DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
I S L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

B Z V J W M S O V B V L B D L B T L V S S E
X Z Q B T E V S X L P U S N S U S D G F S Q G Z
D J M X G U - L N G Z O P U Z S.

Saturday's Cryptoquote: I AM ALWAYS AT A LOSS TO KNOW HOW MUCH TO BELIEVE OF MY OWN STORIES—IRVING.

Ice cream producers in Canada have as their star salesman, Mr. Sun himself. Whenever he pushes aside the clouds for a few days, Canadians consume enough ice cream to clear the refrigerators in stores and dairies. About 7,000,000 gallons will disappear in 1952 and most of it within the next two months.
