

### Member's Feud With Gordon Fanned In House Committee

OTTAWA (CP)—The ghost of Mr. Rowse said Wednesday if CNR President Donald Gordon intruded again Wednesday into a Commons examination of the CNR's subsidiary Crown corporation, Trans-Canada Air Lines.

Mr. Rowse said Wednesday if Mr. Gordon for several years when the CNR is examined by the same committee, raised the matter.

He said his basic quarrel with the CNR is that unlike TCA, it "won't give the employees a chance to make an intelligent decision."

He referred to notice given Winnipeg maintenance employees by TCA of looming changes that would affect their jobs in the next few years.

Heber Smith (PC — Simcoe North) said it wasn't fair to keep comparing TCA with the CNR because their operations and conditions differed.

The motion was withdrawn after Fontaine's lawyer, Claude Denis, insisted the Crown present more evidence.

### U. S. Moves To Cool Off Yemen Crisis

BEIRUT, Lebanon (AP)—The United States has quietly moved to cool the Yemen crisis with a package plan for withdrawal of outsiders from the conflict and eventual U.S. recognition of the republican regime.

Informed sources have reported that President Kennedy has sent messages to the leading figures involved, proposing disengagement as a first step.

The U.S. plan would involve the withdrawal of about 10,000 Egyptian troops supporting the Sallal regime inside Yemen and end the flow of Saudi and Jordanian aid to the royalist tribes fighting under deposed Imam Mohammad al-Radi.

### Terminal Space At Dorval Port Reported Costly

OTTAWA (CP)—Space in the transport department's glossy new terminal at Dorval Airport in Montreal costs Trans-Canada Air Lines more per square foot than its offices on New York's Fifth Avenue, a Commons committee was told Wednesday.

TCA President Gordon McGregor gave the information during discussions about terminals — whether they are too grandiose as suggested by Arthur Laine (L, Vancouver South) or whether the travelling public demands glass, marble and stone as suggested by Bobby McDonald (PC—Hamilton South).

Transport Minister Balcer said Dorval was supposed to be too large, projected 12 years ahead. But he there any Friday night, he suggested, and see the restriction.

"Have you ever been to Gander?" asked Douglas Fisher (NDP—Port Arthur). He called it the jet-age white-elephant terminal in Newfoundland—attractive and expensive and attractive through the capacity of jet liners to fly Montreal to Europe direct.

### Beef Growers Get Payment

OTTAWA (CP) — Ontario sugar beet producers have been given a deficiency payment of \$8.46 a ton on their 1961 crop, the agriculture department announced Wednesday.

Payments on the 1961 crop in Quebec, Alberta and Manitoba will be calculated later when final prices obtained by producers in those provinces become available.

The payment is the difference between the producers' average return of 80.4 a ton—as established by the agricultural stabilization board—and the 81.3 a ton support price, which is 10 per cent of the average price for the last 10 years.

The Ontario payment totals \$69,352. It includes the Ontario government's contribution of 50 cents a ton.

PLYMOUTH, England (CP) A Bristol University student says he has broken the egg-eating record. Roger Wooler, 15, said he swallowed 46 raw eggs in under six minutes "because I'm that sort of a fool."

### CP's Windsor station here.

Provincial police said a bag found in a station locker contained 4,000 counterfeited voter-registration slips, needed by Quebecers in Montreal and Quebec City to identify themselves at the polls.

**OTHERS ACCUSED**  
Accused along with Fontaine are Andre Legarde, chief organizer for the Union Nationale party for Montreal, and Gaston Archambault, a former provincial policeman.

Fontaine is accused of conspiring to make false documents, to alter them, to violate the elections act, and to aid and abet others to commit a crime.

Mr. Desjardins felt enough evidence was produced concerning the last three, and there was no need for committal on the first charge—indicating that one may be withdrawn.

In another court, election conspiracy charges against cafe owner Frank DiPalma and Gerard Duchaine came up for preliminary hearing. The cases were postponed to Dec. 18.

### Oust Caouette Move Reported In SC Ranks

GANANOQUE, Ont. (CP) — William I. Hunter, defeated Social Credit candidate in the last federal election, said here last weekend there is a movement within the party to "get rid" of Deputy Leader Real Caouette.

Not all members of the anti-Caouette group live outside Quebec, Mr. Hunter told a meeting at South Elmley, about 56 miles north of here.

"It is time Social Crediters from coast to coast took a long, searching look at Real Caouette," he said.

"Many of us now feel he should not be in his present position." Mr. Hunter, defeated by Liberal John Matheson in Leeds, said in the last few months Caouette has been an embarrassment to Leader Robert Thompson and most party members.
