A MAINE man celebrated Thanksgiving Day by rolling seven whiskey barrels out of his cellar and knocking the heads out. The barrels were empty.

Up to date one million three hundred and fifteen thousand bushels of oats have been shipped from the Province of Prince Edward Island.

By telegram to L. C. Owen: Barque "William Owen" arrived at Havre from Baltimore, Brig "G. W. Wakeford" arrived at George town, 21 days from Ballina.

PEOPLE have been grumbling of late that they had no place of amusement to go to. To those we would say, go to St. Paul's School-room on Thursday evening, and hear the orchestral club concert.

AT THE Stipendiary Magistrate's Court this forenoon, Isaac Henderson was fined \$3 and costs or 14 days for being drunk and incapable. L. Deloche, for the same offence, was fined the same.

HARVIE'S ALMANAC for 1880 is out. It is, as usual, well printed; and, as usual, it is full of useful information. Its ordinary budget is swelled by the new tariff, ferry time table, fares, and other interesting matter. Buy a copy.

TO-DAY—being the feast of the Immaculate Conception—was observed as a holiday by the Roman Catholics of this city. Two masses were celebrated in St. Dunstan's Cathedral; and Vespers, followed by Benediction, will take place at 7 o'clock.

ON FIRST PAGE.—Local and other items and telegrams; on last page:—miscellaneous news, particulars of the attempted assassination of the Czar, commercial news—rates of exchange, markets, etc., weather bulletin, results of overwork, etc.

MR. J. W. YOUMAN'S, of Toronto, a first-class teacher of vocal music and elocution, is about visiting Charlottetown. He intends holding a "musical convention" here, to close with a grand concert. Mr. Youman's abilities are very highly praised by the press of the other Provinces.

E. G. HUNTER offers a great reduction in prices to close out his entire stock of Marble by the first of May, 1880. Parties requiring until Fall 1880 to make payment will find it to their advantage to leave their orders, and get satisfaction as well as good value for their money. Call and examine designs and prices.

MICHAEL FLANAGAN, who was lately tried, in Montreal, for the murder of Mary Gallagher, was drowned in the Lachine Canal, near Wellington Bridge. He was working on one of the canal boats, and was stepping from that one to another, when he slipped and fell between the two. There is about 6 inches of ice on the canal, but it is thinner between the boats, and his fall broke through it. He went under, and was seen no more.

THE first of a series of public temperance meetings was held in the Division Room, Queen Street, on Saturday evening, Mr. W. W. Beer in the Chair. The speakers were Rev. G. M. Campbell, Messrs. C. F. Harris, P. R. Bowers, O. H. Swift, and G. W. Millner. Appropriate temperance music interspersed the addresses. The addresses were all earnest and to the point. The second meeting will be held this Monday evening. Free to all.

SIR ALEXANDER GALT at the dinner of the St. Andrew's Society in Montreal, said: "We have abolished the connection between Church and State. All creeds and religions are alike in the eye of the law, and I often wonder how it is possible that those who really are friends to Canada can import into this country the discords and dissensions which have desolated their Mother country." This remark was received with enthusiastic and prolonged cheering.

PRESIDENT HAYES is hard on the Mormons. He urges Congress to take the necessary steps for bringing Mormonism within the operations of the law and putting an end to polygamy. Utah is anxious to get into the Union as a state, and if it could do that, it could protect its "Domestic Institution"; but the Government seems resolved to keep it a territory until polygamy is dealt with. At present there is at least one polygamist sitting Congress.

COALD QUARTERS.—On Sunday morning a number of christian gentlemen, engaged in distributing tracts to sailors, were attracted to a coal shed on Queens wharf by the screams of a woman. A barrel, full of heavy material, placed against the shed door prevented egress. On removing this, and opening the door, a haggard, thinly-clad woman, apparently about forty years of age, appeared. She had been drunk on Saturday night, and, during her drunken stupor, wandered into the shed and slept in the coal, until the noise of footsteps awoke her on Sunday morning.

A CASE OF ROBBERY, a case and two attempts at burglary were reported by the police since Saturday, the 6th inst. The first is that of the girl Buchanan, who was committed to jail on Monday for stealing a pair of boots from Mr. John Wonacott, on Saturday evening last. The second is the entering of Mr. Thomas Murphy's store, in the market house cellar by some unknown parties who carried off a quantity of apples, etc. Late on Saturday night the bars were removed from the window of Mr. Sampson's boot store, Great George street. This was evidently done by burglars who were, no doubt, frightened by the approach of some person. An attempt was also made to enter the house of Mr. John Currie, on Pownall street, through the cellar, but the burglars were evidently foiled by the cellar hatch being blocked with coal.

Our DRESS MATERIALS, Mantles and Cloths of every description are having a good run, whilst our Fur Goods are going off in good style. Our CARPETS are, without doubt, the cheapest in the city, and have sold well. Intending purchasers will serve their own interests to call ere they all go. It is not every day such opportunities occur for furnishing at a cheap rate.

In the work we have given ourselves of giving "Good Goods for little money," we have so far had the co-operation of the Public, which, if continued, cannot fail, in the end, to largely benefit us and all who favor us with their custom.

We have made up our minds to gain and deserve a large share of public patronage and support, which we are sensible will be the result of industry, courtesy, and an assiduous attention to each of our numerous customers, as well as to each branch of our business.

THE ANALYTICAL SANITARY INSTITUTION, 54, Holborn-viaduct, E. C., London, Aug. 18, 1879, report on the "Lorne Highland Whiskey" of Messrs. Greenlees Brothers:—"We have visited the bottling stores of Messrs. Greenlees Brothers, at Gresham-buildings, London, and have selected from the vats, samples of their Lorne Highland Whiskey, and have subjected them to careful examination and analysis. The samples were pale, showing their freedom from added coloring matter, very fragrant, mellow and of pleasant flavor; in fact, they possessed all the characteristics of pure and well-matured Scotch Whiskey of the first quality."
