's team is in for a big surprise when the teams meet on Saturday.

The PWC team held a last minute workout on the local campus yesterday afternoon. The Welshmen are not entered in the Inter-school League because they have a few players who are out of the high school grade and thus are ineligible for inter-school competition.

The rivalry between the two schools has always been keen and the Welshmen will be no exception. Although, this will be an exhibition game the PWC coach said "my boys will be looking for a moral victory when they tangle with the Stars. These boys serve up a pretty good brand of football and we think the Stars will win. It is a point to win and we have the SDU gridiron will witness a top notch struggle.

### Berra and Keane Are Gone

Yogi Berra will not return as manager of the pennant-winning New York Yankees, the club announced Friday. The minutes after it was learned that Johnny Keane had quit as manager of the Los Angeles Dodgers.

Berra has accepted a job as a special consultant for the Yankees general manager, Tom Y. Lincum, who is at the helm of the New York aggregation when the Los Angeles Dodgers send the Bronx Bombers down to Los Angeles in a last year's season. Berra then was moved up to the general manager position to make room for Berra to take over the reins.

Keane manager but we have heard it rumored that Jim Demaggio is being groomed for the job.

The St. Louis management was talking of firing Mr. Keane, but since it was late in the year they figured they would allow him to complete the season. Then bang, in no time the Reds were red hot and had taken up on the pennant.

It is our guess that when Johnny retired his ability to manage teams by winning the Cardinals to the National League flag and then to a thrilling seven game victory over the Yankees that he had made a rapid reconsideration decision to accept and maintain Keane as manager.

It is this humble observer's guess that Keane then threw the Yankees into a panic because he was a very staunch supporter when the going was rough and if he got into trouble next year he would likely be out on his back. If that is the case we believe the Cardinals' management is in grave danger of losing numerous faithful fans.

"Duke" Larier, a Charlotteville resident, phoned us last night to inform us of what we thought was a rather amusing incident that occurred during the World Series. When Mickey Mantle got nicked off at second base in the fourth game of the series that he heard it described on London radio.
