

Island Chev-Olds Opens Today On Fitzroy Street

Island Chev. Olds. Ltd. opens for business taking over the dealership of these lines from Godspeeds of P.E.I. Ltd. President of the firm Eldon Clarke, has been in the car business for 15 years and is mainly in the Magdalen Islands where he owns Clarke Motors Ltd. He came to Charlottetown to expand his business and business facilities.

Associated with him in the ownership of the Charlottetown firm are his father, Clarence, and brother Merlyn.

The present staff of 35 is the same as that maintained by the previous owner. Mr. Clarke hopes to provide a more efficient customer service system.

Staff positions will also remain the same with Bert Steele as sales department manager, Ches Lechart as service department manager, Gary MacDonald as foreman of the body shop, and Windsor Rechart as head of the stock room.

The five salesmen, consisting of Gene Coady, Merin Devine, Raymond Genge, Keith Myers and David Youkers are on hand to serve the customer from 8:30 to 5:30 and most evenings to 9 o'clock.

Church Merger Plans Are Hailed In Toronto

TORONTO (CP)—Rev. F. H. Wilkison, Anglican Bishop of Toronto said here plans to unite British Anglicans and Methodist will encourage similar plans here.

Dr. Ross Cameron, moderator of the Presbyterian Church of Canada said he looks forward hopefully to the success of the British and Methodist merger.

The spokesmen made their comments in interviews.

FINDS NEW STAR

Most of Canada's Methodists were absorbed by the United Church in 1925 and Bishop Wilkison said talks about merging the Anglican Church of Canada and the United Church of Canada have been going on since 1960. Talks between the Anglicans and Presbyterians started five years ago.

A new star between the Hercules and Lyra constellations has been discovered by Swedish astronomer Elis Dalgren.

He said the talks are progressing satisfactorily and that he was "hopeful in the long run they will lead to a satisfactory conclusion."

The British proposals to bring the Methodists back into the church of England, which they left 219 years ago, were announced Monday.

Latest census figures show 2,409,068 Anglicans in Canada, 2,554,000 members of the United Church and 818,558 Presbyterians. A merger would leave the combined congregation nearly 5,000,000 behind the Roman Catholic total.

Dr. Ernest Long, secretary of the general council of the United Church of Canada, Tuesday said he too is encouraged by the British talks.

"If there is a breakthrough in their conversations at this point," he said, "it could point the way for us for the next year."

Yank Jazz Ruled Out By Russians

MOSCOW (Reuters) — American jazz has been ruled out of the 1963 Soviet-American cultural exchanges arranged here, it has been learned.

Goodman and his orchestra last summer, had rejected the offer of the Duke Ellington or Count Basie band for 1963 in talks that ended Monday.

They gave no reason, but their refusal was linked with a stepped-up press campaign which began here last December against foreign influences in music and the arts.

So instead of swing, Soviet audiences this year will see the Baird Marionette Theatre of Chicago, and in return Americans can watch the Soviet Or-

chestra and puppet theatre which will start an eight-week tour in October.

Another "safe" exchange agreed on in the talks is an American visit by the Moscow State Circus in September, with American circus performers, mainly from the Barman and Bailey Circus, coming to Mos-

cow for 12 weeks in the summer.

LIT STREETS FIRST Street lighting originated in London early in the 15th century. Certain shop and house owners had to hang out lanterns at sunset.
