STEAM NAVIGATION COMPANY.—The officers and men of the steamers St. Lawrence and Northumberland have received written notice that after the 30th proximo their services will not be required.

THE NEWBERY ESTATE.—We have had several enquiries concerning the dividend due to creditors. Perhaps the liquidators will kindly afford some information, satisfactory or otherwise, to those who are entitled to it and want the money.

SNOW BLOCKADE.—The train which left Charlottetown for Souris yesterday afternoon was kept out on the line all night, owing to the snow blockade, and only reached Souris to-day. The train from Tignish this morning was delayed considerably before reaching Summerside. The snow has drifted heavily all along the line of railway.

POLICE COURT.—During the month of March ending to-day, there were 10 convictions for nuisance, 21 for drunkenness, 3 for assault, 7 for breach of the Liquor Regulation Act, 1 for carrying concealed weapons, and 1 for malicious injuries to property. During the same period the dismissals were: 3 for nuisance, 2 for drunkenness, and 1 for breach of the Liquor Regulation Act. The total receipts were $285.84.

THE LAURIER WRECKED.—By telegram to-day to Geo. H. Toombs, Esq., from St. John's, Nfld., we learn that the schooner Laurier, Capt. David Myers, of Canso, is a total wreck near Cape Race, Nfld. No particulars are given, and fears are entertained for the safety of the crew. The Laurier was on a voyage from Boston to St. John's. She carried a crew of four besides the captain, three of whom are Islanders, viz., John McLean, mate, son of the keeper of the blockhouse; John Mills, cook, of this city, and a man named Dicks, belonging to Georgetown. The other sailor's name is unknown. The vessel is owned by Geo. H. Toombs, Esq., of this city, and was valued at $3,500. The vessel was insured for $2,500, and the cargo for $400.

A later despatch says the crew were saved.

ENTERTAINMENT AT ST. DUNSTAN'S.—On the occasion of a visit last night to St. Dunstan's College by His Honor the Lieutenant-Governor the students prepared a programme to celebrate the event by an entertainment. The programme consisted of choice musical selections, and, though almost an impromptu, was executed with a classic taste by the several performers. The orchestra rendered some fine selections from celebrated authors. The Glee Club also gave excellent choral renditions, and the Dramatic Club presented one of their laughable farces. As His Honor entered the hall, the College band, from behind the scr en, played the national anthem, and, as the last notes died away, three cheers for the Lieutenant-Governor were enthusiastically given by the students. At the close, an address in behalf of the institution was presented to His Honor, who responded in suitable terms. Immediately afterwards a brief reception was held, at which the students were individually presented to His Honor. A copy of the address and reply will appear on Monday.

PRINCE STREET SCHOOL ENTERTAINMENT.—The entertainment in the Masonic Opera House last evening consisted first of the "Flag Drill of Nations," and secondly of the play of "The Country School Teacher." Both were wonderfully well done, considering the youth and inexperience of the performers. In the former, twenty-four young ladies, appropriately dressed to represent the various nationalities of the world, went through a series of evolutions to the music of Mr. Vinnicombe's excellent and popular orchestra; and the grace, the beauty and the precision exhibited were altogether admirable. In the latter, the trials of a young lady teacher, engaged to teach in a country district, where the trustees were mean, ignorant and officious, the boys disorderly and bad, and the girls jealous and malicious, were well set forth. All the parts were capitally taken, showing historinic ability and careful preparation. The director, Mr. W. C. Harris, jr., is to be congratulated upon the result. The local hits were good and highly appreciated by the largest audience of the season.

The most palatable preparation of Cod Liver Oil in the world is Miller's Emulsion, and is now been taken by invalids with astonishing success.
