

The year's first snow causes mass confusion in campus parking lots...

I'll bet you had a hard time colouring between the lines too.

Any closer and they'd need birth control.

Did you guys plan this?

Wouldn't want to get too close now...

This isn't parking... it's abandonment.

It's not that long...

Hey buddy... where's your permit? Not being able to park does not constitute a disability.

I think I'll just park in the middle of the road.

Honourable Mention... the dirtiest vehicle on campus award.
