

**Hope for the Afflicted!**

HALIFAX, N. S., May 13.

MR. SAMUEL STORY, 3rd,  
Agent for S. P. Townsend's Sarsaparilla,  
SIR.—Having been afflicted for the last  
12 months, with an affection on the  
Lungs, which prevented me attending to  
my work as well as I could wish, during  
which time I was under three Doctors'  
hands, and must say I derived no benefit  
whatever, and began to despair of ever  
getting better. I was induced to try S.  
P. Townsend's Sarsaparilla, that you are  
agent for, by seeing it advertised, and  
after using two bottles found immediate  
relief, and am now able to attend to my  
work as usual, I sincerely believe it has  
been the means of restoring me. I have  
also been afflicted with the Piles for the  
last seven years, and when I began using  
your valuable Sarsaparilla to my astonish-  
ment I was cured.

JOHN BRENNAN, Cooper.  
No. 81 Albermarle-street, Halifax, N. S.  
Sworn to at Halifax, before me, this 13th  
day of May, 1850. A. KEITH, J. P.

It is with much pleasure that  
the Agent for P. E. Island, thus again  
makes known the wonderful qualities of  
Townsend's Sarsaparilla, as exemplified  
in the above cure. This Medicine must  
now be acknowledged by all to be one of  
the greatest blessings of the age.

**FIRE! FIRE!! FIRE! TO THE PUBLIC!**

THE Subscriber, with some de-  
gree of confidence, begs to call the atten-  
tion of the Public to the great and peculiar ad-  
vantages which persons will enjoy, by effecting  
Assurances with the

**Alliance Life and Fire Insurance Company, OF LONDON.**

These advantages are—  
First.—PERFECT SECURITY.—It must be  
admitted, that a Capital of £5,000,000 sterling,  
under the immediate management of such a  
wealthy and influential body as the Directors  
of this Company, affords perfect security to the  
Assured.

Secondly.—HONOR AND LIBERALITY on the  
part of the Company has ever characterized all  
its transactions. As the assured in this com-  
munity have invariably experienced this FROM  
THE COMPANY, during the last Eleven years  
nothing further need be stated upon this head.

Thirdly.—The purchase of this advantage at  
a moderate rate. It is material to know, that  
while from the largeness of the Capital, which  
is alone answerable for losses, the Assured  
not only enjoy perfect security, but also are  
privileged to participate in the profits of the  
Company, which are declared and divided at  
the expiration of every successive period of  
Five years. This participation will be return-  
ed to the Assured in the form of percentage  
on the Premiums that have been paid. In the  
year 1844, the Subscriber paid to the Assured,  
entitled to receive this percentage, a fair re-  
turn; and during the present month, the Sub-  
scriber has had much pleasure in paying to  
various gentlemen who have assured with the  
Company, for the last five successive years, the  
handsome return of Seven and a half per cent.—  
one of whom received the large amount of £41  
9s. 9d., Island currency, as his proportion.

The Directors have removed the restriction  
relative to the burning of Camphene. The  
Oil may now be used in buildings assured by  
the Alliance.

The advantages above stated have reference  
also to the Life Department.

If the Public really want PROTECTION  
against the devouring element of FIRE, espe-  
cially at this season of the year, they can ob-  
tain it by applying to the Subscriber, who will  
be happy to take risks at fair Rates of Pre-  
miums, against FIRE, and issue Policies on  
LIFE, on satisfactory terms.

CHARLES YOUNG, Agent.
